Introduction

Towards a New Dawn

Introduction

1.1 The Ministry of Women and Child Development, Government of India, came into existence as a separate Ministry with effect from 30th January, 2006. It has the nodal responsibility to advance the rights and concerns of women and children who together constitute 71.4 % of the country's population, as per 2001 Census. The Ministry was constituted with the prime intention of addressing gaps in State action for women and children and for promoting inter-Ministerial and inter-sectoral convergence to create gender equitable and child-centred legislation, policies and programmes. The functions of the Ministry include promoting the survival, protection, development and participation of women and children in a holistic manner.

The Ministry has the following Vision and Mission:

Vision

1.2 Empowered women living with dignity and contributing as equal partners in

development in an environment free from violence and discrimination and, well-nurtured children with full opportunities for growth and development in a safe and protective environment.

Mission - Women

1.3 Promoting social and economic empowerment of women through cross-cutting policies and programmes, mainstreaming gender concerns, creating awareness about their rights and facilitating institutional and legislative support for enabling them to realise their human rights and develop to their full potential.

Mission - Children

1.4 Ensuring development, care and protection of children through cross-cutting policies and programmes, spreading awareness about their rights and facilitating access to learning, nutrition, institutional and legislative support for enabling them to grow and develop to their full potential.

Constitutional and Legal Provisions

1.5 The concern of the makers of our Constitution for equality to women on the one side and for assuring the rights of children, promoting their well being and ensuring a better future for them on the other, are enshrined in constitutional provisions which are listed at **Annexure-I**. For furthering the interests of the women and the children of the country, the Government has also enacted a number of laws which are listed at **Annexure - II**.

Subjects allocated to the Ministry of Women and Child Development

1.6 The subjects allocated to the Ministry of Women and Child Development are listed at **Annexure-III**.

1.7 The Ministry of Women and Child Development has been preparing its policies and programmes in accordance with the priorities outlined in the Five Year and Annual Plans for inclusive growth and development of women and children.

1.8 The Ministry has evolved policies, plans of action, legislations, programmes and schemes for advancement of women and children and has been implementing them with the support of State Governments/UTs, Government and Non-Government Organisations for achieving its mandate.

Organisational Structure of the Ministry

1.9 The Ministry of Women and Child Development is headed by Minister of State (Independent Charge), Smt. Krishna Tirath, who took charge with effect from 30th May 2009. Shri Prem Narain, Secretary of the Ministry, is assisted by one Special Secretary, one Additional Secretary, a Senior Economic Adviser, a Financial Adviser, four Joint Secretaries, an Economic Adviser and a Statistical Adviser. The Additional Secretary is also the Mission Director, National Mission for Empowerment of Women (NMEW). The organisational chart of the Ministry is at **Annexure-IV**.

1.10 The Ministry has four (4) autonomous organizations viz. National Institute of Public

Cooperation and Child Development (NIPCCD), Central Social Welfare Board (CSWB), Rashtriya Mahila Kosh (RMK), and Central Adoption Resource Authority (CARA) working under its aegis, besides two (2) Statutory Commissions namely, National Commission for Women (NCW) and National Commission for Protection of Child Rights (NCPCCR). NIPCCD, RMK and CARA are societies registered under the Societies Registration Act, 1860. CSWB is a charitable company registered under section 25 of the Indian Companies Act, 1956. These organizations are funded by the Government of India and they assist the Ministry in its functions including implementation of programmes / schemes. The Food and Nutrition Board (FNB) is an attached office of the Ministry.

1.11 The National Commission for Women (NCW) is a national apex statutory body set up in 1992 for protecting and safeguarding the rights of women. National Commission for Protection of Child Rights (NCPCCR) was set up on 5th March, 2007 as envisaged in the Commission for Protection of Child Rights Act, 2005.

Major Achievements

The major achievements of the Ministry during 2012-13 are discussed in the succeeding paragraphs.

A. CHILD

Integrated Child Development Services (ICDS)

1.12 The Integrated Child Development Services (ICDS) Scheme is one of the flagship programmes of the Government of India and represents one of the world's largest programmes for Early Childhood Development. ICDS was launched in 1975 in 33 Blocks (Projects) with 4,891 AWCs. There were 7,076 ICDS Projects with 13.72 lakh Anganwadi Centres/mini-Anganwadi Centres sanctioned as on 31 December, 2012. As on 31 January, 2013, 7025 projects and 13,31,076 AWCs are operational across 35 States/UTs, covering 927.66 lakh beneficiaries under supplementary nutrition and 346.66 lakh 3-6 years children under pre-school component.

1.13 In 2008, the Government of India decided to introduce the new WHO Growth standards through ICDS and National Rural Health Mission

(NRHM). Till 9.1.2013, World Health Organisation (WHO) Growth charts have been rolled-out in 8,11,629 AWCs in 6,609 projects across States/UTs.

1.14 A joint Mother and Child Protection Card (MCPC) has been devised in consultation with the Ministry of Health & Family Welfare for wider distribution among all beneficiaries of ICDS. This card provides useful information on growth monitoring of children. Till 9.1.2013, MCPC has been distributed in 7,36,175 AWCs in 6564 projects.

1.15 The Ministry of Women & Child Development has initiated pilot testing of use of Interactive Voice Response System (IVRS) using mobile phones for real time monitoring of key indicators of AWC Monthly Progress Report(MPR) in 62 projects in 8331 AWCs. About 75% AWCs are sending the data through IVRS.

Prime Minister's National Council on India's Nutritional Challenges

1.16 The following main decisions were taken in the first meeting of the Prime Minister's National Council for India's Nutrition Challenges, an apex body for Nutrition, held on 24th November, 2010:

- ICDS strengthening and restructuring
- Multi-sectoral programme to address the maternal and child malnutrition in selected 200 high-burden districts
- Launching a nation-wide information, education and communication campaign against malnutrition
- Bringing strong nutrition focus in sectoral programmes - Health, Drinking Water Supply and Sanitation, School Education, Agriculture and Food & Public Distribution (being monitored by Planning Commission)
- Significant progress has been made on all the above fronts.

1.17 In order to address various programmatic, management and institutional gaps and to meet administrative and operational challenges, Government approved the

Strengthening and Restructuring of ICDS Scheme with an allocation of ` 1,23,580 crore during 12th Five Year Plan. Administrative approval in this regard has been issued on 22nd October 2012.

1.18 Restructured and Strengthened ICDS will be rolled out in all the districts in three years as per the following details:

- (a) In 200 high burden districts in the first year (2012-13);
- (b) In additional 200 districts in second year (2013-14) (i.e. w.e.f. 1.4.2013) including districts from special category States and North Eastern Region(NER);
- (c) In remaining districts in third year (2014-15) (i.e. w.e.f. 1.4.2014).

1.19 Financial Norms of Supplementary Nutrition have been revised w.e.f 22.10.2012 to be rolled out in phased manner

The revised rates would follow the phasing of the programme in selected 200 high burden districts in 2012-13 and subsequently in 200 districts in 2013-14 and remaining districts in 2014-15 on the existing cost sharing ratio of 50:50 between the Centre and the State other than NER where it will continue to be on 90:10 basis.

Category	Revised cost norms per beneficiary per day as per phased
(i) Children (6 months to 72 months)	` 6.00
(ii) Severely malnourished Children (6 months-72 months)	` 9.00
(iii) Pregnant women and lactating mothers	` 7.00

1.20 In view of strengthening the annual planning process in ICDS as well as to set the ground for the ICDS in mission mode in 12th Plan, the Ministry introduced development of Annual Programme Implementation Plan (APIP) in ICDS by each of the States / UTs from 2011-12. During 2012-13, a total of 25 States/UTs have submitted the APIPs to the Ministry.

1.21 Construction of AWC buildings has also been included in the list of permissible works in Schedule-I under Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA), 2005 *vide* notification dated 22.11.2012.

1.22 A Nationwide Information, Education and Communication (IEC) campaign against malnutrition was launched on 19th November, 2012 by Hon'ble President of India in New Delhi. The campaign has pro-bono services of Shri Aamir Khan and technical support of UNICEF. The roll out of the campaign has commenced from 28th December, 2012.

1.23 Framework for Multi-sectoral programme to address the maternal and child malnutrition in selected 200 high-burden districts has been prepared. This programme envisages bringing together with various national programmes through strong institutional and programmatic convergence at the State, District, Block and Village levels. The document has been circulated to the line Ministries for the EFC.

1.24 **Nutrition Resource Platform (NRP)** has been set up at National Institute of Public Cooperation and Child Development (NIPCCD), New Delhi and NRP website launched in public domain in **August, 2012**.

National policy on Early Childhood Care and Education (ECCE)

1.25 The National Early Childhood Care and Education (ECCE) Policy is in advanced stage of finalization and approval of the competent authority. A National Consultation was organized on 29 October 2012 for deliberation on the draft framework. The Ministry has also initiated a pilot test of the feasibility of the draft ECCE Curriculum Framework in some of the States.

IDA assisted 'ICDS Systems Strengthening & Nutrition Improvement Project (ISSNIP)'

1.26 The Cabinet Committee on Economic Affairs (CCEA) has approved implementation of the International Development Association (IDA) assisted ICDS Systems Strengthening

and Nutrition Improvement Project (ISSNIP) on 4 October 2012, with a total outlay of ` 2893 crore over 7 years, in the cost sharing ratio of 70:30 between the World Bank and Govt. of India. The project will be implemented in two distinct phases with phase 1 of 3 years and phase 2 of 4 years. The World Bank has initially committed US\$ 106 million for Phase 1 of the project. The project has been made effective from 26 November 2012 after signing of the agreement between the Government of India and the World Bank on 5 November 2012.

Integrated Child Protection Scheme (ICPS)

1.27 The Integrated Child Protection Scheme (ICPS) was introduced, in 2009-10 to encourage quicker establishment of structures and procedures under the Juvenile Justice Act and to bring several existing child protection programmes, under one umbrella. The scheme is implemented through State Governments/UT Administrations by providing financial and technical support. Memorandum of Understanding (MoU) has been signed between the Government of India and all States/UTs except J & K.

1.28 Considerable progress has been made under ICPS in establishing statutory bodies. 619 Child Welfare Committees (240 before introduction of the Scheme) and 608 Juvenile Justice Boards (211 before introduction of ICPS) have so far been established all over the country. To ensure that proper focus is maintained on child protection, and quality of services is up to the mark, the Scheme envisages creating a service delivery network, exclusively for child protection, which has been provided with setting up and maintenance of 33 State Child Protection Societies, 24 State Project Support Units, 26 State Adoption Resource Agencies and 589 District Child Protection Units. In 2012-13 (upto 13.3.2013), 232 Specialised Adoption Agencies (SAAs) and 1195 Homes of various types so far, have been funded under the Scheme. These provide comprehensive rehabilitation services to children including food, clothing, day and night shelter, education, medical facilities, etc. to 75,052 children.

1.29 To fast track the implementation of the 'Track child' project all over the country, the Ministry along with National Informatics Centre (NIC) has launched a country-wide training

programme for Police Officials and Child Protection Personnel. Training has already been conducted in 23 States and it is seen that already 2985 Police Stations have uploaded the data of missing and recovered children and 770 Child Care Institutions have uploaded the data of children in their care. Child Helpline Service (1098) supported under ICPS have started functioning in 67 new locations this year and with this, the service is now available in 269 cities. So far, childline has received more than 31 lakh cases till January, 2013 during 2012-13

Preparation of Reports on the Convention on the Rights of the Child and its two Optional Protocols

1.30 India is a signatory to the Convention on the Rights of the Child and its two Optional Protocols on sale of children, child prostitution and child pornography and on children involved in armed conflict. It is obligatory on the part of a Member country signatory to the Convention to submit a Periodic Report to the UN Committee on the Rights of the Child on the implementation of the provisions of the Convention in the country. The last review by the Committee on the Rights of the Child was held in January, 2004.

1.31 **The Ministry has prepared 3rd and 4th Combined Periodic Report on the Convention on the Rights of the Child and the two Optional Protocols on the 'Sale of Children, Child Prostitution and Child Pornography' and 'Involvement of Children in Armed Conflict' after collecting and collating information from all concerned Ministries, State Governments, Government and Non Governments Organizations/Institutions and others. The Report was presented to the Office of the High Commissioner for Human Rights by Permanent Mission of India (PMI), Geneva on 26th August, 2011.**

1.32 The Prohibition of Child Marriage Act (PCMA), 2006 : In order to provide inputs for strengthening the implementation of PCMA 2006 and to deliberate upon the modalities of holding a national consultation on the issue, the Ministry has set up a Core-group under the chairpersonship of Secretary,

Ministry of Women and Child Development, involving concerned Ministries, NGOs, academic and research bodies, media and other experts. As a result, a National Consultation on Child Marriage was held on 25th May 2012. The Consultation identified the need for developing a National Action Plan for prevention of child marriages in the country and to provide a common platform for understanding the issue. A core committee was also set up drawing members from the Core Group to formulate a draft strategy paper, as a guiding principle for drawing up the National Action Plan. The draft strategy paper has been prepared and circulated among core group members.

Sectoral Innovation Council on Child Sex Ratio

1.33 The Ministry set up a Sectoral Innovation Council on Child Sex Ratio to look at the entire gamut of issues connected with the declining child sex ratio with the purpose of identifying interventions which have worked and those which did not and also to suggest innovative strategies, approaches and methods of intervention to address the decline in Child Sex Ratio in a time bound and effective manner. The Council held its first meeting on 31st January, 2012. The first meeting of the Inter Ministerial Co-ordination Committee (IMCC), headed by the Cabinet Secretary, was held to address the issue of the declining Child Sex Ratio (CSR). A Working Group has been constituted headed by Secretary, WCD and partner ministries to submit an Action Plan. In order to prepare the plan, National Mission for Empowerment of Women (NMEW) held a one day Consultation on 8th January, 2013 to identify ways to address the issue of declining CSR.

Review of National Policy for Children, 1974

1.34 The National Policy for Children, adopted on 22nd August, 1974 is under review in order to better address emerging challenges related to the rights of children and an Advisory and Drafting Committee had been formed for the purpose. Five Regional Consultations were held between September, 2010 and January, 2011 to have comments, views, suggestions and inputs from all stakeholders on the contents of a new policy for children. A National Consultation was held on 19th December, 2011 to discuss the draft working paper

on the Policy. A **draft National Policy for Children, 2012** has been prepared and comments have been invited by the Ministry of Women and Child Development.

The Protection of Children from Sexual Offences Act, 2012

1.35 To deal with child abuse cases, the Government has brought in a special law “The Protection of Children from Sexual Offences Act, 2012”. The Act has come into force with effect from 14th November, 2012 along with the rules framed thereunder. The Act provides protection to children from the offences of sexual assault, sexual harassment and pornography. Rules have been framed by the Central Government under the power delegated under **Section 45** of the Act. The Protection of Children from Sexual Offences Rules, 2012 have been notified on 14th November, 2012 and laid on the Table of Rajya Sabha on 5th December, 2012 and Table of Lok Sabha on 7th December, 2012.

Rajiv Gandhi Scheme for Empowerment of Adolescent Girls - Sabla

1.36 **Rajiv Gandhi Scheme for Empowerment of Adolescent Girls** – a comprehensive scheme for the holistic development of adolescent girls (AGs) of 11-18 years called **Sabla** was introduced in 2010. **Sabla** is being implemented in 205 selected districts across the country, using the ICDS platform. In these districts, **Sabla** has replaced the Nutrition Programme for Adolescent Girls (NPAG) and Kishori Shakti Yojana (KSY). In the non-**Sabla** districts, KSY continues as before. **Sabla** is being implemented through the State Governments/UTs with 100 per cent financial assistance from the Central Government for all inputs other than nutrition provision for which 50 % Central assistance is provided to States. Anganwadi Centre is the focal point for the delivery of the services.

1.37 **Sabla** scheme has two major components (i) **Nutrition and (ii) Non Nutrition**. The integrated package of services

being provided to *Adolescent Girls (AGs)* under **Sabla** is as under:

- i. Nutrition provision (@ ` 5/- per day for 300 days in a year)
- ii. Iron and Folic Acid supplementation (52 tablets annually)
- iii. Health check-up and referral services
- iv. Nutrition & health education
- v. Counseling/guidance on family welfare, ARSH, child care practices, and home management
- vi. Life skills education and accessing public services
- vii. Vocational training for girls aged 16 and above, under the National Skill Development Programme

1.38 Against the annual target of 1 crore for nutrition beneficiaries under **Sabla**, till the end of December, 2012, 88.76 lakh beneficiaries have been covered for nutrition under **Sabla**. Since non-nutrition component under **Sabla** requires effective convergence with the line Ministries, the same is yet to take up in some of the States. Under Sabla, 14,654 adolescent girls were mainstreamed to the school system in 2012-2013. During 2012-13 (Till end of December, 2012), more than 2 lakh adolescent girls have already been provided vocational training under Sabla.

Indira Gandhi Matritva Sahyog Yojana (IGMSY)

1.39 Indira Gandhi Matritva Sahyog Yojana (IGMSY): A Conditional Cash Transfer Scheme for pregnant and lactating women was introduced in October, 2010 as a Centrally Sponsored Scheme to contribute to better enabling environment by providing cash incentives for improved health and nutrition to pregnant and nursing mothers. The Scheme envisages providing cash to Pregnant & Lactating (P&L) women during pregnancy and lactation in response to individual fulfilling specific conditions. It addresses short term income support objectives with long term objective of behavioural and attitudinal changes. The scheme attempts to partly compensate for wage loss to

Pregnant & Lactating women both prior to and after delivery of the child. Being implemented on pilot basis in 53 selected districts using the platform of ICDS, 12.5 lakh P&L women are expected to be covered every year under IGMSY. As on 31-12-2012, the beneficiaries covered are about more than 4 lakh and an amount of ` 75.00 crore have been released to the States/UTs. The scheme is now covered under Direct Benefit Transfer (DBT) programme and under which 9 districts have been included under first phase of the implementation (where Aadhaar enabled cash transfer is to take place).

National Mission for Empowerment of Women (NMEW)

1.40 The Ministry launched the National Mission for Empowerment of Women (NMEW) in March, 2010 for coordinated assessment of current Government interventions and aligning future programmes so as to translate the National Policy on Empowerment of Women (NPEW) prescriptions into reality. The Mission was operationalised during 2011-12, with setting up of a National Resource Centre for Women (NRCW) within the Ministry. The Institutional

mechanism under the Mission was operationalised with the setting up of the National Unit headed by the Additional Secretary and Mission Director.

1.41 The State level institution consists of the State Mission Authority (SMA) and State Resource Centre for Women (SRCW), which works in co-ordination with NMEW. As on date, 21 States have set up SRCWs.

Swadhar- A Scheme for Women in Difficult Circumstances

1.42 Swadhar Scheme was launched by the Ministry during the year 2001-02 for the benefit of women in difficult circumstances and at present 311 Swadhar Homes are functioning across the country. The **Short Stay Home scheme** being implemented through Central Social Welfare Board is similar in nature as the Swadhar Scheme. As the target group and the objectives of both the schemes are similar, it is proposed to merge these schemes to a new scheme '**Swadhar Greh**'.

Umbrella Scheme for Protection and Development of Women

1.43 The schemes of Swadhar Greh, National Mission for Empowerment of Women (NMEW), One Stop Crisis Centre, Restorative Justice for

Hon'ble Minister, WCD(I/C) Smt. Krishna Tirath presenting a sapling to Hon'ble Minister, Panchayati Raj Sh. V. Kishore Chandra Deo on Launch of Convergence Projects of NMEW; Hon'ble Minister, Rural Development Sh. Jairam Ramesh was also present

Rape Victims and Scheme for Assistance to States for implementation of Protection of Women from Domestic Violence Act, 2005, are proposed to be implemented as components of the Umbrella Centrally Sponsored **Scheme on Women Protection and Empowerment** during the 12th Plan period.

The Protection of Women from Domestic Violence Act (PWDVA), 2005

1.44 The Ministry has also been reviewing implementation of the **Protection of Women from Domestic Violence Act (PWDVA), 2005** with the State Governments from time to time. The implementation was discussed in the two days Conference of State Ministers in Charge of Women & Child Development on 13-14 September, 2012. The Ministry has formulated a scheme for assistance to State Governments for implementation of the Act, as a component of the Umbrella scheme on Women Protection and Empowerment.

New Legislation -- Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal), Bill 2012.

1.45 The Bill seeks to cover all women, irrespective of their age or employment status and protect them from sexual harassment at all workplaces both in public and private sector, whether organised or unorganised. The Bill has been passed by both houses of Parliament.

The Dowry Prohibition Act, 1961

1.46 The Ministry is at present considering further amendments to the Dowry Prohibition Act, 1961. The Ministry received suggestions/recommendations from National Commission for Women, Inter-Ministerial Group constituted in 2010 and various stake holders who attended regional and national consultation held by the Ministry. Separately, the Committee on Petitions of Rajya Sabha which examined a Petition praying for amendments in Section 498 A of IPC, inter alia recommended that the Dowry Prohibition Act may be strengthened. For the purpose of finalising the amendments, a Review committee was also constituted, which submitted the report in July 2012. A meeting of

the women Members of Parliament was also held on 30th August, 2012 to discuss various aspects of the Dowry Prohibition Act, wherein they gave various suggestions on the proposed amendments. All these recommendations / proposals / suggestions have been examined and a Cabinet note incorporating the amendment proposals is now being finalised in the Ministry.

High Level Committee on the Status of Women

1.47 The Government of India, in February 2012, constituted a High Level Committee on the Status of Women to undertake a comprehensive study to understand the status of women since 1989 as well as to evolve appropriate policy interventions based on a contemporary assessment of women's needs.

The National women Helpline:

1.48 The Ministry is planning to launch a National Women Helpline, with one toll free four digit number, which will cover the entire country, the modalities of which are being worked out. It is envisaged to operationalise the helpline during the next financial year.

Results Framework Document (RFD)

1.49 The Government of India instituted the "Performance Monitoring and Evaluation System (PMES) for Government Departments" under the guidance of the Cabinet Secretariat and with the approval of the Prime Minister. Under PMES, each Department / Ministry is required to prepare a Results-Framework Document (RFD) which provides a summary of the most important targets that it expects to achieve during the financial year. As part of this framework, the Ministry of Women and Child Development, has been involved in developing its RFDs since the last quarter of 2009-2010. The RFD for the Ministry for 2011-12 and the performance evaluation report with the composite scoring report are at the end of the report.

1.50 The priority areas identified in the Ministry's RFD 2012-13 include, ensuring development of all children below 6 years through universalization and operationalization of ICDS centres and drafting of Early Child Care Education (ECCE) policy; providing safe and secure

environment to all children in need of care through laws and programmes; empowering adolescent girls through nutrition, health care and life-skill education; ensuring socio-economic empowerment of marginalized women; review of laws for women; and promoting rights based approach in formulating the National Policy for children. The development of the annual RFD constitutes a concrete exercise towards aligning its people, systems, programmes and processes towards the fulfillment of the Ministry's vision and mission for women and children.

Five Year Strategy Plan (FYSP) (2011-2016)

1.51 The development of an implementable Five Year Strategy Plan (FYSP) (2011-16) is a component of RFD mandated requirements. The Ministry of Women and Child Development initiated the strategic planning process by putting together an 'Action Plan' for the development of the FYSP by end of 2010, with implementation slated to begin in 2011. The Ministry conducted a series of stakeholder consultations between June-November 2010 to seek the views of civil society as well as international development partners (including UN Bodies) and independent experts. The FYSP was finalized as an implementable

overall strategy to achieve the short-term and long-term goals of this Ministry, linked to specific measurable milestones.

Women Empowerment & Protection

Towards a New Dawn

Women Empowerment & Protection

2.1 Gender equality is guaranteed under the Constitution of India which not only prohibits discrimination on grounds of sex but goes beyond that and permits positive discrimination in favour of women. Further, our country is a signatory to the Convention on the Elimination of all Forms of Discrimination Against Women (CEDAW) under which we have an obligation to work towards ensuring gender equality. Several constitutional provisions reiterate India's commitment towards the socio-economic development of women and uphold their right of participation in political and decision making processes. As a home to about 586 million women, which constitute about 48.5 of the total population of the country, India has taken several measures to secure gender parity in all walks of social, economic and political life.

I. PLANNING PROCESS AND WOMEN EMPOWERMENT

2.2 To realize the above constitutional goal, the focus of our planning process has evolved from a purely welfare oriented approach to recognizing women's centrality in the developmental framework, to empowerment module and now to recognising women as agents of change. While in the Sixth and in the Seventh Five year Plans, the emphasis was primarily on health, education and employment of women, a marked shift could be seen in the approach of Eighth Plan where 'empowerment' of women was recognized and accepted as a distinct strategy. This was further taken forward in the Ninth plan with the introduction of the concept of Women's

Component Plan whereby identified ministries were required to indicate the flow of funds to the women's programmes and schemes. The Ninth Plan approach was to access women living in poverty and to guide them to help themselves through initiative like Self-Help Groups (SHG). In the Tenth Plan, for the first time, monitorable targets were set for a few key indicators of human development, which include reduction in gender gaps in literacy, wage rates and reduction in maternal mortality rate.

2.3 The Eleventh Five Year Plan was aimed at inclusive development and it was recognised that the aim of inclusiveness would be attainable only if women, who constituted about half the population, were given the opportunity to develop to their full potential and share the benefits of economic growth and prosperity. Towards this end, the plan sought to empower women and recognize their Agency by mainstreaming gender in all sectors as well as by undertaking targeted interventions. The Plan period saw the introduction of many new schemes and programmes targeted at particular groups or aimed at addressing specific issues. These included SABLA, for empowering adolescent girls, IGMSY for supporting poor women during the final stages of their maternity, Ujjwala for combating trafficking and Dhanlakshmi to tackle the issue of declining sex ratio. The Eleventh Five Year Plan mentioned Gender Budgeting and Gender Outcome assessment and underlined the importance of Gender Audits of public expenditure, programmes and policies at national, state and district levels. The Plan further envisaged the strengthening of the Gender Budget Cells set up in the various Ministries and Departments.

2.4 The Twelfth Plan has identified the key elements for gender equity to be addressed in the next five years as economic empowerment, social and physical infrastructure, enabling legislations, women's participation in governance, inclusiveness of all categories of vulnerable women, engendering national policies/programmes and mainstreaming gender through gender budgeting.

II. NATIONAL POLICY FOR THE EMPOWERMENT OF WOMEN

2.5 The National Policy for Empowerment of Women, 2001 (**NPEW**) was formulated as the blueprint for the future, with the express goal of addressing women's felt needs and bringing about their advancement, development and empowerment.

2.6 NPEW specifically highlighted the following:

- The advancement, development and empowerment of women in all spheres of life.
- Introduction of more responsive judicial legal systems that is sensitive to women's needs
- Ensuring women's equality in power sharing and active participation in decision making.
- Mainstreaming a gender perspective in development process.
- Strengthening and formation of relevant institutional mechanism.
- Partnership with community based organizations; and
- Implementation of international obligations, commitments and cooperation at the international, regional and sub-regional level.

2.7 The **NPEW** was envisaged as a comprehensive framework which is progressive and forward looking in nature. The policies/programmes of the Government are already directed towards achieving inclusive growth with special focus on women in line

with the objective of the National Policy for Empowerment of Women.

High Level Committee on the Status of Women

2.8 The Government, in February 2012, constituted a High Level Committee on the Status of Women to undertake a comprehensive study to understand the status of women since 1989 as well as to evolve appropriate policy interventions based on a contemporary assessment of women's needs. The Terms of Reference of the Committee includes, among others, (i) an intensive literature survey to take stock of the published data, report, articles and research on the status of women; (ii) prepare a report on the current socio-economic, political and legal status of women in India; bring out the inter-connectedness of these aspects in terms of their impact on women and recommend measures for holistic empowerment of women; and (iii) to examine the overall status of women including, inter-alia, the socioeconomic, health and nutritional, legal and political status, disaggregated by rural/urban, economic and social position and wherever possible, by minority status. The analysis would take account of cross-regional differences and focus on inequalities both within and outside the household. It would also assess the impact of the existing policies and legislative changes on equality, security, and holistic empowerment of women, and will identify inequalities in policy and legislation as well as gaps in implementation.

The **High Level Committee** has started its functioning.

III. LEGISLATIVE INTERVENTIONS

The Dowry Prohibition Act, 1961

2.9 The Dowry Prohibition Act, 1961 Act has been in implementation since 1961 to prohibit the evil practice of giving and taking of dowry. The Act underwent amendments in the year 1984 and again in 1986. The Ministry is at present considering further amendments to the Act based on suggestions received from the National Commission for Women in 2009, recommendations given by an Inter-Ministerial Group constituted in 2010 and based on recommendations received through regional and national consultations held by the Ministry with

various stake holders. Separately, the Committee on Petitions of Rajya Sabha which examined a Petition praying for amendments in Section 498 A of IPC, inter alia recommended that the Dowry Prohibition Act may be strengthened. For the purpose of finalising the amendments, a Review committee was also constituted, which submitted the report in July 2012. A meeting with the women Members of Parliament was also held on 30th August, 2012 under the Chairpersonship of Minister of State(IC), Ministry of Women and Child Development to discuss various aspects of the Dowry Prohibition Act, wherein they gave various suggestions on the proposed amendments. All these recommendations/proposals/suggestions have been examined and a Cabinet note incorporating the amendment proposals is now being finalised in the Ministry.

The Protection of Women from Domestic Violence Act (PWDVA), 2005

2.10 Violence against women takes various forms, including physical, economic, social, and psychological. The PWDVA is a civil law which seeks to provide immediate support to women victim of domestic violence in the form of shelter, medical facility and reliefs in the nature of protection, residence, compensation, maintenance orders as well as orders for temporary custody of children. It entitles victim to support services like shelter, medical relief, legal assistance and counselling. The law also widens the meaning of the word 'aggrieved woman' by including women who face domestic violence in relationships other than matrimonial relationships like daughters, mothers, sisters and those involved in marriage like relationships and providing a woman's right to reside in the shared household. The Act came into force on 26th October 2006.

2.11 The Ministry has been reviewing implementation of the Act with the State Governments from time to time. The implementation was discussed in the two days Conference of State Ministers in Charge of Women & Child Development on 13-14 September, 2012. The Ministry has been

advising all the State Governments to put in place all necessary infrastructures for effective implementation of the Act and appoint protection officers with independent charge. Non-availability of independent protection officers has come up often in discussions as a limitation in the implementation of the Act. The Ministry has formulated a scheme for assistance to State Governments for implementation of the Act, as a component of the Umbrella scheme on Protection and Empowerment of Women.

The Indecent Representation of Women Act, 1986

2.12 The Indecent Representation of Women Act, 1986 was enacted with the specific objective of prohibiting indecent representation of women in advertisement, publication, writing and painting or in any other manner and references that are derogatory to the dignity of women. Contravention of relevant provisions of the Act is punishable with imprisonment, of either description, for a term which may extend upto two years and with fine which may extend to two thousand rupees on first conviction and in the event of a second or subsequent convictions imprisonment for a term not less than six months, but may extend upto five years and with fine not less than ten thousand rupees, which may extend upto one lakh rupees.

2.13 The Act, in its present form, relates primarily to the print media. In view of the development of newer forms of communication such as internet and satellite based communication, multi-media messaging, cable television etc, the Act has become too inadequate and narrow in its scope. Government has approved amendments proposed by the ministry relating, primarily to broadening the scope of the law to cover audio-visual media and material in electronic form and revising the penalties. The amendment Bill is currently with the Parliament.

New Legislation -- Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal), Bill 2012.

2.14 The constitutional guarantee of gender equality includes protection from sexual harassment and the right to work with dignity. With

more and more women joining the workforce, both in organised and unorganised sectors, ensuring an enabling working environment through legislation is imperative. Besides, women in educational and medical institutions and women who may enter a workplace in various capacities such as clients and customers are also vulnerable and need protection from sexual harassment at the workplace.

2.15 The Bill drafted by the Government for this purpose got the approval of the Lok Sabha on 3rd September, 2012 and the Rajya Sabha on 26th February, 2013.

2.16 The Bill seeks to cover all women, irrespective of their age or employment status and protect them from sexual harassment at all workplaces both in public and private sector, whether organised or unorganised. Women who are employed as well as those who enter the workplaces as clients, customers and apprentices, students in educational institutions and patients in hospitals etc are also sought to be covered under the Bill.

National Commission for Women

2.17 The National Commission for Women (NCW) was constituted in 1992 as an apex level statutory body under the National Commission for Women Act, 1990. The main task of the Commission is to study and monitor all matters relating to the constitutional and legal safeguards provided for women and to review the existing legislations and suggest amendments, wherever necessary. NCW is also mandated to look into the complaints and take suo-moto notice of the cases involving deprivation of the rights of women in order to provide support, legal or otherwise, to helpless and needy women. Ensuring custodial justice is another important function. The NCW is empowered to monitor the proper implementation of all the legislations made to protect the rights of women so as to enable them to achieve equality in all spheres of life and equal participation in the development of the nation.

2.18 The Ministry laid the Annual Reports of NCW up to the year 2010-11 on the Table of Lok/Rajya Sabha. Annual Report of the Commission for 2011-12 is recently received in the Ministry. Action Taken Reports (ATRs) from the concerned Ministries/Departments are to be taken.

(*More details about NCW are given in Chapter 10 on 'National Commission for Women'*)

IV. NATIONAL MISSION FOR EMPOWERMENT OF WOMEN (NMEW)

2.19 National Mission for Empowerment of Women (NMEW) launched by Hon'ble President of India on 8th March, 2010 is an initiative of the Government of India for holistic empowerment of women by securing convergence of schemes/programmes of different Ministries/Department of Central Government as well as State Governments. The Mission utilises existing structural arrangements of participating Ministries wherever available and partners with Panchayati Raj Institution (PRIs), CSOs, Central and State Governments/Departments etc. in implementation of activities.

2.20 NMEW has a National Mission Authority (NMA) at the apex level under the Chairmanship of the Prime Minister, to provide policy direction to the Mission and enable convergence across ministries. NMA comprises of ministers from 14 partner ministries of the Government of India along with the Chairperson of National Commission of Women (NCW), two Chief Ministers of States and five representatives from Civil Society Organizations (CSOs).

Progress of the Mission during 2012-13

2.21 The Institutional mechanism under the Mission was operationalised with the setting up of the National Unit headed by the Additional Secretary and Mission Director. The Mission also has an Executive Director and other experts in the fields of Poverty Alleviation, Social Empowerment, Health and Nutrition, Gender Budgeting, Gender Rights & Law Enforcement, Empowerment of Vulnerable and Marginalised Women, Media, Awareness Generation, Advocacy

& Mass Communication and Information Technology Services.

2.22 The Central Monitoring Committee (CMC) and Inter-Ministerial Coordination Committee (IMCC) set up to monitor and facilitate convergence across Ministries met during 2012-13. The CMC held three meetings during the year. The Inter-Ministerial Coordination Committee (IMCC) under the chairmanship of Cabinet Secretary with Secretaries of 14 Partner Ministries/ Departments as members has the role of reviewing inter-ministerial convergence issues and met on 17th October, 2012.

2.23 The State level institution consists of the State Mission Authority (SMA) and State Resource Centre for Women (SRCW), which works in co-ordination with NMEW. The SMA under the Chairmanship of the Chief Minister and Ministers of key Departments related to women's issues besides civil society representatives as members provide direction to the Mission's activities in the respective States.

2.24 The State Resource Centre for Women (SRCW) operationalizes the activities of the Mission; there are a multitude of agencies that have been designated as SRCWs from Women Development Corporations (WDC) to separate divisions within the WCD or Social Welfare departments. As on date, 21 States have set up SRCWs.

2.25 NMEW has prepared a detailed Action Plan for the next 3 years (2012-15) in consultation with partner ministries, CSO's and experts as a road map for the various initiatives for women's empowerment.

2.26 Poorna Shakti Kendras (PSKs)-The convergence model are the platform/ forum for women to come together, explore their potentials and possibilities, raise women's awareness about their contributions to society and their social, economic and political rights, facilitate access to schemes and entitlements and build capabilities for promoting women's participation in decision-making. The first pilot project to demonstrate convergence of programmes and schemes was launched in District Pali, Rajasthan on 16th

September, 2011 with *opening of 150 village level centres*. Women have been mobilised to participate in Nari Sabhas, creating awareness on women's role in local governance and ensuring larger participation of women in Gram Sabha meetings. There has been a focus on addressing various social issues including declining Child Sex Ratio (CSR), child marriages, Violence Against Women (VAW) etc. The PSK model projects are also being implemented in District Kamrup Metropolitan, Assam and Jaintia Hills, Meghalaya.

2.27 Efforts made by the PSK have contributed to increase in enrolment of girl child, improved attendance of girls in schools, prevention of more than 200 child marriages, increase in registration and resolution of domestic violence cases, etc.

2.28 NMEW has designed and implemented a number of thematic convergence projects on various issues affecting women including declining Child Sex Ratio (CSR), Access to Rights, Access to Sustainable livelihoods etc. in association with Partner Ministries, International Agencies and Civil Society Organisations (CSOs).

2.29 The first meeting of the Inter Ministerial Co-ordination Committee (IMCC), headed by the Cabinet Secretary, was held to address the issues of the declining Child Sex Ratio (CSR). A Working Group has been constituted headed by Secretary, WCD and partner ministries to submit a National Action Plan.

2.30 To understand the regional perspective on this issue of declining child sex ratio and Government initiatives taken at the National, State and District level along with challenges in the implementation of the PCPNDT Act, societal attitude and effectiveness of media in communicating messages to the community, four Regional Consultations were organized in Hyderabad, Pune, Guwahati and Lucknow during February, 2013.

2.31 NMEW conducted an **All India Slogan Writing Competition** for school children in the age group of 14-18 years on the occasion of the function organised to celebrate 'The National Girl Child Day' on **24th January, 2013 in New Delhi**. The winners of the selected slogans received **Prizes** from Hon'ble Ex President of India Dr. APJ Abdul Kalam and Smt. Krishna Tirath, Hon'ble Minister Women and Child Development during the National Girl Child Day celebration.

Delegation in the Meeting of Consultation on National Plan of Action for Improving Child Sex Ratio

Former President Dr. APJ Abdul Kalam addressing on the occasion of National Girl Child Day

2.32 NMEW conducted the following Conferences, Seminars and Events during the year:

- (i) A series of 6 regional conferences on 'Achieving Convergence for the Empowerment of Women' were held at Shillong, Patna, Bhubaneshwar, Chandigarh, Bangalore and Mumbai covering all states of India to bring together diverse stakeholders in raising collective consciousness on inter-sectoral women issues and need for convergent action.

- (x) NMEW participated in the North East Fest organized by the National Textile Corporation (NTC), Ministry of Textiles, Ministry of Home Affairs, GoI, Ministry of Development of North Eastern Region (DONEAR) and many other Government departments and PSUs to promote the activities of the Mission in the North East on 1st March, 2013 at Guwahati, Assam. Nari ki Choupal was organized at the venue of the Festival at Hotel Brahmaputra Ashok in Guwahati. Frontline women workers from PSK, Dimoriya Block, Kamrup District, Accredited Social Health Activist (ASHA) and AWWs and women from the community in Kamrup Metropolitan District participated in this programme where NMEW Officials conducted workshop on gender roles and stereotypes and the Protection of Women from Domestic Violence Act (PWDVA), 2005 through audio video clips on how to intervene in the middle of incidences of domestic violence.
- Research Studies:** The Mission had initiated number of research studies on various issues during the year and the following four studies were completed
- i. The study on An assessment of convergence of Sarva Shiksha Abhiyan (SSA) with selected Central and State

- Schemes in Mewat district of Haryana has been completed and the recommendations have been shared with the Ministry of Human Resources Development (HRD) and the State Governments. This was done in collaboration with Institute of Rural Research and Development (IRRAD).
- ii. Collaboration on the Study to develop a 'Communication Charter' based on Behaviour Change Communication (BCC) Study with CSO, Breakthrough in order to chalk out a cohesive communication strategy to address the problem of female foeticide or 'Sex Selective Elimination' (SSE). The results of this study are now being used as building blocks for a national level mass media campaign to address behaviours and mind-sets leading to a declining child sex ratio. The study has also been used to develop communication tools for a grassroots advocacy campaign that will be implemented in pilot districts in Haryana.
- iii. The joint effort with Lawyers Collective Women's Rights Initiative (LCWRI) on monitoring and evaluation of the Protection of Women from Domestic Violence Act, 2005 resulted in the development of 'Manual on Best Practices on the implementation of PWDV Act 2005', and 'Resource Tool for Monitoring & Evaluation of PWDV Act 2005'. The Best Practices Manual highlights the efforts of several States towards effective implementation of the PWDV Act. The Monitoring and Evaluation tool is a guideline for states and the centre to conduct regular stock taking of the status of implementation of the PWDVA in India.
- iv. A study in Pali district, Rajasthan along with Hindustan Latex Family Planning Promotion Trust (HLFPPT) on A situation analysis of Health Schemes and existing inter-sectoral convergence

in Pali District is in the final stages and the inputs will be used for strengthening the implementation of PSK project.

IV. SCHEMES FOR WOMEN

(1) Rajiv Gandhi Scheme for Empowerment of Adolescent Girls - Sabla

2.33 A comprehensive scheme for the holistic development of adolescent girls called '**Rajiv Gandhi Scheme for Empowerment of Adolescent Girls –Sabla**' was introduced in 2010. **Sabla** is being implemented in 205 selected districts across the country, using the ICDS platform. In these districts, **Sabla** has replaced the Nutrition Programme for Adolescent Girls (NPAG) and Kishori Shakti Yojana (KSY). In the **non-Sabla** districts, KSY continues as before.

2.34 **Sabla** is being implemented through the State Governments/UTs with 100 per cent financial assistance from the Central Government for all inputs other than nutrition provision for which 50 % Central assistance is provided to States. Anganwadi Centre is the focal point for the delivery of the services. **Sabla** aims at an all-round development of adolescent girls (AGs) of 11-18 years by making them self reliant by facilitating access to learning, health and nutrition through various interventions such as health, education, vocational training etc.

2.35 The scheme has two major components (i) **Nutrition** and (ii) **Non-Nutrition**. **Nutrition component** containing 600 calories, 18-20 grams of protein and micronutrients per beneficiary per day for 300 days in a year is being given in the form of **Take Home Ration or Hot Cooked Meal** to 11-14 years out of school girls and all girls of 14 -18 years age (out of school and in school girls). In the **Non-Nutrition Component**, the **Out of school Adolescent Girls** 11-18 years are being provided IFA supplementation, Health check-up and Referral services, Nutrition & Health Education, Counselling/Guidance on family welfare, Adolescent Reproductive Sexual Health (ARSH), child care practices and Life Skill Education and accessing public services. 16-18 year old AGs are also given vocational training.

At anganwadi centre (AWC), the focal point for the implementation of the scheme ***Sabla***, the school going girls and out-of school girls meet atleast twice a month and more frequently during vacations/holidays when the school going girls also receive life skill education, nutrition & health education, awareness about other **socio-legal issues etc.** This gives an opportunity for mixed group interaction between in-school and out-of-school girls, motivating the latter to join school.

2.36 The integrated package of services being provided to Adolescent Girls (AGs) under ***Sabla*** is as under:

- i. Nutrition provision (@ ` 5/- per day for 300 days in a year)
- ii. Iron and Folic Acid supplementation (52 tablets annually)
- iii. Health check-up and referral services
- iv. Nutrition & health education
- v. Counseling/guidance on family welfare, ARSH, child care practices, and home management
- vi. Life skills education and accessing public services
- vii. Vocational training for girls aged 16 and above, under the National Skill Development Programme

2.37 Coordination with different Ministries /Departments at all levels such as education, health, youth affairs, employment training, etc., is important for the success of the scheme ***Sabla*** which requires convergence of services with various schemes/programmes of the different implementing Ministries. Implementation Guidelines and prototype of the Kishori Card (for Sabla beneficiaries) and an IEC pamphlet have been circulated to all States/ UTs. Training modules have been developed by NIPCCD for training of ICDS functionaries upto the grass root level for the effective implementation of the scheme. Training of ICDS functionaries (implementing the scheme), across the country, is being conducted by National Institute for

Public Cooperation and Child Development (NIPCCD).

2.38 Against the annual target of 1 crore for nutrition beneficiaries under ***Sabla***, uptill the end of December, 2012, 88.76 lakh beneficiaries have been covered for nutrition under ***Sabla***. Since non-nutrition component under ***Sabla*** requires effective convergence with the line Ministries, the same is yet to take up in some of the States. Under ***Sabla***, age appropriate guidance on existing facilities in the areas of health and family welfare and legal rights, is provided. Visits to the public service places like Post Office, Railway Station, Health Centre and banks are also undertaken for generating awareness and prepare them for enforcing their rights. ***Sabla*** encourages out of school AGs to join school by explaining to them the benefits of education. It is the ideal platform for the school authorities to address the out of school AGs, to motivate them to enrol in school. 14,654 adolescent girls were mainstreamed to the school system in 2012-13.

2.39 Vocational training is a major contributor to the socio-economic enhancement of any individual. Under ***Sabla***, AGs are linked with National Skill Development Programme of Ministry of Labour & Employment for imparting vocational training to out of school girls above 16 years of age. The training improves the employability after 18 years and focuses on non-hazardous income generating skills, which are area specific. Till end of December, 2012, more than two lakh adolescent girls have already been provided vocational training under ***Sabla***.

2.40 A Budget provision of ` 750.00 crore has been earmarked for ***Sabla*** for 2012-13. Statement indicating State wise funds released/utilized under ***Sabla***, during 2010-11, 2011-12 and 2012-13 (as on 31.12.2012) is at **Annexure-V**.

2.41 Monitoring workshop: Ministry of Women & Child Development organised a National Workshop on Strengthening of the Monitoring and Reporting System for Rajiv Gandhi Scheme for Empowerment of Adolescent Girls – ***Sabla*** and Indira Gandhi Matritva Sahyog Yojana (IGMSY) on 18th September, 2012.

The objectives of the Workshop were to i) identify the gap in implementation; ii) ensure coherent and accurate data; iii) ensure timely submission of the report in the prescribed formats. Twenty one States participated in the meeting.

(2) Indira Gandhi Matritva Sahyog Yojana (IGMSY)

2.42 Indira Gandhi Matritva Sahyog Yojana (IGMSY): A Conditional Cash Transfer Scheme for pregnant and lactating women was introduced in October, 2010 to contribute to better enabling environment by providing cash incentives for improved health and nutrition to pregnant and nursing mothers. The Scheme envisages providing cash to Pregnant & Lactating (P&L) women during pregnancy and lactation in response to individual fulfilling specific conditions. It addresses short term income support objectives with long term objective of behavioural and attitudinal changes. The scheme attempts to partly compensate for wage loss to Pregnant &

Lactating women both prior to and after delivery of the child. Being implemented on pilot basis in 53 selected districts using the platform of ICDS, 12.5 lakh P&L women are expected to be covered every year under IGMSY. The beneficiaries are paid ₹ 4000/- in three installments per P&L woman between the second trimester and till the child attains the age of 6 months on fulfilling specific conditions related to maternal and child health. Pregnant women of 19 years of age and above for first two live births are eligible under the scheme. All Government / Public Sector Undertakings (Central and State) employees are excluded from the Scheme as they are entitled for paid maternity leave. The wives of such employees are also excluded from the Scheme. Under IGMSY scheme, transfer of amount to the beneficiary is done through bank/post office only. The modalities of cash transfer are decided by the State Governments/UTs. The modes of cash transfer include - nationalized bank, post office, cooperative bank, business correspondent model of bank, etc.

National Workshop on Strengthening of the Monitoring and Reporting System for *Sabla* and IGMSY, held on 18th September, 2012

2.43 IGMSY is a Centrally Sponsored Scheme under which amount is given as grant-in-aid to State Governments/Union Territories. A budget provision of ` 520 crore has been earmarked for 2012-13. However, it has been restricted to ` 84 crores at RE stage. Statement indicating State wise funds released/utilized under **IGMSY**, during 2010-11, 2011-12 and 2012-13 (as on 31-12-2012) is at **Annexure-VI**. The scheme is now covered under Direct Benefit Transfer (DBT) programme and under which 9 districts have been included under first phase of the implementation (where Aadhaar enabled cash transfer is to take place).

(3) Support to Training & Employment Programme for Women (STEP)

2.44 The STEP scheme was launched as a Central Sector Scheme in 1986-87. The Support to Training and Employment Programme for Women (STEP) scheme aims to make a significant impact on women by

upgrading skills for employment on a self-sustainable basis and income generation for marginalized and asset less rural and urban women especially those in SC/ST households and families below poverty line. The key strategies include training for skill development, mobilizing women in viable groups, arranging for marketing linkages and access to credit. The scheme also provides for enabling support services in the form of health checkups, child-care, legal & health literacy, elementary education and gender sensitization. The scheme envisages each project to thrive on a self sustainable basis with minimum governmental support and intervention even after the project period is over.

2.45 The scheme covers 10 sectors of employment i.e. Agriculture, Animal Husbandry, Dairying, Fisheries, Handlooms, Handicrafts, Khadi and Village Industries, Sericulture, Waste Land Development and Social Forestry. The scope and coverage of the scheme has been enlarged with the introduction of locally appropriate sectors.

Group work during the Monitoring Workshop held on 18th September, 2012

2.46 During the 11th Plan period, about 1,59,033 women beneficiaries were covered under the ongoing projects under the scheme in various states. The year-wise achievement of the scheme during the 11th Plan period and 2012-13 is as under:

Year	No. of Beneficiaries	
	Target	Achievement
2007-08	40,000	39,055
2008-09	70,000	31,865
2009-10	30,000	21,963
2010-11	35,000	36,500
2011-12	30,000	29,650
2012-13	30,000	15,797 (up to Nov., 2012)

2.47 The State-wise release of funds during the last three years is at **Annexure-VII**. The organization wise details of funds released during 2011-12 and 2012-13 (up to 13.12.2012) are at **Annexures-VIII & IX** respectively.

(4) Hostel for Working Women (WWH)

2.48 The Scheme of Hostel for Working Women envisages provision of safe and affordable hostel accommodation to working, single working woman, women working at places away from their home-town and for women being trained for employment.

2.49 The scheme has been revised with following salient features

- Financial assistance for construction of hostel building to be given only on public land.
- Financial assistance available for rent of the hostels run in rented premises also.
- Provision for maintenance grant of hostel building (maximum ` 5.00 lakh) and one-time non-recurring grant for furnishings @ ` 7500/- per beneficiary.
- State Government agencies, Urban Municipal Bodies, Cantonment Boards, Civil Society Organizations,

Panchayati Raj Institutions, Self Help Groups, recognized Colleges/ Universities and Corporate or associations like CII, ASSOCHAM and FICCI included under the revised scheme.

2.50 The State Governments have been advised to disseminate the revised guidelines of the Scheme and send project proposals accordingly. Since its inception in 1972-73, under this scheme, 902 working women hostels have been sanctioned under the scheme all over the country benefiting about 67,284 working women. Also, one new hostel has been sanctioned in rented premise benefiting 25 working women. State-wise distribution of hostels is given at **Annexure-X**.

2.51 Grant in aid releases under Working Women's Hostel Scheme during 2011-12 is as under:

Sl. No.	Name of the Organization	Amount Released
1.	Padamshree Dr. Vithalrao Vikhe Patil Foundation, Ahmednagar, Maharashtra	` 31,89,396/-
2.	Annai J.K.K. Sampoorani Ammal Charitable Trust, Ethirmedu, Kamarapalayam, Namakkal, Tamilnadu	` 3,02,625/-
3.	Anand Ashram Trust, Centuary Bhawan, 2 nd Floor, Dr. Annie Besant Road, Mumbai, Maharashtra.	` 4,98,884/-
4.	South Eastern Rural Development Organization, Thoubal, Manipur.	` 9,52,446/-

2.52 In the current financial year (2012-13), a budgetary allocation of ` 10.00 crores was made for the construction of working women's hostel across the country, out of which, ` 5.75 crores have been released upto February, 2013 details are at **Annexure-XI**.

(5) Women Empowerment and Livelihood Programme in Mid-Gangetic Plains-'PRIYADARSHINI'

2.53 The Ministry is administering IFAD assisted pilot project namely Women's Empowerment and Livelihoods Programme in the Mid Gangetic Plains "Priyadarshini" in 13 blocks spread over 5 districts in Uttar Pradesh and 2 districts in Bihar. The Programme aims at holistic empowerment (economic and social) of vulnerable groups of women and adolescent girls in the project area through formation of women's Self Help Groups (SHGs) and promotion of improved livelihood opportunities. Over 1,00,000 households are to be covered under the project and 7,200 SHGs will be formed during the project period ending 2016-17. Though the focus of project is on livelihood enhancement, the beneficiaries will be empowered to address their, political, legal and health problems issues through rigorous capacity building.

2.54 National Bank for Agriculture and Rural Development (NABARD) is the lead programme agency for the implementation through engagement of Resource NGOs and Field NGOs (FNGOs). FNGOs are envisaged to carry out all field level activities, whereas a Resource NGO (RNGO) has been envisioned to undertake activities relating to specialized capacity building and provide other technical support to all field level project functionaries to ensure effective implementation of the programme. The programme envisages giving training to the SHG members on topics such as income generation and allied activities, marketing of products and social issues etc.

2.55 During the financial year 2010 - 11, all preparatory activities necessary to launch field level implementation were completed which included selection of 13 blocks in seven project districts, setting up of programme management structures such as, Central Programme Support Unit (CPSU) at the Ministry, National Programme Coordination Unit (NPCU) at

NABARD headquarter and State Programme Monitoring Units (SPMUs) in Bihar and Uttar Pradesh at NABARD offices in Patna and Lucknow respectively, deployment of district level project staff through establishment of Project Implementation Units (PIUs) and preparation of a Programme Implementation Manual (PIM). Besides, selection of Resource NGOs and Field NGOs was also completed. Finally, project was rolled out in the field through a Start - up Workshop for both States in April 2011.

2.56 Priyadarshni has made following progress till 31st October, 2012 :

A. SHG mobilization

- i. 4745 SHGs have been promoted, of which 2396 SHGs have been promoted in Bihar and 2349 in U.P.
- ii. Of the 4745 SHGs, 2534 have been savings linked – 1243 in Bihar and 1291 in U.P.

B. Establishment of Community Service Centres (CSCs)

Out of target of total 48 CSCs in entire project period in phased manner, NABARD has so far established 3 fully operational CSCs per block which makes total 39 CSCs.

C. Financial Progress

In the current financial year, ` 15.00 crore has been sanctioned, out of which ` 2.50 crore has been expended up to October 31st, 2012.

(6) Swadhar- A Scheme for Women in Difficult Circumstances

2.57 Swadhar Scheme was launched by the Ministry during the year 2001-02 for the benefit of women in difficult circumstances with the following objectives:

- To provide primary need of shelter, food, clothing and care to the marginalized women/girls living in difficult circumstances who are without any social and economic support;

- To provide emotional support and counselling to rehabilitate them socially and economically through education, awareness etc.;
- To arrange for specific clinical, legal and other support for women/girls in need; and
- To provide for help line or other facilities to such women in distress.

2.58 Target Group/Beneficiaries include :

- Widows deserted by their families and relatives;
- Women prisoners released from jail and without family support;
- Women survivors of natural disaster who have been rendered homeless;
- Trafficked women/girls rescued or runaway from brothels;
- Women victims of terrorist/extremist violence who are without any family support and without any economic means for survival;
- Mentally **challenged women(except for the psychotic categories who require care in specialized environment in mental hospitals)** who are without any support of family or relatives;
- Women with HIV/AIDS deserted by their family and without social/economic support.

2.59 Implementing Agencies: The Scheme is being implemented through Social Welfare/Women and Child Welfare Department of State Government, Women's Development Corporations, Urban Local Bodies, reputed Public/Private Trust or Voluntary Organizations.

2.60 At present, 311 Swadhar Homes are functioning across the country. Under Swadhar Scheme, financial allocations and actual expenditure for the last five years are as under:

(` in crore)

S. No.	Year	Budget Estimates	Expenditure
1	2008-09	20.00	14.93
2	2009-10	15.00	14.97
3	2010-11	34.21	34.21
4	2011-12	30.00	24.59
5	2012-13	100.00	*28.77

* Amount sanctioned as on 31.12.2012

State-wise details of funds sanctioned during 2011-12 and 2012-13 (upto 31.12.2012) are at **Annexures-XII & XIII.**

2.61 The **Short Stay Home scheme** being implemented through Central Social Welfare Board is similar in nature as the Swadhar Scheme. As the target group and the objectives of both the schemes are similar, it is proposed to merge these schemes to a new scheme '**Swadhar Greh**' with revised financial norms in order to reach out to those women who are victims of different circumstances and are in need of institutional support for rehabilitation so that they could lead their life with dignity. It is also envisaged to set up atleast one Swadhar Greh in every district. The scheme is proposed to be implemented as a component of the Umbrella Centrally Sponsored Scheme on Women Protection and Empowerment during the 12th Plan period.

NEWSCHMES

Umbrella scheme for Protection and Empowerment of Women:

2.62 Gender Inequality Index (GEI) developed by UNDP places the country at 0.748, ranked 122 globally – below Pakistan, Bangladesh and Nepal and second only to Afghanistan in the region. More than a half of India's women aged 20–24 are married before the legal age of 18 years (UNICEF, 2009). Though the Constitution of India guarantees equality to women and also empowers the State to adopt measures of positive discrimination in favour of women for neutralizing the cumulative socio-economic, educational and political disadvantages faced by them, women have been subjected to crimes. The crimes have continuously increased, as the National crimes Research Bureau (NCRB) data

reveals. Keeping in mind the socio-economic disadvantages of women as a group, the Ministry has formulated an Umbrella scheme for Protection and Empowerment of Women. The components to be assisted include temporary shelter, food, clothing, and vocational training to women who are marginalized, destitute, victims of violence; assistance to the States in the effective implementation of the PWDV Act, which has been enacted to give immediate relief to women victims of domestic violence through funding appointment of independent protection officer and service providers and to address the trauma of a victim of rape through compensation in the form of financial assistance as well as various support services such as counselling, shelter, medical and legal aid. The scheme will also include the Twelfth plan activities of the National Mission for Empowerment of Women (NMEW), as a component. The scheme will be operationalised, after necessary approvals, during 2013-14.

The National women Helpline:

2.63 The Ministry is planning to launch a National Women Helpline, with one toll free four digit number, which will cover the entire country, the modalities of which are being worked out. It is envisaged to operationalise the helpline during the next financial year.

VI. PREVENTION OF TRAFFICKING OF WOMEN AND CHILDREN FOR COMMERCIAL SEXUAL EXPLOITATION

2.64 Trafficking of human beings, especially of women and children, is an organized crime violating all basic human rights. **Poverty, illiteracy, lack of livelihood options, natural/man-made disasters are some of the factors that make a person vulnerable to trafficking.** The Ministry of Women and Child Development is primarily concerned with trafficking for commercial sexual exploitation.

2.65 The magnitude of trafficking is difficult to estimate due to the clandestine nature of the crime. The stigma attached to prostitution makes it even more difficult to collect the

authentic numbers. However, based on studies conducted by the Ministry from time to time, number of women and children in sex work in India is estimated to be 3 million. Most often, the victims are trafficked through means like duping, luring, fake marriages, abduction, kidnapping and through manipulation of social and economic vulnerabilities.

India's Commitment towards Prevention of Trafficking

- Article 23 of the Constitution of India prohibits trafficking in human beings and begar.
- “Immoral Traffic (Prevention) Act, 1956” lays down provisions for stringent punishment to the perpetrators of the crime.
- Indian Penal Code also has provisions for preventing crimes related to trafficking.
- India has ratified the:
 - (a) UN Convention against Transnational Organized Crime with its Protocol to Prevent, Suppress and Punish Trafficking in Persons especially Women and Children
 - (b) SAARC Convention on Preventing and Combating Trafficking of Women and Children in Prostitution;
 - (c) Convention on the Elimination of All Forms of Discrimination against Women; and
 - (d) Convention on the Rights of the Child.

2.66 The Ministry of Women and Child Development has adopted a multi pronged approach to prevent and combat trafficking which includes legislative measures; programmes and schemes for prevention of trafficking and for rescue, rehabilitation, reintegration and repatriation of victims of trafficking; training, capacity building; awareness generation; and empowerment of vulnerable groups.

The Immoral Traffic (Prevention) Act, 1956

2.67 The Immoral Traffic (Prevention) Act, 1956 [ITPA] is the premier legislation for prevention of trafficking for commercial sexual

exploitation. It lays down stringent punishment for the perpetrators of the crime, such as, for keeping a brothel, living on the earnings of prostitution, procuring, inducing or taking persons for the sake of prostitution, detaining a person where prostitution is carried on etc. The Act also provides for setting up of Protective Homes by the State Governments.

Integrated Plan of Action to Prevent and Combat Human Trafficking with special focus on Children and Women

2.68 In 1998, The Ministry formulated a National Plan of Action to Combat Trafficking and Commercial Sexual Exploitation of Women and Children (NPA) with the objective of mainstreaming and reintegrating the trafficked victims in society. Since trafficking in human beings takes place for various purposes, such as, sexual exploitation, prostitution, domestic labor, child labor, bonded labour, slavery, etc. Ministry of Women and Child Development collaborates with the Ministries of Home Affairs and Labour and Employment, National Human Rights Commission(NHRC) and National Commission for Women (NCW) for the purpose of involving an Integrated approach to Prevent and Combat Human Trafficking **with Special focus on Children and Women.**

Central Advisory Committee to Combat Child Prostitution

2.69 To advise the Government on various aspects of trafficking, the Ministry constituted a Central Advisory Committee (CAC) under the Chairpersonship of Secretary, Ministry of Women and Child Development. Representatives of Central Ministries concerned, State Governments, National Commission for Women, National Human Rights Commission, National Commission for Protection of Child Rights, autonomous institutions such as Central Social Welfare Board, National Institute for Public Cooperation and Child Development, NGOs and International Organizations such as UNIFEM, UNICEF and UNODC participate in the meetings. An Advisory on measures to be

taken for combating trafficking of women and children for commercial sexual exploitation was issued to State Governments/UT Administrations on 12.10.2011. The last meeting of the CAC was held on 24.5.2012.

Scheme for Combating Trafficking

2.70 “Ujjawala”, a comprehensive scheme to combat trafficking was launched by the Ministry on 4 December, 2007and is being implemented mainly through NGOs. The Scheme has five components—Prevention, Rescue, Rehabilitation, Re-Integration and Repatriation of trafficked victims for commercial sexual exploitation.

2.71 Some of the activities envisaged under the Scheme are:-

- Formation of community vigilance groups, adolescents groups, awareness creation and preparation of IEC material, holding workshops, etc.
- Safe withdrawal of victims from the place of exploitation.
- Rehabilitation of victims by providing them safe shelter, basic amenities, medical care, legal aid, vocational training and income generation activities.
- Re-integration of victims into society.
- Provide support to cross-border victims for their safe repatriation to their country of origin.

2.72 Under the Scheme, assistance is provided to eligible organisations for undertaking the above activities. An outlay of ` 12.00 crore was approved for the Scheme in 2012-13. As on 31.12.2012, a total number of 207 projects have been sanctioned which includes 104 Rehabilitation Homes. During the year 2012-13, 52 projects have been sanctioned (upto 31.12.2012). Details of funds sanctioned/released to different organisations during 2012-13(upto 31.12.2012) are given at **Annexure-XIV.**

Training and Capacity Building

2.73 The Ministry of Women and Child Development in collaboration with National Institute of Public Co-operation and Child

Development (NIPCCD) organizes trainings and workshops on issues related to trafficking for NGOs and other stakeholders.

Cross border trafficking

2.74 To facilitate operationalization of the provisions of the SAARC Convention on Preventing and Combating Trafficking of Women and Children in Prostitution, the Standard Operating Procedures (SOPs) have been finalized. The Ministry also participated in the delegation level bilateral talks between India and Bangladesh for drawing up an SOP for prevention, repatriation, rescue and reintegration relating to cross border trafficking. The talks were held in Cox Bazar, Bangladesh on 18th – 19th November, 2012. The Indian delegation was led by Shri. Skandan, Additional Secretary, Ministry of Home Affairs.

VII. RECOGNITION OF WOMEN

STREE SHAKTI PURASKAR

2.75 Indian women have taken on different roles after independence and excelled in many fields. In most cases, success has been achieved in the face of adversity and difficulties and with the strength of courage, initiative and determination making them special.

2.76 To recognize such success stories publicly so that these women become role models for the further generations of Indian women, the Government of India has instituted six national awards titled 'Stree Shakti Puraskar'.

2.77 Five of these awards given in the names of *Jhansi Ki Rani Lakshmi Bai*, *Kannagi*, *Rani Gaidnliu Zeliang*, *Devi Ahilya Bai*, *Mata Jija Bai* were instituted in 1999. Another sub-category of Stree Shakti Award, which is named after *Rani Rudramma Devi*, has been added from the year 2007. Each award carries a cash prize of ` 3.00 Lakh and a citation.

2.78 Stree Shakti Puraskar, 2012 were presented to the awardees by Hon'ble President of India on 8th March, 2013 on the occasion of International Women's Day.

VIII. INTERNATIONAL COOPERATION

Convention on Elimination of All forms of Discrimination Against Women (CEDAW)

2.79 India signed the Convention on the Elimination of All Forms of Discrimination against Women (CEDAW) on 30th July, 1980 and ratified it on 9th July, 1993. Under Article 18, the State Parties are required to submit a report on the legislative, Judicial, Administrative or other measures to the Secretary-General of the United Nations. The Combined Initial and First Periodic Report was submitted to the Committee in August 1998 and reviewed by the Committee in its 22nd session in January 2000. The Combined Second and the Third Periodic Reports were submitted in October 2005 and were reviewed by the Committee in its 37th Session in January 2007. The Combined Fourth and Fifth Periodic Reports of India on CEDAW were sent to MEA on 15th May, 2012.

UN Commission on Status of Women (CSW)

SAARC Gender Info Base (SGIB)

2.85 South Asian Association for Regional Cooperation (SAARC) Gender Info Base (SGIB) is a web site containing statistical data as well as important information related to gender issues, which was launched during 6th South Asia Ministerial Conference commemorating 'Beijing Declaration' held in New Delhi on 17.01.2008. The three themes for SGIB are Feminization of Poverty, Violence against women (especially trafficking) and Health Issues (including HIV). Under the three themes, there are components and under each component, prioritized indicators are identified. The indicators are quantitative in nature. The Ministry of Women and Child Development is the nodal agency for SGIB in India. SGIB Focal Points meeting was held in Nepal from 7-8th June, 2011 and a Review Meeting was held on 16th - 17th February, 2012 at Colombo, Sri Lanka. The Ministry of Women and Child Development participated in both the meetings.

Child Development

Towards a New Dawn

Child Development

3.1 Children in the age group 0–6 years constitute around 158 million of the population of India (2011 census). These children are the future human resource of the country. Ministry of Women and Child Development is implementing various schemes for welfare, development and protection of children. The details of the schemes and programmes undertaken for children are discussed in the succeeding paragraphs.

Integrated Child Development Services (ICDS) Scheme

3.2 The Integrated Child Development Services (ICDS) Scheme is one of the flagship programmes of the Government of India and represents one of the world's largest and unique programmes for early childhood care and development. It is the foremost symbol of country's commitment to its children and nursing mothers, as a response to the challenge of providing pre-school non-formal education on one hand and breaking the vicious cycle of

malnutrition, morbidity, reduced learning capacity and mortality on the other. The beneficiaries under the Scheme are children in the age group of 0–6 years, pregnant women and lactating mothers. Objectives of the Scheme are:

- i. *to improve the nutritional and health status of children in the age-group 0-6 years;*
- ii. *to lay the foundation for proper psychological, physical and social development of the child;*
- iii. *to reduce the incidence of mortality, morbidity, malnutrition and school dropout;*
- iv. *to achieve effective co-ordination of policy and implementation amongst the various departments to promote child development; and*
- v. *to enhance the capability of the mother to look after the normal health and nutritional needs of the child through proper nutrition and health education.*

Box: 3.1 – Package of services under ICDS

The ICDS Scheme offers a package of six services, *viz.*

- | | |
|-----------------------------------|-------------------------------------|
| i) supplementary nutrition | ii) pre-school non-formal education |
| iii) nutrition & health education | iv) immunization |
| v) health check-up and | vi) referral services |

The last three services are related to health and are provided by Ministry/Department of Health and Family Welfare through NRHM & Health system.

The perception of providing a package of services is based primarily on the consideration that the overall impact will be much larger if the different services develop in an integrated manner as the efficacy of a particular service depends upon the support it receives from the related services.

For better governance in the delivery of the Scheme, convergence is, therefore, one of the key features of the ICDS Scheme. This convergence is in-built in the Scheme which provides a platform in the form of Anganwadi Centres for providing all services under the Scheme.

Pre-school session in an AWC (Tamil Nadu)

Funding Pattern

3.3 Prior to 2005-06, providing of supplementary nutrition was the responsibility of the States and administrative cost was provided by the Government of India as 100% central assistance. The nutrition costs were meagre and coverage of the programme in all villages/habitations was also limited and not universal. Since many States were not providing adequately for supplementary nutrition in view of resource constraints, it was decided in 2005-06 to support the States/UTs up to 50% of the financial norms or to support 50% of expenditure incurred by them on supplementary nutrition, whichever is less. Since 2009-10, Government of India has modified the sharing pattern of the ICDS Scheme between the Centre and States. The sharing pattern of supplementary nutrition in respect of North-Eastern States between Centre and States has been changed from 50:50 to 90:10 ratios. In respect of other States/UTs, the existing sharing pattern in respect of supplementary nutrition i.e., 50:50 continues. However, for all other components of ICDS including the administrative cost, the ratio has

been modified to 90:10 (100% Central Assistance earlier).

Population Norms for Setting up of AWCs/Mini-AWCs

3.4 Population norms for setting up of AWCs and Mini-AWCs have been revised to cover all habitations, particularly keeping in view those inhabited by SC/ST/Minorities. The revised population norms of the ICDS Scheme are as under:

Box 3.2: Population Norms under ICDS

For AWCs in Rural/Urban Projects

400-800	1 AWC
800-1600	2 AWCs
1600-2400	3 AWCs

Revised Nutrition and Feeding Norms under Supplementary Nutrition Component of ICDS (revised w.e.f 24 February 2009)

3.5 Provision of supplementary nutrition under the ICDS Scheme is primarily made to bridge the gap between the Recommended Dietary Allowance (RDA) and the Average Daily Intake (ADI) of children and pregnant and lactating women. Under the revised Nutritional and Feeding norms which have been made effective from February 2009, State

Governments/UTs have been directed to provide 300 days of supplementary food to the beneficiaries in a year which would entail giving more than one meal to the children from 3-6 years who come to AWCs. This includes morning snacks in the form of milk/banana/egg/seasonal fruits/micro-nutrient fortified food followed by a hot cooked meal (HCM). For children below 3 years of age and pregnant and lactating mothers, age appropriate Take Home Rations (THRs) in the form of pre-mixes/ready-to-eat food are provided. Besides, for severely underweight children in the age group of 6 months to 6 years, additional food items in the form of micronutrient fortified food and/or energy dense food as THR have been recommended. These norms have also been endorsed by the Supreme Court in order dated 22.04.2009. The extent of nutritional supplements to different types of beneficiaries is indicated below:

Table 3.1: Revised Nutritional Norms in ICDS

Beneficiaries	Calories (cal)	Protein (g)
Children (6 months to 72 months)	500	12-15
Severely malnourished Children (6 months-72 months)	800	20-25
Pregnant women and lactating mothers	600	18-20

Revised Financial Norms

3.6 Financial Norms of Supplementary Nutrition have been revised w.e.f. 22.10.2012 to be rolled out in phased manner under the Restructured ICDS.

Table 3.2: Revised Financial Norms for Supplementary Nutrition under ICDS

Category	Existing norms w.e.f 16.10.08 per beneficiary per day	Revised cost norms per beneficiary per day (as per phased roll-out)
Children (6 months to 72 months)	` 4.00	` 6.00
Severely malnourished Children (6 months-72 months)	` 6.00	` 9.00
Pregnant women and lactating mothers	` 5.00	` 7.00

The revised rates would follow the phasing of the programme in selected 200 high burden districts in 2012-13 and subsequently in 200 districts in 2013-14 and remaining districts in 2014-15 on the existing cost sharing ratio of 50:50 between the centre and the State other than NE States where it will continue to be on 90:10 basis.

Registration of Beneficiaries

3.7 All children below 6 years of age, pregnant women and lactating mothers are eligible for availing of services under the ICDS Scheme. BPL is not a criterion for registration of beneficiaries under ICDS. The Scheme is universal for all categories of beneficiaries and in coverage.

Expansion of ICDS

- Launched in 1975 in 33 Blocks (Projects) with 4891 AWCs.*

- Gradually expanded to 5652 Projects with nearly 6 lakh AWCs by the end of 9th Plan.*
- Currently 7076 Projects and 14 lakh AWCs have been approved. This also includes a provision of 20,000 AWCs 'on demand'.*

Coverage under ICDS - Trends since March 2002

3.8 There has been significant progress in the implementation of ICDS Scheme both during X and XI Plans in terms of increase in number of operational projects and Anganwadi Centres (AWCs) and coverage of beneficiaries as indicated below:-

Table 3.3: Trends in coverage during X and XI Plans

<i>Year ending</i>	<i>No. of operational projects</i>	<i>No. of operational AWCs</i>	<i>No. of Supplementary nutrition beneficiaries</i>	<i>No. of pre-school education beneficiaries</i>
31.03.2002	4608	5,45,714	375.10 lakh	166.56 lakh
31.03.2003	4903	6,00,391	387.84 lakh	188.02 lakh
31.03.2004	5267	6,49,307	415.08 lakh	204.38 lakh
31.03.2005	5422	7,06,872	484.42 lakh	218.41 lakh
31.03.2006	5659	7,48,229	562.18 lakh	244.92 lakh

Achievement during XI Plan	1079	4,59,868	267.06 lakh (37.85%)	57.41 lakh (19.09%)

- 4.59 lakh new AWCs/mini-AWCs became operational during XI Plan as compared to 2.99 lakh AWCs/ mini-AWCs during X Plan
 - Number of beneficiaries [Children (6 months to 6 years) and pregnant & lactating mothers] for supplementary nutrition increased from 705.43 lakh at the end of X Plan to 972.49 lakh at the end of XI Plan meaning thereby an increase of 37.85%
 - Number of beneficiaries [Children (3-6 years)] for pre-school education increased from 300.81 lakh at the end of X Plan to 358.22 lakh at the end of XI meaning thereby an increase of 19.09%
- 3.9 As on 31 January 2013, 7025 projects and 13,31,076 AWCs are operational across 35 States/UTs, covering 927.66 lakh beneficiaries under supplementary nutrition and 346.66 lakh 3-6 years children under pre-school component. State-wise details of number of sanctioned/operational projects and AWCs and number of beneficiaries

under both supplementary nutrition and pre-school education components as on 31 January 2013 are placed at **Annexure-XV**.

Financial progress

3.10 With wider spread of the Scheme, the plan allocation, which stood at ` 44,400 crore during the XI Plan period, has now increased to ` 1,03,003 crore for the XII Plan (2012-2017). For the 1st year of the XII Plan i.e. for 2012-13, ` 15,850 crore has been allocated for ICDS Scheme. As on 8 March 2013, an amount of

` 14,550.86 crore (92% of allocation) has been released to the States/UTs under ICDS Scheme during 2012-13. This includes an amount of ` 8,729.95 crore for ICDS (General) (including payment to LIC) and ` 5,756.64 crore for supplementary nutrition component. State-wise release of funds during 2012-13 is placed at **Annexure-XVI**.

Financial achievement in terms of annual plan allocation and expenditure under ICDS during the XI Plan is as under:

Table 3.4: Financial progress under ICDS during XI Plan (2007-2012)

(` Crore)

Financial Year	Budget Estimate (BE)	Revised Estimate (RE)	Expenditure	Percentage
2007-08	5293.00	5396.30	5256.46	97.40%

Approval of Strengthening and Restructuring of ICDS in the 12th Five Year Plan

3.11 In order to address various programmatic, management and institutional gaps and to meet administrative and operational challenges, Government has approved the Strengthening and Restructuring of ICDS Scheme with an allocation of ` 1,23,580 crore during 12th Five Year Plan. Administrative approval in this regard has been issued to the States/UTs on 22 October 2012.

3.12 Restructured and Strengthened ICDS will be rolled out in all the districts in three years as per the following details:

- (a) In 200 high burden districts in the first year (2012-13);
- (b) In additional 200 districts in second year (2013-14) (i.e. w.e.f. 1.4.2013) including districts from special category States and NER;
- (c) In remaining districts in third year (2014-15) (i.e. w.e.f. 1.4.2014).

3.13 Key features of Strengthened and Restructured ICDS, *inter-alia*, include addressing the gaps and challenges with:

A. Programmatic Reforms

- i) Repositioning the AWC as a “vibrant Early Child Development (ECD) centre” to become the first village outpost for health, nutrition and early learning – minimum of six hours of working, etc.
- ii) Construction of AWC Building and *revision of rent including up-gradation, maintenance, improvement and repair*.
- iii) Strengthening Package of Services– *strengthening Early Childhood Care & Education (ECCE), focus on under-3s, Care and Nutrition Counselling service for mothers of under-3s and Management of severe and moderate underweight*.
- iv) Improving Supplementary Nutrition Programme with *revision of cost norms*
- v) Management of severe and moderate underweight– *identification and management of severe and moderate*

- underweight through community based interventions, Sneha Shivirs, etc.*
- vi) Strengthening training and capacity as well as technical human resource, etc.
- B. Management Reforms**
- i) Decentralized planning, management and flexible architecture *introduction of Annual Programme of Implementation Plan (APIP) and flexibility to States for innovations.*
 - ii) Ensuring convergence at all the levels including the grassroots level.
 - iii) Strengthening governance – including PRIs, civil society & institutional partnerships *with proposed norm of up to 10% projects to be implemented in collaboration with such agencies.*
 - iv) Strengthening of ICDS Management Information System (MIS).
 - v) Using Information, Communication Technology (ICT) – *web enabled MIS and use of mobile telephony and others.*
 - vi) Deploying adequate human and Financial Resources with revision of some of the existing norms in components, training, etc. introducing new items,– *pool of untied/flexi fund (for promoting voluntary action, local innovations, Anganwadi-cum-creche, addl worker and link worker, provision for children in special needs etc).*
- C. Institutional Reforms**
- i) ICDS in Mission Mode with missions at National, State and District levels.
 - ii) introducing APIPs and MoUs with States/UTs.
 - iii) Technical and management support for ICDS at various levels hitherto not available.
 - iv) Delivery of quality services with measured inputs, processes, outputs and outcomes.
- v) Mission to report to the PM's Council at national and to the CMs at the State level on Nutrition, child development including early learning, etc. State Child Development Society will be set up at the State level with powers to set up its District Units and fund transfer of the ICDS Mission will be channeled through the Consolidated Fund of the State. However, in the event the State fails to transfer the funds within 15 days, it will be liable to pay interest on the amount on the pattern of releases for the Finance Commission funds;
- vi) Nutrition Counsellor cum Additional Worker in 200 high burden districts and link workers in other districts will be on demand by State Government approved through Annual Programme Implementation Plans (APIPs) by Empowered Programme Committee (EPC). Incentives proposed for link workers including Accredited Social Health Activist (ASHA) workers under National Rural Health Mission (NRHM) will be linked to outcomes;
- vii) For those States not covered in the implementation plan during initial two years, two technical persons would be provided, until the State Mission Directorates are set up and functional;
- viii) District Mission Unit would be set up as per the phasing plan of the ICDS Mission. Besides, District ICDS Cells to continue to operate as per existing norms and District Cells to be set up in those districts where the Cell is not there;
- ix) Constitution of a Mission Steering Group (NMSG) and Empowered Programme Committee (EPC) at national and state levels for effective planning, implementation, monitoring and supervision of ICDS Mission;
- x) Creation of a separate ICDS Mission Budget head to allow flexibility and integration within the child development and nutrition sectors and for convergent action with wider determinants of maternal and child under-nutrition.

- xi) The ICDS Mission targets would be to attain three main outcomes namely; i) Prevent and reduce young child under-nutrition (% underweight children 0-3 years) by 10 percentage point; (ii) Enhance early development and learning outcomes in all children 0-6 years of age; and (iii) Improve care and nutrition of girls and women and reduce anaemia prevalence in young children, girls and women by one fifth. Annual Health Survey (AHS) and District Level Household Survey (DLHS) to be used as baseline for measuring the outcomes of ICDS mission.
- xii) To strengthen training and capacity building with the Broad Framework as part of the EFC.
- xiii) To revise the rent for AWC building up to ` 750, ` 3000 and ` 5000 per month per unit for Rural/Tribal, Urban and Metropolitan cities respectively, revised norms for pre-school education (PSE) kits @ ` 3000 per AWC p.a and ` 1500 per mini-AWC p.a; revised cost norms for two uniforms @ ` 325 each per annum per worker subject to overall budgetary allocations and piloting of Crèche services in 5% of the AWCs.

Wheat Based Nutrition Programme (WBNP)

3.14 Under the Wheat Based Nutrition Programme (WBNP), food grains viz., wheat, rice and other coarse grains are allocated at BPL rates to the States/UTs through the Department of Food & Public Distribution (DoFPD), for preparation of supplementary food in ICDS. The Ministry is responsible for processing and approval of the proposals from the States/UTs for allocation of food grains in coordination with the DoFPD. During 2011-12, the Department of Food & Public Distribution has allocated **9,94,861 lakh MTs** of wheat; **4,50,000 lakh MTs** of rice and **10,000 MTs** of maize during 2012-13; out of which **9,85,706 MTs of wheat; 4,23,875 MTs of rice and 5,651**

MTs of maize have been allocated to 26 States/UTs till 8 March 2013.

Welfare Measures for the AWWs and AWHs

Enhanced Honoraria

3.15 Honorarium of AWWs has been enhanced by ` 1500/- per month on the last honorarium drawn by them and that of AWHs and AWWs of Mini-Anjanwadi Centres by ` 750/- per month on the last honorarium drawn by them with effect from 1st April, 2011.

Anganwadi Karyakartri Bima Yojana (AKBY)

3.16 The ICDS Scheme envisages Anganwadi Workers (AWWs) and Anganwadi Helpers (AWHs) as honorary workers who are paid a monthly honorarium. AKBY under the LIC's Social Security Scheme is one of the welfare measures extended to the grassroots functionaries of the ICDS Scheme. The Government of India has introduced the *Anganwadi Karyakartri Bima Yojana* with effect from 1.4.2004. The premium under the scheme is ` 280/- per annum per member out of which ` 100/- is paid by LIC from Social Security Fund, ` 100/- by the Government of India and ` 80/- by the Anganwadi Worker/Helper (insured member). The premium of ` 80/- payable by these workers have been waived off until 31.3.2013. The salient features of this Bima Yojana are as under:-

- Natural death ` 30,000
- Accidental benefit Death/ Total permanent disability ` 75,000
- Partial permanent disability ` 37,500

Female Critical Illness (FCI) Benefits

3.17 An amount of ` 20,000/- is payable on the diagnosis of invasive cancers (malignant tumour) manifest in the organs (i) Breast, (ii) Cervix Uteri, (iii) Corpus Uteri, (iv) Ovaries, (v) Fallopian Tubes, (vi) Vina/Vulva (subject to proof of affliction satisfactory to Corporation). A malignant tumour characterized by uncontrolled growth and spread of malignant cells and invasion of tissue that originates in one of the above anatomical sites is covered under the Scheme.

Shiksha Sahayog

3.18 A free add-on scholarship benefit is available for the children of the members who are covered under the Scheme. Scholarship of ` 300/- per quarter for students in 9th to 12th standard (including ITI courses) would be provided. Scholarship is limited to two

children per family. With the waiver of ` 80/- as premium payable towards critical illness by the Anganwadi Workers (AWWs) and Helpers (AWHs) w.e.f 1.4.2007, all AWWs and AWHs are covered for all the benefits under the Scheme. During the financial year 2012-2013 (up to 30.11.2012), the following number of claims have been settled and scholarships paid:

Natural			Accidental			Critical illness claim settled up to 30.11.2012		Scholarships settled up to 30.11.2012	
Intimated	Settled	Amount disbursed	Intimated	Settled	Amount disbursed	Number	Amount disbursed	Number	Amount disbursed
727	725	2,23,40,000	55	55	39,50,000	10	2,00,000	70037	5,07,29,600

AWC Infrastructure

3.19 It is necessary that AWC is consolidated as the first village/ habitation post for health, nutrition and early learning centre or platform on which the two new Schemes of SABLA and IGMSY are also implemented. The ICDS Scheme does not provide for construction of AWC buildings except in the North Eastern (NE) states. As part of Strengthening and Restructuring of ICDS Scheme, Government of India has approved provision for construction of 2 lakh AWC buildings @ ` 4.50 lakh per AWC building during the XII Plan period in a phased manner with cost sharing ratio of 75:25 between Centre and States other than the NE States, where it will be at the existing ratio of 90:10.

3.20 As per the information available as on 31 December 2012, 12.03 lakh AWCs/ mini-AWCs, about 84.26% AWCs are running from the *pucca* buildings and remaining 15.74% from *kutcha* buildings; 30.08% running from Government owned buildings; 22.33% running from school premises; 3.94% running from Panchayat buildings; 32.89% running from rented including 5.24% from AWWs/ AWHs

house; 9.58% running from others; 1.18% running from open space. 71.05% AWCs are having drinking water facilities within the premises and 50.28% AWCs have toilet facilities.

3.21 Convergence with other programmes: States/UTs have been requested to tap the funds for construction of AWC buildings from various schemes such as MPLADs, MLALADS, BRGF, RIDF, Panchayati Raj Institutions, MGNREGA and Tribal Affairs, Multi-Sectoral Development Programme of Ministry of Minority Affairs (MoMA), under SSA, Finance Commission, Additional Central Assistance under State Plan, Integrated Action Plan for Left Wing Extremism (LWE) districts, etc. **Construction of AWC buildings has also been included in the list of permissible works in Schedule-I under MGNREGA, 2005** *vide* notification dated **22.11.2012**.

3.22 As per information received from various States/UTs, about 13.85% AWC buildings have been constructed with assistance from various schemes like MPLADs (687 AWCs), MLALADS (1604 AWCs), Rural Infrastructure Development Fund (12165 AWCs), Backward Region Grant Fund of Panchayati Raj (43155 AWCs), other RD (16237 AWCs), Tribal Development (488 AWCs),

MGNREGA (1282 AWCs), State Plan (31501 AWCs) etc. States like Andhra Pradesh, Kerala, Chhattisgarh, Rajasthan, Haryana etc. have, of late, developed model AWCs with 2-3 rooms including space for ANC, washing area, toilet, proper storage, kitchen and other attendant facilities.

3.23 Construction of AWCs under Multi-Sectoral Development Programme: The Ministry of Minority Affairs (MoMA) has identified 90 minority concentration districts (MCDs) in the country during 2007-08, which were backward in terms of basic amenities and socio-economic parameters. A Multi-Sectoral Development Programme (MSDP) to address the 'development deficits' especially in education, skill development, employment, sanitation, housing, drinking water and electricity supply was launched from 2008-09 for these districts. Baseline surveys to identify 'development deficits' were carried out in all the districts by MoMA. MoMA has identified the construction of AWCs in identified districts as one of the development deficits. There is no provision for construction of AWCs under schematic norms of ICDS Scheme. Keeping in

may be a minimum of 600 sq feet of covered area i.e. a sitting room for children/women, separate kitchen, store for storing food items, child friendly toilets and space for playing of children with drinking water facilities. The schedule of rates of construction need to be based as applicable for the district of the state certified by the respective state government before according approval or funds are released by an authority. Constructions of 27855 AWCs based on the District Plans have already been approved by MoMA. MWCD has requested MoMA to continue construction of AWC buildings under MSDP, during XII Plan period, as an approved activity.

Training & Capacity Building

3.24 Achievement of the ICDS programme goals depends largely on the capacity of the frontline workers in their day-to-day service delivery ensuring the desired quality and effectiveness. Recognizing this, since its inception, the ICDS Scheme provides for regular training to the field functionaries in order to build and enhance their skills and capacity. Three types of training courses are organized for the AWWs/AWHs, Supervisors and CDPOs/ACDPOs viz. (i) short-duration induction training (on initial appointment/placement), (ii) job training (one-time, full course) and (iii) refresher training (short duration, once in 2 years). A separate Training Unit within the Ministry of WCD is responsible for processing and approval of the State annual training action plans along with release of grants to States/UTs and monitoring and review of the implementation progress.

State Training Action Plans (STRAPs)

3.25 Under the ICDS Training programme, all States/UTs are required to submit the annual State Training Action Plans (STRAPs) delineating details of various types of training programmes for ICDS field level functionaries, which are proposed to be undertaken during the financial year. In 2012-13, STRAPs were received from 29 States/UTs and the same were approved for an estimated cost of ` 86.50 crore. State-wise approval of STRAPs is shown at **Annexure-XVII**.

view the special emphasis on North Eastern (NE) States, Ministry of Women and Child Development had approved the construction of AWCs in NE States for ` 1.75 lakh each. However, as convergence with other Ministries/ Departments is an inherent component of ICDS scheme, the Ministry of WCD supported construction of AWCs under MSDP in minority concentration districts. An indicative standard for construction of an AWC

Training Infrastructure

3.26 Training programmes for various field functionaries in ICDS are organized through the following:

- **Anganwadi Workers Training Centres (AWTCs) for the training of Anganwadi Workers and Helpers;**
- **Middle Level Training Centres (MLTCs) for the training of Supervisors and Instructors of AWTCs;**
- **National Institute of Public Cooperation and Child Development (NIPCCD) and its four Regional Centres (Guwahati, Lucknow, Bengaluru and Indore) for training of CDPOs/ACDPOs and Instructors of MLTCs.**

Note: Tamil Nadu conducts training of Instructors of MLTCs and CDPOs / ACDPOs through its own State Training Institute.

As on 31 December 2012, a total of 496 AWTCs and 30 MLTCs were operational across the States/UTs. State-wise operational AWTCs and MLTCs are shown at **Annexure-XVIII**.

3.27 Physical and Financial Progress during 2012-13: As per the quarterly progress reports received from the States/UTs for the quarter ending 31 December 2012, a total of 41,352 newly recruited AWWs (44% of STRAP target), 1116 Supervisors (42% of target) and 32,212 AWHs (32% of target) were reported to have received job training. Also, 116,086 AWWs (56% of STRAP target), 4,847 Supervisors (55% of target) and 87,560 AWHs (49% of target) were given refresher training during 2012-13. An amount of ` 64.28 crore has been released to the States/UTs till 8 March 2013. Also, unspent balance for an amount of ` 7.91 crore, out of the funds released during 2011-12, has been revalidated for utilization during 2012-13. The details are available in the earlier Annexure-XVII.

Management Information System (MIS)

3.28 The Ministry has the overall responsibility of monitoring the

implementation of the ICDS Scheme. A separate Monitoring Unit within the CD Bureau in the Ministry is responsible for compilation and analysis of the periodic monitoring reports received from the States/UTs in the prescribed formats (Format I and II). States/UTs are required to send the monthly consolidated reports by 17th day of the following month. Information received from States/UTs are compiled, processed and analyzed at the central level on quarterly basis. The progress and shortfalls indicated in the reports are reviewed with the States/UTs through regular review meetings and necessary feedbacks are sent.

3.29 Under the existing MIS, a standardized data collection procedure is employed across all States/UTs and for most part of this process; it relies on manual entries and compilations. All primary data relating to service delivery are recorded by the AWWs using the prescribed registers. Once in a month, AWWs compile this information into a standardized Monthly Progress Report (MPR) that contains a number of input, process and impact indicators. These MPRs are then sent to the Supervisors (each of whom supervise about 25-30 AWCs) who consolidate the reports and forward them to the Child Development Project Officers (CDPOs), who in turn assemble the reports by project/block and remit them to the State HQs. At the central level, some of the key indicators are analyzed and Quarterly Progress Reports (QPRs) are prepared and detailed feedbacks are sent to State governments. These key indicators include information on ICDS personnel, operationalization of projects and AWCs, beneficiaries of supplemental nutrition and pre-school education, number of births and deaths, and nutritional status etc.

3.30 At the State level, programme monitoring data captured through AWC MPRs/Half-yearly Progress Reports (HPR) are compiled for all the operational projects using the CDPOs' Monthly Progress Reports (MPRs). Additionally, the State Reports include information on field visits to AWCs by ICDS functionaries, VHNDs, health-check-ups, immunization, home visits by AWWs, etc.

Details of various circulars/ orders on monitoring/ MIS issued from GOI and existing Management Information System (MIS) on ICDS are given under 'Child Development' portion of MWCD web-site viz. www.wcd.nic.in and also at www.wcd.nic.in/icds

Roll-out of the Revised MIS (introduced in March 2012)

3.31 As part of strengthening the ICDS programme implementation, the Ministry had initiated revamping of the MIS with an aim to ensure consistent and accurate recording and reporting of the critical programme data, as also

to minimize efforts of the AWWs and other functionaries in the process and to spend their time more on quality work like focused home visits and counseling of mothers. Through a long consultative process with the States and other stakeholders, and after pilot testing for a prolonged period in six States, all primary records and registers that are maintained at the AWCs have been revised / rationalized. On 28 March 2012, the Ministry introduced the revised MIS and issued detailed guidelines for roll-out of the 11 newly designed color coded registers along with Report formats viz., monthly progress reports (MPRs) and annual status reports (ASRs).

Glimpses of some of the sample registers produced by MWCD

To ensure uniformity and standardization in design across the States, the Ministry, for the first time, undertook centralized designing of these basic MIS formats in all major languages and produced *print-ready* versions for release to the States for printing, with the technical support of CARE India, UNICEF and DFID. Print-ready formats in local languages have been released to all 35 States/UTs. The Ministry

has also prepared detailed roll-out plan including (i) guidelines for induction training on revised MIS for the ICDS functionaries, (ii) User's Manual for use by the AWWs and their Supervisors and (iii) Training Facilitator's Manual to be used for imparting induction training of ICDS functionaries at different levels, particularly for the training of AWWs at the sector level. These manuals are currently being translated in local languages by the

respective States. The Ministry has organized three regional programmes on training of trainers (ToTs) for the State level Master Trainers (SLMTs) of 12 States in collaboration with the State Governments and the development partners (DFID/UNICEF) at

Bhopal (9-12 October 2012); Kolkata (11-13 December 2012) and Hyderabad (19-21 December 2012). Further training programmes are being planned based on the preparedness of the States on printing of the revised AWC Registers.

Web-based MIS

3.32 Concurrently, the Ministry is also working with the National Informatics Center (NIC) for **developing a web-enabled MIS** which will help capturing basic programme monitoring data entry from the Anganwadi/project level as well as help compilation and generation of progress reports at different levels. By the time the States/UTs are fully ready with the new registers and reporting formats, the web-based MIS is expected to be ready to help the States to enter the monitoring data electronically using web-based interface from the Anganwadi and block/project level to

generate reports. This will help in **collecting and providing data on a real time basis to support programmatic actions and timely interventions**. NIC has since developed the web-based data entry software based on revised MIS, pilot testing of the same is expected to be completed in 14 projects by 31.03.2013. A new web-portal www.wcd.nic.in/icds has been created for enabling the MIS data entry by the States/UTs.

Monitoring & Supervision

3.33 Besides the revamping of ICDS-MIS, the existing practice of monitoring and supervision visits in the field has been standardized and

minimum visits required to be made at various levels have been stipulated to ensure effectiveness in the delivery of services in ICDS Scheme along with active involvement of Panchayati Raj Institutions (PRIs) in monitoring of AWC activities. A check list of various aspects to be monitored /supervised by the State and central level officials during their visits has also been prescribed for their guidance.

3.34 In the context of universalization of ICDS with focus on improved quality in delivery of services and also in the proposed strengthening and restructuring of ICDS as also to rationalize and harmonize the monitoring mechanism in all States/UTs with an objective of strengthening the coordination and convergence with the line departments, a 5-tier monitoring and review mechanism at the central level and upto Anganwadi level has been introduced. The people's representatives (MPs/MLAs/PRIs) have been included in the Monitoring Committees to make the mechanism participative and more transparent.

3.35 During 2012-13, field visits to various States were undertaken by the Secretary and other Officers of the Ministry to review the

implementation of ICDS. Based on the review meetings with the States/UTs and field visits to the States, some of the major deficiencies and constraints observed in ICDS implementation are as follows:

- *Slow operationalization of Projects/AWCs/ mini-AWCs;*
- *Large number of vacancies of CDPOs, Supervisors and Anganwadi Workers/ Helpers;*
- *Non-adherence to supplementary nutrition norms;*
- *Disruptions in providing hot cooked meal and Take Home Ration (THR); consequently number of days nutrition provided in many States was less than 25 days per month.*
- *ICDS functionaries are often assigned with non-ICDS work across many States resulting in disruption and deficiency of services impacting adversely implementation of the Scheme.*

The above observations have been conveyed to the respective States/UTs for taking the remedial actions.

Concurrent Monitoring of ICDS by the Central Monitoring Unit, NIPCCD

3.36 A Central Monitoring Unit (CMU) was established in NIPCCD in 2008 for strengthening the monitoring systems in ICDS with the objective of capturing information on various aspects of implementation of the Scheme through independent professionals/experts. This is carried out through the facilitative State Monitoring Units (SMUs) that operates at the state level, mostly by the Social or Preventive Medicine Departments of Medical Colleges or Home Science Colleges of Social Work. Presently, 60 institutions including the four NIPCCD regional centres have been operating as independent SMUs for concurrent monitoring and evaluation. Periodic reports on the assessment of programme implementation are submitted by NIPCCD to the Ministry time-to-time.

New WHO Child Growth Standards in ICDS

3.37 The ICDS since its inception had been using Harvard standards for the purpose of monitoring growth among children. Government of India decided in 2008 to introduce the new WHO Growth standards through ICDS and NRHM. The NFHS-3 Report has also incorporated the new growth standards and brought out the revised levels of malnutrition according to which the average level of malnutrition in the country is 42.5% and severely underweight children are 15.8%.

3.38 The new WHO Growth standards, globally used, prescribe how children should grow with optimal nutrition and health care. These child growth standards recognize the breastfed infant as the normative model; provide reference values for assessing childhood obesity, and also the link between physical growth and motor development. These standards are available for both girls and boys below five years for Weight-for-age, Weight-for-height, BMI-for-age and for six motor development indicators. With these new

standards, parents, communities, child care workers, programme managers, health and care advocates will know when the nutrition and care needs of children are being compromised. The use of this tool enables them to take timely corrective action at different levels. **Till 9.1.2013, WHO Growth charts have been rolled-out in 8,11,629 AWCs in 6,609 projects across States/UTs.**

Joint Mother and Child Protection (MCP) Card

3.39 New standards have been adopted for assessment of growth of children under the ICDS Scheme. Family based Joint Mother & Child Protection card has been jointly introduced by NRHM and ICDS for monitoring health and nutrition status of pregnant women and children. Growth charts and Mother and Protection Cards are maintained for all children below 6 years. These growth charts help to track the growth trajectory of children and identify those who are moderately and severely underweight. Care givers of those who are moderately underweight are provided counseling, while those who are severely underweight or sick are referred to health functionaries or facilities. Till 9.1.2013, MCP card has been distributed in 7,36,175 AWCs in 6564 projects.

Annual Programme Implementation Plan (APIP)

3.40 In view of strengthening the annual planning process in ICDS as well as to set the ground for the ICDS in mission mode in 12th Plan, the Ministry introduced development of Annual Programme Implementation Plan (APIP) in ICDS by the States/UTs from 2011-12. Detailed guidelines on APIP framework prepared by the Ministry have been shared with each of the States/UTs. During 2012-13, a total of 24 States submitted their APIPs, against which 23 State APIPs have been reviewed in the meetings held under the chairpersonship of Secretary (WCD). Some of the key constraints in ICDS implementation as identified by the States in their APIPs are presented below. Also, some of the good practices that emerged from the APIPs are briefly summarized in **Annexure-XIX**.

Key Constraints in ICDS implementation as identified in the State APIPs

2012-13

- Anganwadi Centres are not able to attract all beneficiaries because of the prevailing notion in the society that AWC services are meant for socially and economically marginalized groups.
- **Low awareness among people about ICDS services and weak public image of ICDS** result in low community participation
- Low demand of supplementary nutrition due to lack of awareness, ineffective distribution, and perception of SNP being the aid for poor people.
- Manpower vacancies at the field level and engagement of CDPOs and Supervisors in non-ICDS activities seriously affect the monitoring and supervision;
- Single worker pattern constraints Anganwadi workers to spend quality time for pre-school, SABLA etc.
- Customs/myth about not weighing of the new born prevails in many communities.
- Poor capacity building for beneficiaries- there are limited platforms for capacity building of beneficiaries. Mothers' Committees that were intended to address this are limited in number to yield desired impact.
- Low enrolment and attendance in PSE -since PSE medium in AWCs is in local languages, most parents prefer to send their children to private English medium pre-primary schools.
- Constraints in effective referral services due to inadequate medical and paramedical staff and unavailability of referral slips.
- Need for AWC's own buildings and proper maintenance of existing buildings
- Limited mobility due to lack of vehicles for ICDS field functionaries affecting regular monitoring and supervision visits.

Review Meetings/Workshops

3.41 During 2012-13, several review meetings and thematic workshops on ICDS were organized by the Ministry to continue active engagement with the States/UTs and other stakeholders through sharing with/ debating on issues concerning programme implementation. The Ministry organized a 2-day Review Meeting with the States during 19-20 April 2012 in New Delhi. The conference was organized as part of the ongoing review of the ICDS implementation at the central level. A video conferencing with States was also organized on 27-28 June 2012. Also,

implementation of ICDS was reviewed during the 2-day State WCD Ministers Conference held on 13-14 September 2012.

3.42 Subsequent to issuance of the administrative orders and approval of the Restructured and Strengthened ICDS on 22 October 2012, the Ministry organized a one-day orientation and dissemination workshop with the State Secretaries on 12 January 2013 to discuss the details of the Restructured and strengthened ICDS Scheme.

In sequel to the national workshop, five Regional Conferences were also organized by MWCD in

Secretary (WCD) addressing the participants in National Orientation & Dissemination Workshop on Restructured ICDS on 12 January 2013

collaboration with NIPCCD as per the details given below:

In sequel to the national workshop, five

Regional Conferences were also organized by MWCD in collaboration with NIPCCD as per the details given below:

Sl. No.	Venue	Dates	States Participated
1.	NIPCCD Southern Regional Centre Bengaluru	30-31 January, 2013	Andhra Pradesh, Goa, Karnataka, Kerala, Puducherry, Tamil Nadu
2.	NIPCCD Northern Regional Centre Lucknow	5 February, 2013	Bihar, Jharkhand, Uttar Pradesh, Uttarakhand
3.	NIPCCD North Eastern Regional Centre Guwahati	12-13 February, 2013	Arunachal Pradesh, Assam, Manipur, Mizoram, Nagaland, Odisha, Sikkim, West Bengal
4.	Mahatma Gandhi State Institute of Public Administration Punjab Chandigarh	15 February, 2013	Delhi, Haryana, Himachal Pradesh, Jammu and Kashmir, Punjab , UT of Chandigarh
5.	NIPCCD Western Regional Centre Indore	18-19 February, 2013	Chhattisgarh, Dadra and Nagar Haveli, Madhya Pradesh, Maharashtra, Rajasthan

3.43 Besides above, following thematic workshops were also organized during 2012-13:

(a) **National Workshop on use of ICT in ICDS: 31 May - 1 June 2012 (New Delhi)**

This workshop was organized jointly with CMU, NIPCCD in order to share the good practices, existing knowledge, mechanisms and experiences in the field of application of ICT in ICDS.

(b) **National Workshop on Panchayati Raj led Models for ICDS: 23-24 July 2012 (Thiruvananthapuram)**

The workshop was organized jointly by MWCD and Govt. of Kerala with the objectives (i) to understand the status of involvement of PRIs in the implementation of ICDS in different states; and (ii) to discuss the various avenues and modalities for involvement of PRIs in the programme implementation with an aim to prove the delivery of ICDS services.

(c) **Workshop on 'Strengthening Maternal and Child Care, Nutrition and Health Services in Urban Settings': July 18-19, 2012 (New Delhi)**

Addressing the health, nutrition and child care needs of urban poor children is both a right and equity issue and has its own multi-faceted challenges requiring synergy between all concerned departments, Municipal Corporations and communities themselves. Keeping in view of this, this workshop was organized by the Ministry jointly with NIPCCD

3.44 **A South Asian Regional Conference on Early Childhood Care and Education: Policies and Practices** was organized during 27-29 August, 2012 by the World Bank and Centre for Early Childhood Education and Development (CECED), Ambedkar University. The Conference was supported by the Ministry of Women and Child Development. Around 220 participants consisting of Policy makers, researchers and practitioners from all the South Asian countries attended the conference. The participants deliberated on issues of access, equity and quality of ECCE. The major recommendations included development of a comprehensive policy on ECCE; reaching out to the marginalized and vulnerable groups; establishing a regulatory mechanism for ECCE among others.

Use of Interactive Voice Response System (IVRS) for real time monitoring of ICDS Scheme under Domain-III of Nutrition Resource Platform (NRP)

3.45 The Ministry of Women & Child Development has initiated pilot testing of use of IVRS using mobile phones for real time monitoring of key indicators of AWC MPR in 62 projects in 8331 AWCs. About 75% AWCs are sending the data through IVRS.

Nutrition Resource Platform (NRP)

3.46 The Nutrition Resource Platform (NRP) is an initiative of the Child Development and Nutrition Bureau of the Ministry with an aim to collect, collate and make available resources and materials on nutrition and child development to the diverse stakeholders.

3.47 The NRP will have reference materials on nutrition issues relating to policy, programmes, academic and research inputs, materials for capacity building etc. The platform will be web-enabled to maximize outreach at a relatively low cost. It is planned as a knowledge repository of information collected from sectors identified in National Plan of Action on Nutrition such as nutrition, food, health, agriculture, education, water and sanitation to aid knowledge generation, policy formulation and improve adoption of good practices to influence behaviour change around nutrition and child care.

3.48 It is an interactive knowledge resource base which facilitates real quick time interaction, exchange of ideas, discussions between ICDS and other stakeholders to promote a better understanding of the existing and the newer researches in the field of nutrition and child care. Besides policy makers and academia, NRP will act as a platform for

improved communication among and with stakeholders including front line workers on the issue of nutrition and child care. NRP will impart user friendly services to front line workers through interactive and mobile service networks.

3.49 NRP will offer services such as data collection for Management Information System (MIS) besides rendering services such as Voice Blast, SMS Blast, In-Dialling on Interactive Voice Response System (IVRS).

3.50 The NRP initiative is being implemented jointly by Food and Nutrition Board (FNB) of the Ministry and the National Institute of Public Cooperation and Child Development (NIPCCD). National Informatics Centre (NIC) is providing technical, design, developmental, IT logistics and hosting support for its effective and smooth functioning. The NRP will also have linkages with important institutions of repute such as National Institute of Nutrition (NIN), Nutrition Foundation of India (NFI) and Breastfeeding Promotion Network of India (BPNI) and others.

Launch of the Nation-wide IEC Campaign against Malnutrition

3.51 IEC campaign against malnutrition is an initiative of the Ministry in pursuance of one of the key decisions of the Prime Minister's National Council on India's Nutrition Challenges. The campaign was launched by Hon'ble President of India on 19 November 2012 in New Delhi. The roll-out of the campaign has been started from 28.12.2012 through various media agencies such as DAVP, NFDC, Doordarshan, AIR, Lok Sabha TV, IGNOU (Gyanvani and Gyan Darshan) etc.

3.52 The campaign is in four stages with the first stage for 8 weeks, 2nd stage for 6 weeks, the 3rd stage for 16 weeks and 4th stage for 8 weeks (with first 4 weeks overlapping with the 3rd stage). Activities through Song & Drama Division and Directorate of Field Publicity in the States would be undertaken during the 3rd stage which focuses on action to be taken to prevent malnutrition.

3.53 The various creative for stage 1 are also available for viewing at the Nutrition Resource Platform (NRP) of MWCD at www.akshayaposhan.gov.in/ www.poshan.nic.in as well as link on the MWCD site in different languages.

National Policy on Early Childhood Care and Education (ECCE)

3.54 A core committee of ECCE experts, representatives of States, line ministries and Institutes of Higher Learning had been formed to formulate a national policy and curriculum framework on ECCE. After holding regional consultations and in depth discussions with other stakeholders, the committee has evolved

a draft National Policy on ECCE, National Early Childhood Care and Education Curriculum Framework and Quality Standards for ECCE. The National ECCE Policy and Framework provides an integrated over reaching framework and a general direction to further draw out action plans and strategies for implementing inclusive and quality ECCE programmes ensuring access to all. The Policy lays down the way forward for a comprehensive approach towards ensuring a sound

foundation for survival, growth and development *with focus on care and early learning* for every child. The cardinal principles informing the policy are universal access, equity and quality in ECCE and strengthening capacity of key care and service providers. The National ECCE Curriculum

Framework promotes play based, experiential and child friendly curriculum for early education and all round development by fostering interrelated domains of development i.e. physical and motor; language; cognitive; socio- personal; emotional and creative and aesthetic appreciation. The Quality Standards for ECCE lay down the norms and specifications relating *inter alia* to building and infrastructure; pupil- teacher interaction; learning experiences planned for children; health, nutrition and protection measures; qualification and professional development of staff; parent and community involvement and organization and management of the ECCE provision.

3.55 The draft National ECCE Policy, National Curriculum Framework and Quality Standards for ECCE were uploaded on the website of the Ministry on 13.3.2012 for seeking public opinion and also shared with State Governments/UTs Administrations and related ministries. The feedbacks received were collated and the drafts were revised accordingly. A National Consultation was also organized on 29 October 2012 for deliberation on the National ECCE Policy Framework.

3.56 The National Early Childhood Care and Education (ECCE) Policy is in advanced stage of finalization and approval of the competent authority.

3.57 The Ministry has also initiated a pilot test of the feasibility of the National Early Childhood Care and Education Curriculum Framework. The National Early Childhood Care and Education Curriculum Framework is being contextualized in 16 States/UTs and is being piloted in 25 Anganwadi Centres respectively in 2 ICDS projects (1 rural and 1 urban) of each of the selected States/UTs.

3.58 ECCE is also being given centre stage in the strengthened and restructured ICDS. The AWC would be repositioned as a “vibrant ECD centre” to become the first village outpost for health, nutrition and early learning with adequate infrastructure and human resources for ensuring a continuum of care in a life-cycle approach to early childhood care and development, emphasizing the child's physical, cognitive, emotional and social development until the age of six years. The activities of AWC would be expanded to include dedicated 4 hours of play and activity based non formal pre-school education with a developmentally appropriate ECCE curriculum for 3-6 year olds and early stimulation programme for under 3s through Mother Child Card package; early detection of delayed developmental milestones; early intervention for children with special needs and Monthly fixed village ECCE day for community and parent involvement and advocacy.

IDA assisted 'ICDS Systems Strengthening & Nutrition Improvement Project (ISSNIP)'

3.59 The Cabinet Committee on Economic Affairs (CCEA) has approved implementation of the International Development Association (World Bank) assisted ICDS Systems Strengthening and Nutrition Improvement Project (ISSNIP) in its meeting held on 4 October 2012, with a total outlay of ` 2893 crore over 7 years. The cost sharing ratio for the project between the World Bank and Govt. of India is 70:30 and that between GoI and States will be 90:10. The project has been designed to be implemented in two distinct phases following Adaptable Program Loan (APL) approach with Phase 1 of 3 years and Phase 2 of 4 years. Estimated

cost of Phase 1 is about US\$ 151.50 million (₹ 682 crore). The World Bank has initially committed US\$ 106 million for Phase 1 of the project within an overall envelop of US\$ 450 million. The financing agreement of Phase 1 of the project has been signed between the Government of India (Department of Economic Affairs, Ministry of Finance) and the World Bank on 5 November 2012 and subsequently, the project has been made effective from 26 November 2012.

3.60 The project is proposed to be implemented in 162 districts having higher proportion of malnourished children in eight States, *viz.* Bihar, Chhattisgarh, Jharkhand, Madhya Pradesh, Maharashtra, Rajasthan, Uttar Pradesh and Andhra Pradesh along with urban pilots in and around NCR of Delhi and convergent nutrition actions pilots in some selected districts in two other States *viz.*, Odisha and Uttarakhand. ISSNIP has been designed to supplement and provide value addition on the existing ICDS programme, through systems strengthening for better service delivery, as well as to allow the select States/Districts to experiment, innovate and conduct pilots of potentially more effective approaches for ICDS, to achieve early childhood education and nutrition outcomes.

3.61 In the Annual Plan 2012-13, an amount of ₹ 102.80 crore (with ₹ 71.96 crore as EAP Component) was allocated at BE. However, the amount was reduced to ₹ 8.00 crore at RE, against which expenditure for an amount of ₹ 7.79 crore (97% of RE) has been incurred till 8 March 2013.

3.62 Administrative approvals and guidelines for the project have been issued to the project States on 10 January 2013. A Central Project Management Unit (CPMU) within the Ministry has been established under the Ministry in January 2013 to oversee the project implementation. A first meeting to orient the State Officials on the project issues including that for financial management and procurement was organized by the CPMU on 20 Feb 2013. Formal launch of the project is being planned during April 2013.

Cooperation with Development Partners

3.63 Several international agencies/development partners including UNICEF provide technical assistance to ICDS programme both at the central and State level. Some of them are given below:

GoI-UNICEF Programme of Cooperation

3.64 The partnership between UNICEF and the Government of India (GoI) spans over more than 60 years. UNICEF has continued its support to government in enhancing systems and improving delivery of services to women and children especially from the vulnerable and marginalized sections. The Basic Agreement that provides basis of the relationship between the GoI and UNICEF dates from 10 May 1949 and was amended on 5 April 1978. Over the last 60 years, a succession of Country Programmes has been implemented in conformity with the Basic Agreement. Currently the Govt. of India collaborates with UNICEF based on an agreed five year Country Programme Action Plans (CPAP). The CPAP 2008-12 ended on 31 December 2012.

3.65 The process of formulating the next GoI-UNICEF Programme of Cooperation 2013-2017 was initiated by UNICEF, jointly with MWCD in 2011 through consultations with the Central/State Governments and other stakeholders. A draft Country Programme Document (CPD) was prepared which has been approved by the Executive Board of UNICEF in its June 2012 Session in New York. Joint Secretary (CD) from MWCD represented Govt. of India in the said session. Estimated budget of the next country programme is US\$ 750 million. Based on the CPD, the draft CPAP for 2013-17 was prepared and discussed with the States/Line Ministries and other stakeholders at a validation workshop held in November 2012. After prolonged deliberations and discussions, the CPAP was finalized and signed between the Ministry of Women and Child Development and UNICEF on 21 January 2013.

3.66 Besides UNICEF, following Development Partners also support the ICDS Scheme:

- **DFID** (Department for International Development, Govt. of United Kingdom): Provides technical assistance to ICDS in three

States (Odisha, MP and Bihar) and also at the central level to support roll-out of the revised MIS in ICDS.

- **WFP** (World Food Programme): Provides technical assistance to the Ministry at the central level and also provides support to the State Governments (Odisha,

Rajasthan etc) for production of low cost micronutrient fortified food known as 'India mix' as well as provides technical support in ICDS implementation.

- **CARE India:** Supporting the Ministry in strengthening ICDS MIS.

Child Protection and Welfare

Towards a New Dawn

Child Protection and Welfare

4.1 More than one third of the country's population, around 440 million, is below 18 years of age. The strength of the nation lies in having healthy, protected, educated and well-developed children who may grow up to be productive citizens of the country. It is estimated that around 40 per cent of India's children are vulnerable or experiencing difficult circumstances characterized by their specific social, economic and geo-political situations. All these children need special attention.

I. LAWS AND POLICY FOR CARE AND PROTECTION OF CHILDREN

4.2 The National Policy for Children, adopted on 22nd August, 1974 has been under review in order to better address emerging challenges related to the rights of children and an Advisory and Drafting Committee had been formed for the purpose. It was decided by the Ministry to hold Regional Consultations across the country in order to collate comments, views, suggestions and inputs from all stakeholders on the contents of a new policy for children. Participants of the consultations include concerned Ministries and Departments from States/UTs, Civil society organizations, independent experts, government/non-government organizations and academicians. A draft working paper has been prepared and shared with all participants for their comments and views. Five Regional Consultations have been held between September, 2010 and January, 2011. The National Consultation was held on 19th December, 2011 to discuss the Draft Working Paper on Policy for Children.

National Commission for Protection of the Child Rights (NCPCR)

4.3 The National Commission for Protection of Child Rights (NCPCR), a statutory body, was set up in March, 2007 under the Commissions for Protection of Child Rights Act, 2005, an Act of Parliament (December 2005). The Commission's mandate is to ensure that all Laws, Policies, Programmes, and Administrative Mechanisms are in consonance with the Child Rights perspective as enshrined in the Constitution of India and also the UN Convention on the Rights of the Child.

4.4 Smt. Shantha Sinha was appointed as Chairperson of the Commission from 18th May, 2010 for a second term. Five members of the Commission have also been appointed by the Government vide notification dated 22nd November 2010. These members are Smt. Sukanya Bharatram, Dr. Dinesh Laroia, Dr. Yogesh Dube, Shri Vinod Kumar Tikoo and Ms. Dipa Dixit. Subsequently Smt. Sukanya Bharatram and Dr. Dinesh Laroia resigned and Ms. Nina P Nayak and Dr. Vandana Prasad were appointed as Members. Presently, the Commission has five Members.

4.5 The Ministry has been pursuing the matter with the State Governments from time to time to set up State Commissions. So far State Commissions have been set up in Assam, Bihar, Chhattisgarh, Delhi, Goa, Jharkhand, Karnataka, Madhya Pradesh, Maharashtra, Odisha, Punjab, Rajasthan, Sikkim, Uttrakhand, Tamil Nadu and West Bengal.

The Juvenile Justice (Care & Protection of Children) Act [JJ Act]

4.6 The Juvenile Justice (Care & Protection of Children) Act, enacted in 2000, is the primary law

in the country relating to welfare of juveniles in conflict with law as well as children in need of care and protection and defines 'child' as a person below eighteen years of age. The Act provides for proper care, protection and treatment for such children by catering to their development needs and by adopting a child friendly approach in dealing with matters in the best interest of children. The Act lays emphasis on rehabilitation and reintegration of such children into the society through various processes. For this, the Act provides for several alternatives such as adoption, sponsorship, foster care and institutional care.

4.7 To address the gaps in implementation, the JJ Act was amended, in 2006, to make it more effective by providing time-lines for setting up of Juvenile Justice Boards and Child Welfare Committees and compulsory registration of Child Care Institutions, etc. The scope of the Act was also widened to include working children, children living on the streets, those found begging, etc. The Act has been further amended in the year 2011 to remove discriminatory references to children affected by disease such as leprosy, tuberculosis, hepatitis-B, etc and notification in this regard has also been issued on 8th September, 2011. Since the last substantive amendment of the Act in 2006, various issues have arisen regarding quality care and services provided for such children. In order to address these issues, consultations were held with State Governments, civil society organizations, and other stakeholders, and further changes in the Act are under consideration.

4.8 In keeping with the JJ Act, the State Governments are required to set up and maintain-either by themselves or in association with NGOs – Homes, shelters and other services like adoption, fostercare etc. for children in every district or group of districts, for their care, education, training, development and rehabilitation.

The Protection of Children from Sexual Offences Act, 2012

4.9 To deal with child abuse cases, the Government has brought in a special law "The

Protection of Children from Sexual Offences Act, 2012". The Act has come into force with effect from 14th November, 2012 along with the rules framed thereunder. The Act provides protection to children from the offences of sexual assault, sexual harassment and pornography. The Act incorporates child-friendly procedures for reporting, recording of offences, investigation and trial of offences. The Act provides for stringent punishment, which have been graded as per the gravity of offence. The punishment ranges from simple to rigorous imprisonment of varying periods. There is also provision for fine which is to be decided by the court.

4.10 Rules have been framed by the Central Government under the power delegated under **Section 45** of the Act. The Rules make provisions regarding hiring of interpreters, translators, special educators and experts to provide assistance to the child during the investigation and trial process; arrangements for care and protection of the child; emergency medical care of the child; mechanism for monitoring the implementation of the Act by the National Commission for Protection of Child Rights (NCPCR) and State Commissions for Protection of Child Rights (SCPCRs); and compensation of the victim-child for relief and rehabilitation.

4.11 The Protection of Children from Sexual Offences Rules, 2012 have been notified on 14th November, 2012 and laid on the Table of Rajya Sabha on 5th December, 2012 and Table of Lok Sabha on 7th December, 2012.

II. SCHEMES FOR PROTECTION OF CHILDREN

(1) Integrated Child Protection Scheme (ICPS)

4.12 The implementation of the JJ Act faced several teething problems and the pace of implementation was affected by lack of focus on child protection in the States/UTs, absence of dedicated structures for implementation of the Act, and shortage of financial resources. Intervention of the Central Government, in terms of allocation of resources, was also negligible. As a consequence, the structures envisaged under the Act could not be established in the required numbers and standards of care were not of desired quality.

4.13 To encourage quicker establishment of structures and procedures under the Act, the Ministry of Women & Child Development introduced, in 2009-10, a comprehensive scheme, namely, the Integrated Child Protection Scheme (ICPS) under which financial and technical support is provided to the State Governments/UT Administrations. ICPS brings several existing child protection programmes, under one umbrella, with improved norms. These include, (i) A Programme for Juvenile Justice; (ii) An Integrated Programme for Street Children; and (iii) Scheme for Assistance to Homes [Shishu Greh] to promote In-country Adoption. A number of new initiatives have also been incorporated, such as dedicated service delivery structures at State and district levels, child tracking system, sponsorship, foster care etc.

4.14 **Objectives:** The objectives of the Scheme are to contribute to improvement in the well being of children in difficult circumstances, as well as to the reduction of vulnerabilities to situations and actions that lead to abuse, neglect, exploitation, abandonment and separation of children from their families. These will be achieved by; i) improved access to and quality of child protection services; (ii) increased public awareness about the reality of child rights, situation and protection in India; (iii) clearly articulated responsibilities and enforced accountability of these responsibilities for child protection (iv) established and functioning structures at all government levels for delivery of statutory and support services to children in difficult circumstances; (v) evidence based monitoring and evaluation system.

4.15 **Target Group:** ICPS focuses its activities on -

- Children in Need of Care and Protection as listed in the Juvenile Justice (Care and Protection) Act, 2000
- Children in conflict with law; who are alleged to have or have committed an offence
- Children in contact with law; who have

come into contact with the law as a victim, witness or under any other circumstance

- Any other vulnerable child (including but not limited to) - children of migrant families, children living on the streets, child beggars, exploited/trafficked/drug-affected children, children of prisoners, children of women in prostitution and children affected/infected with HIV/AIDS

4.16 **Major Components:** The services that are strengthened/introduced and provided finances for under ICPS are:

- a. Institutional Services: Shelter Homes; Children's Homes; Observation Homes; Special Homes; and Specialized services for children with special needs
- b. Service delivery structures for the above services at Central, State and District levels
- c. Emergency outreach services for children in difficult circumstances through Childline
- d. Open shelters for children in need in urban and semi-urban areas
- e. Family-based-non-institutional care through: Sponsorship; Foster Care; Adoption; and After Care Programme
- f. Child Tracking System including a website for missing children
- g. Advocacy, public education and communication
- h. Training and capacity building
- i. General grant-in-aid for need based/innovative interventions

4.17 **Cost Sharing Ratio:** The Scheme is being implemented through the State Governments / Union Territory Administrations and the expenditure sharing ratio between the Centre and the States/NGOs is as below:

- a. 90:10 for all the scheme components for the States of the North East and Jammu & Kashmir
- b. 90:10 for all the scheme components with NGO participation

- c. 100% funding by the Centre to the Childline services
- d. 100% funding by the Centre to NIPCCD and its Regional Centres, Central Adoption Resource Agency, Central Project Support Unit, and State Project Support Units
- e. 35:65 for the States other than the North East and Jammu & Kashmir, for the statutory bodies provided under the Juvenile Justice Act, i.e., Juvenile Justice Boards and Child Welfare Committees
- f. 75:25 for other structural components in the States other than the North East and Jammu & Kashmir.

Status of Implementation:

4.18 States Brought On Board: ICPS is implemented mainly through the State Governments/UT Administrations and signing of a Memorandum of Understanding (MoU) between the Government of India and the respective State Governments/UTs is a prerequisite for implementation of the scheme. All States/UTs except Jammu & Kashmir have signed the MOU with MWCD for implementation of the scheme.

4.19 Until the introduction of the scheme, child protection was not such a priority for the States/ UT Administrations. The introduction of ICPS has been a catalyst in generating interest, both in the Government sector as well as the voluntary sector. States/UTs are now endeavoring to build a perspective, which was not done so far, on the requirement of child protection services in coordination with the civil society, and in convergence with other departments like Education, Labour and Health.

4.20 Statutory & Service Delivery Structures: Considerable progress has been made under ICPS in establishing statutory bodies. 619 Child Welfare Committees (240 before introduction of the Scheme) and 608 Juvenile Justice Boards (211 before introduction of ICPS) have so far been established all over the country. To ensure that proper focus is maintained on child protection, and quality of services is up to the mark, the Scheme envisages creating a service delivery network, exclusively for child protection, which has been provided with setting up and maintenance of 33 State Child Protection Societies, 24 State Project Support Units, 26 State Adoption Resource Agencies and 589 District Child Protection Units.

4.21 Rehabilitation & Reintegration Services: So far, in 2012-13, i.e. upto 13.03.2013 under the

Status of Integrated Child Protection Scheme [ICPS]

Year	No. of States that have signed MOUs	Budget Allocation (` in Cr.)	Amount Sanctioned (` in Cr.)	Number of Beneficiaries
2009-10	17	BE -60.00 RE -50.00	42.63	36,780
2010-11	34	BE - 300.00 RE - 100.00	115.13	92,379
2011-12	34	BE - 270.00 RE - 180.00	177.54	50,118
2012-13 (upto 13.03.2013)	34	BE - 400.00 RE- 273.20	253.84	75,052

Scheme, 232 Specialised Adoption Agencies (SAAs) and 1195 Homes of various types have been funded. These provide comprehensive rehabilitation services to children including food, clothing, day and night shelter, education, medical facilities, etc. to 75,052 children. For improving the quality of infrastructure in the

Homes, assistance has been provided this year for upgradation of 855 Homes. Grants for construction of 92 new Homes have been released for uncovered areas. Further, 172 open shelters have also been funded under ICPS which provide, inter-alia, bridge education, vocational training, food, etc. to children living on the streets.

4.22 Utilisation of Budget: In the current financial year 2012-13(upto 13.03.2013), proposals of 27 States/UTs and Childline India Foundation have been considered by the inter-ministerial Project Approval Board (PAB), set up for appraisal and approval of the financial proposals received under the Scheme. In financial year 2012-13, ` 253.84 crores have been sanctioned and released upto 13.03.2013 under the Scheme as against the previous year's expenditure of ` 177.54 crores. State-wise details of expenditure during 2011-12 and 2012-13 are at **Annexure-XX & XXI**. The budget allocation of ` 400.00 crores for the current year has been reduced to ` 273.20 crores at RE stage.

4.23 Sensitisation of State Functionaries: NIPCCD is the nodal agency for trainings and capacity building of functionaries under the ICPS. Efforts have been made this year to involve the States in imparting trainings to the ICPS functionaries including the members of two statutory bodies set up under the JJ Act, 2000, the Child Welfare Committees (CWCs) and Juvenile Justice Boards (JJBs). More than 2851 functionaries under ICPS at the State and District levels have been trained.

4.24 State Consultations held under ICPS: Integrated Child Protection Scheme (ICPS) has now been under implementation since 2009 and some States have made considerable progress in establishing of structures, assessment of needs, up gradation and setting up of services for children in difficult circumstances. Therefore, five region-wise consultations in this regard were held where each State show-cased its achievements and initiatives under the Scheme so far and shared issues and challenges faced during the course of implementation of ICPS. These regional Consultations were held at Lucknow, Bengaluru, Delhi, Pune and Guwahati.

4.25 Implementation of Trackchild:- To fast track the implementation of the software all over the country, the Ministry alongwith National Informatics Centre (NIC) has launched a country-wide training programme

for Police Officials and Child Protection Personnel. Training has already been conducted in 23 States and it is seen that already 2985 Police Stations have uploaded the data of missing and recovered children and 770 Child Care Institutions have uploaded data of children in their care. This has resulted in an increase in the number of children recovered and returned to their families. While providing support for training and handholding of the State Government in implementation of Trackchild, the Government is also urging them for speedy data entry through regular interactions and advisories.

Childline Services

4.26 Childline is a 24-hour toll free emergency outreach telephone service (1098) for children in distress, being run by the Ministry through a mother NGO - Childline India Foundation (CIF). Any child requiring assistance, or adults on their behalf, can call the service for help. Childline personnel reach out to the child and provide necessary assistance through linkages with hospitals, Child Welfare Committees, Shelter Homes, police etc. This service started in 1996 with one location, i.e., Mumbai, and by 2007-08 the number had risen gradually to 83 locations.

4.27 Under ICPS, the Ministry has undertaken expansion of the service to other parts of the country, with the final objective of covering all the districts in the XII five year Plan period. In the current year, ` 30.06 crores have been sanctioned to CIF for running the service. The Ministry has approved partner organisations for 282 locations. Childline has started functioning in 67 new locations this year and with this, the service is now available in 269 cities indicated at **Annexure-XXII**. CIF is partnering with 547 organizations for running these Childline projects in 27 States and 5 UTs. The service is likely to start in 13 more cities/districts this year, bringing the total to 282.

4.28 So far, Childline has received more than 31 lakh calls till January, 2013 during current financial year. A majority of these have been for shelter, medical assistance, protection from abuse, emotional support and guidance, information regarding referral services and missing children.

Status of Childline Services

Year	No. of Cities/ districts covered	No. of partner organisations	Grants sanctioned (Rs. in Crores)
2009-10	83	188	9.33
2010-11	125	298	17.89
2011-12	205	449	23.16
2012-13 (up to 13th March, 2013)	269	547	30.06

(2) Scheme for Welfare of Working Children in Need of Care and Protection

4.29 **Objective:** The objective of the scheme is to provide opportunities for non formal education and vocational training to working children to facilitate their entry/re-entry into mainstream education in cases where they have either not attended any learning system or where, for some reasons, their education has been discontinued. The Scheme lends support to projects only in urban areas and does not support projects in areas covered by the existing schemes of the Ministry of Labour & Employment.

4.30 **Target Group:** This Scheme provides support for the holistic development of child workers and potential child workers, especially those with none or ineffective family support such as children of slum/pavement dwellers/drug addicts, children living on railway platforms/along railway lines, children working in shops, dhabas, mechanic shops, children engaged as domestic workers, children whose parents are in jail, children of migrant/sex workers, leprosy patients, etc.

4.31 **Components:** The programme components are:

- a) Facilitating introduction and/or return to the mainstream education system as children at study are not children at work.
- b) Counseling of parents, heads of families, relatives of the children so as to prevent their exploitation, and
- c) Vocational training wherever necessary.

4.32 The Scheme is operated through the voluntary sector and Non Governmental Organizations are eligible for financial assistance to set up composite centers under this scheme. The Ministry provides 90 per cent financial assistance and the concerned organization is required to bear 10 per cent of the expenditure on the project as per the norms of the scheme. The budget allocation for the current financial year under this scheme is ` 10.00 crore and ` 8.34 crores have been sanctioned so far for 104 projects, benefiting 10,400 children. Grant-in-aid released under the Scheme during 2011-12 and 2012-13 (upto 13th March, 2013) are at **Annexure-XXIII & XXIV**.

Scheme for Welfare of Working Children in Need of Care and Protection

	2011-12	2012-13 (Up to 13th March, 2013)
Budget Allocation	` 10.00 Crore	` 10.00 Crore
No. of Projects supported	98	104
No. of Beneficiaries	9,800	10,400
Total amount sanctioned	` 9.65 Crores	` 8.34 Crores

4.33 An evaluation of the scheme was conducted by NIPCCD during the year 2009-10. The Scheme was largely found to be achieving desired results of mainstreaming

beneficiary children. However, subsequent to the evaluation, a Committee was set up in the Ministry to suggest changes in the scheme, based on the outcomes of the evaluation. The Committee has

recommended that, as the Open Shelter component of the Ministry's newly introduced scheme, Integrated Child Protection Scheme provides similar services under its Open Shelter component, albeit with better norms and procedures, the projects under the Scheme for Welfare of Working Children be covered under ICPS and this scheme be phased out. No new projects are, therefore, being considered under the Scheme.

(3) Rajiv Gandhi National Creche Scheme for the Children of Working Mothers

4.34 Rajiv Gandhi National Creche Scheme for the Children of Working Mothers provides Day Care facilities to children in the age group 0-6 years from families with monthly income of less than ` 12000/- . In addition to being a safe space for the children, the crèches provide services such as supplementary nutrition, pre-school education and emergency health care, etc.

4.35 The scheme envisages implementation through the Central Social Welfare Board (CSWB), Indian Council for Child Welfare (ICCW) and Bhartiya Adim Jati Sevak Sangh (BAJSS). In view of the complaints regarding irregularities in management of crèches by BAJSS, 5,522 creches were temporarily transferred to CSWB with effect from 18th November, 2008. The irregularities have been enquired into by the CVO of the Ministry and based on the findings of the CVO, the case has been referred to CBI for further investigation. The report of CBI is awaited.

Financial Norms

4.36 The scheme provides grant of ` 3532 per month for a crèche, limited to 90% of the schematic pattern or actual expenditure, whichever is less; and the remaining expenditure is borne by the implementing agencies. Honorarium to Crèche workers is fully funded under the scheme. The details for grant admissible are as under:-

Recurring grant

Components	Ceiling of expenditure (in `)	Grant (in `)
Honorarium to two crèche workers per crèche @ ` 1000.00 per creche	2000.00 per month	2000.00 (100%)
Supplementary nutrition per crèche for 25 children for 26 days @ ` 2.08 per child	1352.00 per month	1217.00 (90%)
Emergency medicines and contingencies per creche	350.00 per month	315.00 (90%)

Non-recurring grant

Components	Ceiling of expenditure (in `)	Grant (in `)
Purchase of consumable stores once at the time of opening of new creche@ ` 10000.00 per creche	10000.00 per creche	10000.00 per creche
Replacement of old consumable stores at an interval of five years @ ` 5000.00 per creche.	5000.00 per creche	3000.00 per creche

Monitoring of Creches

4.37 The Scheme has in-built component of monitoring of Creche. State-wise independent monitoring agencies have been identified which include schools of Social Work, Women's Studies Centres and other reputed agencies. Grant for monitoring of Creches is given @ ` 700.00 per crèche visited and inspected and a lump sum one time grant of ` 10000.00 to each monitoring agency. Every crèche is required to be inspected at least once in a period of two years.

4.38 The number of functional Crèches as reported by the implementing agencies is as under:

Sl. No.	Name of agency	Number of creches
1.	CSWB	16,075
2.	BAJSS (Temporarily transferred to CSWB)	2,519
3.	ICCW	5,191
	Total	23,785

The State-wise detail for functional Creches is at **Annexure-XXV**.

4.39 Details of funds allocated and sanctioned is as under:

Year	Allocation	Sanctioned	No. of beneficiaries
	(in crores)		
2010-11	70.00	69.36	5,64,975
2011-12	95.00	73.84	5,94,625
2012-13	110.00	93.68*	5,94,625

* till 28.2.2013

III. GIRL CHILD

4.40 The Girl Child continues to be the most vulnerable member of civil society in India. The 2011 Census shows that there has been an improvement in social indicators such as literacy and the gender gap in effective literacy rate and that the overall sex ratio has improved from 933 to 940. However, at an age-group wise dis-aggregated level, the Census shows a decline in the ratio of girls per thousand boys in the 0 to 6 age group, i.e. in the Child Sex Ratio as compared to 914 in 2011 from 927 in the 2001 Census. The latest Census clearly shows that decline in Child Sex Ratio has now been witnessed in as many as 22 States and 5 Union Territories. The National Family Health Survey-3 data on under nutrition in children below 5 years had already flagged that 43% of girls are under-nourished.

4.41 Several measures are being undertaken to check the declining sex ratio which include discouraging the use of sex selection techniques as well as encouraging and rewarding the girl child. While the Pre-Natal Diagnostic Techniques (Prohibition of Sex Selection) Act, 1994 is being administered by the Ministry of Health and Family Welfare,

the Ministry of Women and Child Development has taken a number of initiatives to enhance the status of girl child.

National Girl Child Day

4.42 January 24 has been declared "National Girl Child Day" since 2009. To mark the occasion, the Ministry of Women and Child Development organized a panel discussion and deliberations on the theme 'Declining Child Sex Ratio: Issues and Challenges' on 24th January, 2013, with participation from various arms of the Government as well as NGOs from various discipline. The function was presided over by MOS (I/C) Smt. Krishna Tirath. It was observed during the discussions that there were sharp falls in the child sex ratios in many States that reflected a National trend cutting across class and the rural–urban divide. For meeting the challenge, the importance of three 'A's, i.e. Advocacy, Awareness and Affirmative action were underlined by the participants.

4.43 Since in the life-cycle approach, nutrition is critical for children and especially for the girl child, a 'Nutrition Calendar' of Food and Nutrition Board of Ministry was released on the occasion. The event was well-attended and well-received by Development Partners and representatives from NGOs and related Government Departments.

Sectoral Innovation Council on Child Sex Ratio

4.44 The Ministry has set up a Sectoral Innovation Council to look at the entire gamut of issues connected with the declining child sex ratio, identifying interventions which have worked and also to suggest innovative strategies, approaches and methods of intervention to address the declining in CSR problem. Several meetings of the council have been held and it has been proposed that the council members will provide key recommendations under the following three sub heads:

1. Legal framework and the related issues like Technology, violations and enforcement.
2. Policies & programmes for the girl child and their implementation
3. Advocacy, awareness and ethical issues-innovative approaches

All the three sub-groups have had meetings and the Council has submitted its final report to the Ministry.

4.45 The Inter-Ministerial Coordination Committee (IMCC) under the Chairmanship of Cabinet Secretary, Ministry of Women and Child Development (MWCD) comprising officials of Ministries/ Departments at senior level from: (a) Planning Commission (b) Ministry of Health and Family Welfare (c) Department of School Education and Literacy (d) Department of Financial Services (e) Ministry of Information and Broadcasting (f) Ministry of Drinking Water and Sanitation is enjoined to prepare a draft National Plan of Action for effectively tackling declining child sex ratio. The Working Group has since been notified.

Dhanlakshmi - Conditional Cash Transfer for Girl Child

4.46 A pilot Scheme Dhanlakshmi was launched on 3 March, 2008 with the objective of:

- Providing a set of staggered financial incentives for families to encourage them to retain the girl child and educate her.
- Changing the attitudinal mindset of the family towards the girl, by looking upon the girl as an asset rather than a liability, since her very existence has led to cash inflow to the family.
- Cash transfers are made under the Scheme to the family of the girl child (preferably the mother) on fulfilling the following conditions:
 - Birth registration of the girl child
 - Progress of immunization
 - Full immunization
 - Enrolment in school and retention in school.

4.47 “Dhanlakshmi” is being implemented in 11 Blocks across seven States on pilot basis and is being implemented by the State

Governments through the District Authorities. While in the year 2012-13, ` 4.61crore was released for **67,640** beneficiaries, no releases were made during 2011-12. Amount released to State Governments under Dhanlakshmi Scheme during 2012-13 are as under :

Sl. No.	Implementing Agency	Amount (in `)
1.	State Government of Punjab, Sirhind Block, District Fatehgarh Sahib	1,24,49,075/-
2.	State Government of Chhattisgarh, Jagdalpur Block, District Baster	1,09,99,557/-
3.	State Government of Andhra Pradesh, Narsampet Block, District Warangal	1,71,09,246/-
4.	State Government of Jharkhand, Markochar Block, District Koderma	55,39,474/-
Grant Total		4,60,97,352/-

Child Marriage

4.48 Child marriage is a violation of child rights. According to National Family Health Survey (NFHS-3), it was estimated that around 47% of married women in the age group of 20-24 years were married before attaining the age of 18 years. In particular, child marriage has serious health repercussion on girls, such as frequent pregnancies, miscarriages and early motherhood.

4.49 The Prohibition of Child Marriage Act (PCMA), 2006 was enacted repealing the Child Marriage Restraint Act of 1929, and the Act came into force on 1st November, 2007. PCMA, 2006 makes child marriage an offence and prescribes punishment for those conducting/abetting/promoting/permitting/solemnizing child marriage. It provides powers to the State Governments to appoint Child Marriage Prohibition Officers (CMPO) and makes child marriages voidable at the discretion of the child concerned on attaining legally marriageable age.

4.50 The Ministry has also developed a **Handbook on PCMA, 2006** in collaboration with United Nations Children's Fund (UNICEF) and HAQ-Centre for Child's Right. The Ministry had requested the State Governments and UT Administrations to frame rules under the Act and

appoint Child Marriage Prohibition Officers. So far, 28 States and UTs have framed rules under the PCMA, and another set of 28 States have appointed CMPOs, details of which are at **Annexures-XXVI & XXVII**. However, on ground, implementation of PCMA, 2006 has not been as effective as was expected.

4.51 In order to provide inputs for strengthening the implementation of PCMA 2006 and to deliberate upon the modalities of holding a national consultation on the issue, the Ministry has set up a Core Group under the chairpersonship of Secretary, Ministry of Women and Child Development, involving concerned Ministries, NGOs, academic and research bodies, media and other experts. As a result, a National Consultation on Child Marriage was held on 25th May, 2012. The Consultation identified the need for developing a National Action Plan for prevention of child marriages in the country and to provide a common platform for understanding the issue. A core committee was also set up drawing

members from the Core Group to formulate a draft strategy paper, as a guiding principle for drawing up the National Action Plan. The draft strategy paper has been prepared and circulated among core group members.

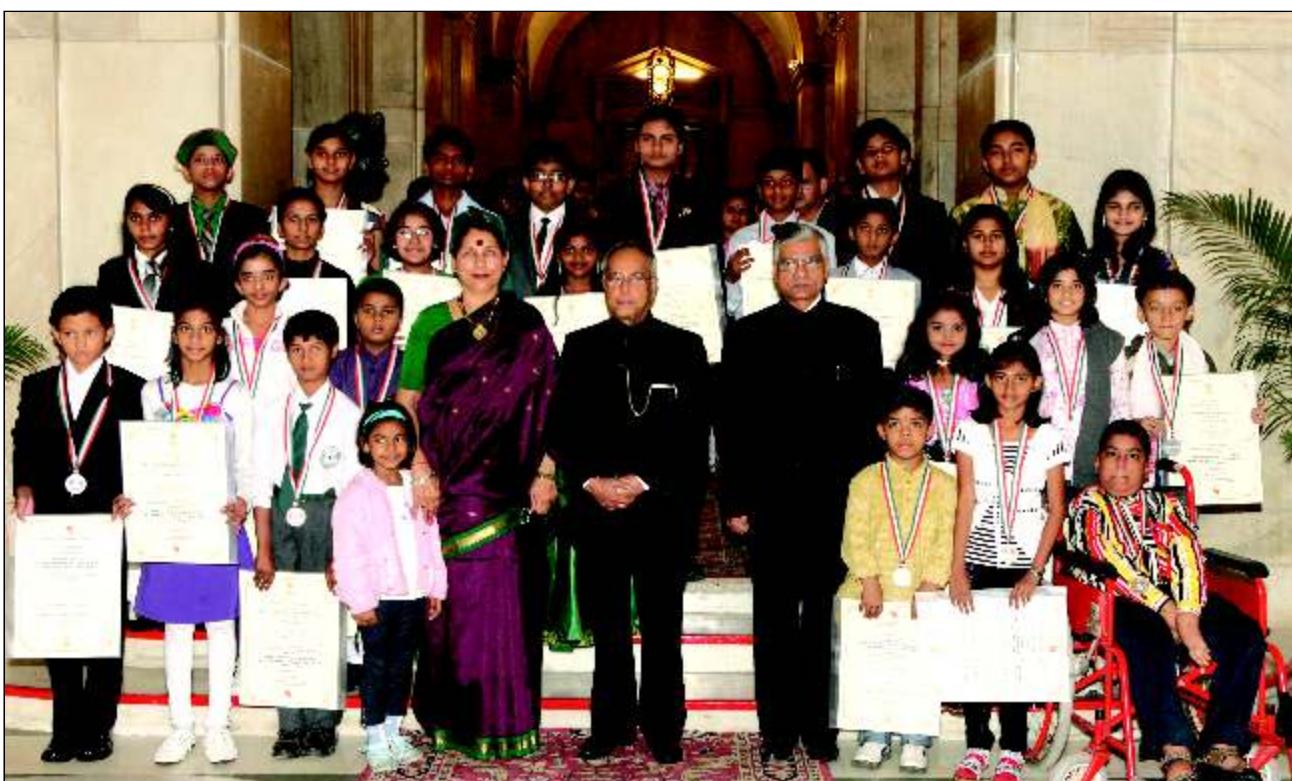

IV. NATIONAL AWARDS

National Child Award for Exceptional Achievement

4.52 The National Child Award for Exceptional Achievement was instituted in 1996 to give recognition to children with exceptional abilities who have achieved outstanding status in various fields including academics, arts, culture and sports etc. One Gold Medal and 35 silver Medals (one for each State/UT) are to be given annually.

The Award consists of :

- (A) One Gold Medal A cash prize of ` 20,000/-
- (B) Thirty five Silver Medals with cash prize @ ` 10,000/- for each awardee.

Awardees of the national child award with Hon'ble President of India and MoS (I/C), WCD at Rashtrapati Bhawan, New Delhi

4.53 The Awards for the year 2012 were presented by the President of India at a function organized by the Ministry on 14th November, 2012 at Rashtrapati Bhavan, New Delhi. The list of Awardees is enclosed at **Annexure-XXVIII**.

National Award for Child Welfare

4.54 The Award was instituted in 1979 to honour five institutions and three individuals for their outstanding performance in the field of child welfare. The National Award for Child Welfare includes a cash prize of ` 3 lakh and a certificate for each institution and ` 1 lakh and a certificate for each individual.

4.55 The Awards for the year 2011 were presented by the President of India at a function organized by the Ministry on 14th November, 2012 at Rashtrapati Bhavan, New Delhi. The list of Awardees is enclosed at **Annexure-XXIX**.

Rajiv Gandhi Manav Seva Award

4.56 This Award was instituted in 1994 to honour individuals who make outstanding contribution towards service for children. The

Award is given to three individuals who have done outstanding work in the fields of child development, child welfare and child protection. The Award carries a cash prize of ` 1 lakh, and a citation.

4.57 The Awards for the year 2011 were presented by the President of India at a function organized by the Ministry on 14th November, 2012 at Rashtrapati Bhavan, New Delhi. The list of Awardees is enclosed at **Annexure-XXX**.

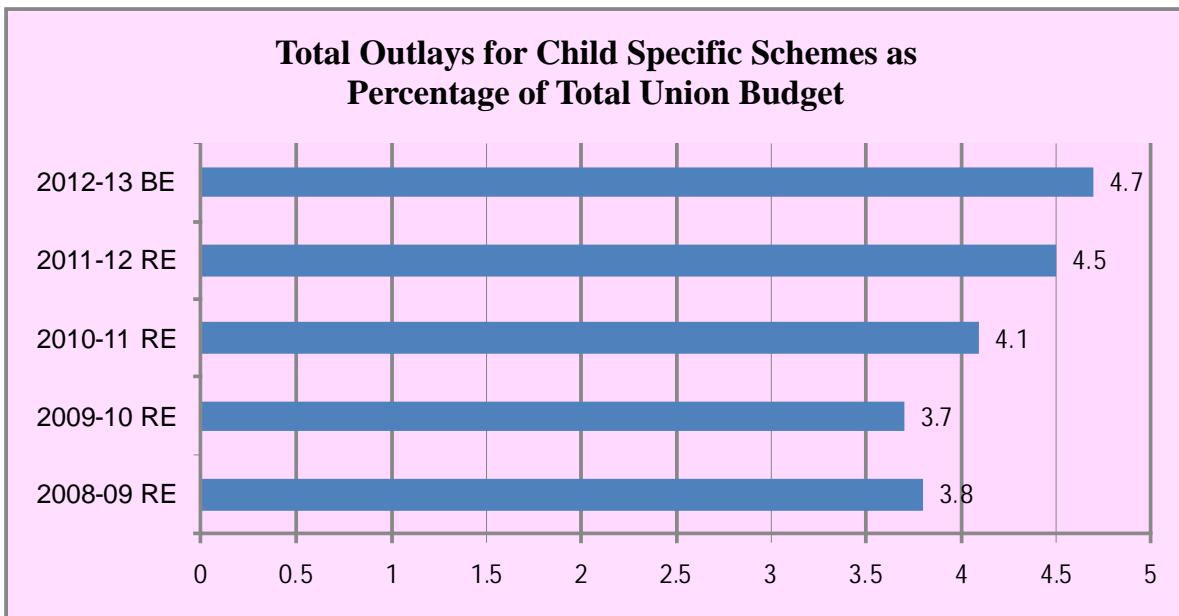

V. CHILD BUDGETING

4.58 Public expenditure meant for the development of the general population can be expected to have some benefits for children as well. However, since children comprise one of the largest disadvantaged sections of Indian society, there is a strong case for identifying the proportion of public expenditure meant for addressing the needs of children in particular. This requires the segregation of schemes meant specifically for addressing the needs of children, from other development schemes. The total magnitude of budget outlays on child specific schemes is referred to as the 'Child Budget.' Thus, the 'Child Budget' is not a separate budget but a part of the total government budget.

4.59 A Statement on 'Child Budgeting' was introduced in the Union Budget for 2008-09 (i.e. Budget Provisions for Schemes for the Welfare of Children, Statement 22, Expenditure Budget Vol. I, Union Budget 2008-09). This statement has been carried over in subsequent Union Budgets, and captures all child-specific schemes in the Union Budget. In 2008-09, when the 'Child Budgeting' statement was introduced in the Union Budget, the "Demands for Grants" with child-specific schemes included those of the Ministries of Women and Child Development, Human Resource Development, Health and Family Welfare, Labour and Employment, Social Justice and Empowerment, Tribal Affairs, Minority Affairs, and Youth Affairs and Sports. The 'Child Budgeting' statement now covers 18 "Demands for Grants" (including Union Ministries/Departments

of Atomic Energy, Industrial Policy and Promotion, Posts, Telecommunication, and Information and Broadcasting among others), marking a significant increase from an initial

eight “Demands for Grants” in 2008-09. The following diagram shows total outlays for child specific schemes as percentage of total Union Budget:

Source: Budget Provisions for Schemes for the Welfare of Children, Statement 22, Expenditure Budget Vol.I, 2011-2012, Union Budget, 2008-2009, 2009-2010, 2010-2011, 2011-2012, 2012-2013 Government of India.

Gender Budgeting

Towards a New Dawn

Gender Budgeting

5.1 The rationale for gender budgeting arises from recognition of the fact that national budgets impact men and women differently through the pattern of resource allocation and priority accorded to competing sectors. Women constitute 48% of India's population, but they lag behind men on many social indicators like health, education, economic opportunities, etc. Hence, they warrant special attention due to their vulnerability and lack of access to resources. The way Government budgets allocate resources has the potential to transform gender inequalities. Looking to the huge potential of Government budgets to make positive changes in gender dimensions of society, in recent years, Gender Budgeting has been propagated at national and international levels as a tool.

5.2 Gender Budgeting is not an accounting exercise but an ongoing process to ensure that benefits of development reach women as much as men. It entails maintaining a gender perspective at various stages like programme/policy formulation, assessment of needs of target groups, review of existing policies and guidelines, allocation of resources, implementation of programmes, impact assessment, reprioritization of resources, etc. *A gender responsive budget is the culmination of this process.*

5 . 3 Gender Budgeting involves dissection of the Government budget to establish its gender-differential impacts and to translate gender commitments into budgetary commitments. It does not seek to create a separate budget but to provide affirmative action to address the specific needs of women. It goes beyond allocation of resources for women, to cover tracking the utilization of

allocated resources, impact analysis and beneficiary incidence analysis of public expenditure and policy from a gender perspective.

5. 4 Critical activities constituting the gender budgeting exercise thus include :

- a) Addressing gap between policy commitment and allocation for women through adequate resource allocation and gender sensitive programme formulation and implementation.
- b) Mainstreaming gender concerns in public expenditure and policy.
- c) Gender audit of public expenditure, programme implementation and policies.

Mandate for Gender Budgeting in India

5.5 In 2004-05, the Ministry of Women and Child Development adopted "**Budgeting for Gender Equity**" as a Mission Statement. The Ministry of Women and Child Development (MWCD) as the nodal agency for Gender Budgeting has been undertaking several initiatives for taking it forward at the National and State levels. The Ministry **has been following a three pronged strategy to pursue the process of Gender Budgeting in the country:**

- I. Placing emphasis on and advocating for setting up of gender budgeting **structures/mechanisms** in all Ministries/ Departments of the Government;
- II. Strengthening internal and external **capacities and building expertise** to undertake gender mainstreaming of policies/schemes/ programmes; and
- III. Initiating the exercise of **gender auditing** of existing programmes, which would then

feed into addressing gaps and strengthening service delivery mechanisms.

5.6 The Eleventh Five Year Plan (2007-2012) reiterated the commitment to Gender Budgeting and clearly stated that, 'gender equity requires adequate provisions to be made in policies and schemes across Ministries and Departments. It also entails strict adherence to gender budgeting across the board'.

5.7 Over the years focus has been particularly laid on institutionalizing the process by creation of systems and

mechanisms. Very recently, the Ministry issued guidelines to the Chief Secretaries of all States to pursue Gender Budgeting across all levels and sectors.

5.8 The Twelfth Five Year Plan (2012-2017) already considered by the National Development Council has also emphasised that the process of Gender Budgeting will be further strengthened and its reach extended to all Ministries, Departments and State Governments. The following Box 1 illustrates the vision for mainstreaming gender through Gender Budgeting in future.

Box 1. Mainstreaming gender through Gender Budgeting (GB)

- ✓ The process of GB will be further strengthened
- ✓ Reach to be extended to all Ministries, Departments and State Governments.
- ✓ Steps will be taken to further institutionalise the Gender Budgeting processes by strengthening and empowering the Gender Budgeting Cells(GBC)s.
- ✓ The suggested area of work in the Charter for GBCs will be included in the quarterly/half yearly/annual plan of action.
- ✓ A comprehensive evaluation of GBC will be undertaken
- ✓ Scope of the Gender Budgeting Statement (GBS) to be expanded to cover all Union Ministries/ Depts.
- ✓ Format and the methodology of the Gender Budget Statement to be reviewed.
- ✓ Make gender clearance and specific approvals of GBCs mandatory for new PPS.
- ✓ Modify EFC formats to include confirmation that the scheme has been examined by the Gender Budgeting Cell(GBC) of the Ministry.
- ✓ Functioning of Gender Budget Cells to be reviewed by Gender Task Force.

I. SETTING UP STRUCTURES AND MECHANISMS FOR GENDER BUDGETING

Creating Structures at Ministry/ Department level

5.9 It has been prescribed since 2004-05 that Gender Budgeting Cells (GBC) should be set up in all Ministries / Departments. The Ministry of Finance in consultation with Ministry of Women and Child Development had issued a Gender Budget Charter on March 8, 2007. The Charter laid down guidelines for composition and functions of the Gender Budgeting Cells which is at **Annexure-XXXI**.

5.10 The Ministry of Women and Child Development has been continuously and actively pursuing with Ministries for setting up of Gender Budgeting Cells (GBCs). So far, 56 Ministries/Departments have set up Gender Budgeting Cells. These Cells are expected to serve as focal points for coordinating Gender Budgeting initiatives, both intra and inter-ministerial. The Ministry of Women and Child Development is working towards building their skills and competence to enable them to play a more proactive role in gender mainstreaming of policies, programmes and budgets of their Departments.

Box:2 Making GBCs more Visible

One of the Results Framework Document (RFD) target for Gender Budgeting in the year 2012-13 was activation of Gender Budget Cells (GBCs). As a first step towards this, it was felt that the Office Orders of the Constitution of GBCs need to be made available in public domain, so as to promote greater visibility to the GBCs. During the year, office orders of 28 GBCs have been collected for uploading in the MWCD website.

Another mode of greater visibility to the work on GB is reporting in the Outcome Budget/RFD documents and Annual Reports of various Ministries and Departments. A stock taking of such reporting was thus undertaken during the year and it was found that 26 Ministries/Departments with GBCs are reporting in the Outcome Budget/RFD documents and 41 Ministries/Departments also report on women/gender issues in some form or the other in their Annual Reports.

Gender Budget Statement

5.11 An important step taken in the direction of Gender Budgeting in the country was the incorporation of the Gender Budget Statement (Statement 20) as a part of the Expenditure Budget Document Volume 1. Herein the Gender Budgetary allocations are reflected in a two-way classified Gender Budgeting Statement. The first part of the Statement, Part A includes schemes with 100% allocation for women while Part B of the Statement includes schemes/programmes with 30% to 99% allocation for women. Box 3 shows the allocations for women as reflected in the Gender Budget Statement over the years.

Box: 3 Allocations for women as reflected in Gender Budget Statement (Statement 20)

Year	No. of Ministries/ Departments (No. of Demands)	Total Magnitude of Gender Budget (BE) (in ` crore) (Percentage in terms of total budget)
2005-06	9 (10)	14,378.68 (2.79%)
2006-07	18 (24)	28,736.53 (5.09%)
2007-08	27 (33)	31,177.96 (4.5%)
2008-09	27 (33)	27,661.67 (3.68%)
2009-10	28 (33)	56,857.61 (5.57%)
2010 -11	28 (33)	67,749.80 (6.11%)
2011-12	29 (34)	78,251.02 (6.22%)
2012-13	29 (34)	88,142.80 (5.91%)
2013-14	30(35)	97,133.70 (5.83%)

5.12 The Ministry had also undertaken an expert group consultation for discussing ways of improving methodology of reporting and presentation of the Gender Budget Statement. The recommendations from the expert group have been compiled and MWCD has plans to hold consultations with the Department of Expenditure to take this forward.

Definition of Gender Sensitive Parliament

5.13 During the year 2012-13, the Inter-Parliamentary Union had discussed the comprehensive definition of what should constitute a Gender Responsive Parliament. MWCD had suggested to the Indian Delegation a comprehensive definition of a Gender Sensitive Parliament in the context of India, which inter alia highlighted that Gender Responsive Budgeting is an important tool towards a Gender Sensitive Parliament.

Box:4 Suggested Definition of Gender Sensitive Parliament

“A Gender-Sensitive Parliament is one that responds to the needs and interests of both men and women in its composition, structures, systems and practices; and ensures that its operations and resources are used effectively towards promoting gender equality.”

Wherein:

Composition: How many women in Parliament?

Structures: Whether there are Committees with representation of women MPs and/or for the cause of women?

Systems and Practices : Whether Parliamentary method of conducting business and prioritizing business address concern of women?

Operations: Whether systems and practices translate into gender equity in transaction of Parliamentary business?

Resources: Whether it ensures Gender Responsive Budgeting?

5.14. The Twelfth Five Year Plan that has been discussed by the National Development Council has inter alia recommended that gender concerns are reflected in the design and planning of all Government projects and programmes. A vital strategy towards this would be the inclusion of the issue of gender in the formats of the Expenditure Finance Committee (EFC) Memorandum of the Ministry of Finance (MoF). MWCD has plans to hold consultations with the Department of Expenditure to take this forward.

5.15 The Ministry has also developed detailed guidelines for streamlining the process of Gender Budgeting in all states and UTs and has circulated the same to the States and UTs. The guidelines have been developed keeping in mind the need to bring about consistency among all states and reiterate the need for adoption of Gender Budgeting across the board.

II. CAPACITY BUILDING INITIATIVES

Workshops and Trainings

5.16 **A Plan Scheme for Gender Budgeting** was launched in the year 2008 during the Eleventh Plan period, for conducting trainings/workshops, capacity building, research surveys, etc. Under the Scheme, inter alia, the Ministry undertakes many programmes as well as provides financial support to Central/ State Government agencies, for the purpose. This scheme is being continued in the Twelfth Plan. As per the recommendation of the Ministry of Finance, an independent evaluation of the scheme is also being undertaken by NABARD Consultancy services (NABCONS).

5.17 An outlay of ` 1.00 crore was allocated for the Scheme in the year 2012-13, for conducting various training programmes and workshops on Gender Budgeting. During the current year, till the end of December 2012, 10 training programmes /workshops on the subject were organized by the Ministry in collaboration with Institutes such as Lal

Gender Budgeting Workshop for Officers of Central Ministries/Departments at LBSNAA, Mussoorie during 6-7 June, 2012

Bahadur Shastri National Academy of Administration (LBSNAA), Indian Institute of Public Administration (IIPA), National Institute of Rural Development (NIRD), Hyderabad, Rajasthan Police Academy (RPA), Jaipur and the State Governments for different groups of stakeholders. These included trainings for officers of various Ministries/ Departments of Central Government as well as State level functionaries. A specific focus of trainings this year was on promoting Gender Budgeting in local Governance both Panchayati Raj Institutions and Urban Local Bodies.

5.18 Apart from organizing training programmes, technical resources were provided at workshops organized by other agencies. A list of activities undertaken by the Ministry during 2012-13 is at **Annexures-XXXII & XXXIII**.

5.19 The training programmes are focused on increasing awareness about the need and importance of Gender Responsive Budgeting along with the framework and tools to undertake Gender Budgeting. A participatory methodology is followed using a variety of case studies and group exercises which can enable the participants to take forward the process in their respective areas of work.

Gender Budgeting workshop for Rural Development Officers at NIRD, Hyderabad

5.20 Some initiatives and outcome due to activities of the Gender Budgeting Cells at the various Central Ministries/Departments are outlined as follows :

- ✓ In 2012-13, the Ministry of New and Renewable Energy for the first time reported in the Gender Budget Statement.

✓ The Gender Budgeting Cell of Ministry of Panchayati Raj has identified two schemes for undertaking gender analysis. The Ministry has also issued guidelines to States for having special Mahila Sabhas/ Gram Sabhas on Women's issues in the month of October every year as a part of further promoting women's participation in

the planning process. The Ministry of Panchayati Raj is also focusing on the issue of Declining Child Sex Ratio as a part of its convergence initiatives.

- ✓ The Gender Budgeting Cell of Ministry of Commerce has also initiated efforts towards collection of sex disaggregated data in its beneficiary oriented programmes
- ✓ The Gender Budgeting Cell in Department of Agriculture and Cooperation has promoted mandating of minimum 30% funds for women farmers under all the beneficiary oriented programmes / schemes and is now assessing gender contents and generating 'gender disaggregated data' through revising reporting and

monitoring formats to generate the same. The Department has also initiated an innovative process of nominating Gender Coordinators in all the Programme Divisions. The Gender Budgeting Cell is now contemplating undertaking of Gender Budgeting and Auditing in Human Terms.

5.21 The training programmes of the Ministry of Women and Child Development have also facilitated adoption of Gender Budgeting by many State Governments. States like Madhya Pradesh, Chhattisgarh, Karnataka, Bihar, Uttarakhand, Kerala, Odisha, Himachal Pradesh, Rajasthan and Jammu & Kashmir have undertaken various Gender Budgeting initiatives. In May 2012, the Ministry initiated a stock taking process to understand the progress made by States on Gender Budgeting. A summary of Initiatives by State which have shared their progress is given in Box 5.

Interaction with Ministries

5.22 The Ministry has been focusing on mainstream Ministries / Departments which have large budgetary allocations but are perceived as “gender neutral” due to the constitution of their programmes/schemes

which are not beneficiary focused. Apart from training programmes, the Ministry organizes one-to-one discussions with senior officials of such Ministries to provide orientation on gender issues within their sectors. This orientation serves as the first step to introduce the concept of Gender Budgeting in these Ministries/Departments.

A meeting was convened by the **Ministry of Drinking Water Supply and Sanitation** for strengthening the Gender Budgeting Cell of the Ministry on 1st March 2013, under the Joint-Chairmanship of Joint Secretary (Water) and Joint Secretary (Sanitation). The Ministry of Women and Child Development was invited to participate in the meeting wherein issues related to the

- (i) Revision of Integrated Management Information System (IMIS) for collection of information on current provisions for women/girls,
- (ii) Need assessment of gender-specific water/sanitation priorities,
- (iii) Understanding of the state of sanitation provision in public places,
- (iv) Survey of presence/absence of public and school facilities w.r.t. conditions, availability, and quality of those services,
- (v) Extent of public/private provision for women's/girl's menstrual needs,
- (vi) Focused IEC highlighting the gender dimensions and
- (vii) Understanding the gender-differentiated impacts of public expenditure on water supply and sanitation were discussed.

Development of Resource Material

5.23 In collaboration with UNDP, UN Women and International experts, the Ministry had developed a Handbook on Gender Budgeting for Gender Budget Cells as well as a Training Manual for Ministries and Departments of Government of India. The objective of the Training Manual is to create a core group of Trainers who in turn shall facilitate Gender Budgeting Trainings in their respective Ministries and Departments.

5.24 The Ministry has also developed a Strategic Framework of Activities and a range

of tools which can be applied at different stages of the budget making process for ensuring gender equitable outcomes of all programmes and schemes of the Government. Some of these tools constitute different entry points, such as, Spatial Mapping; Participatory Planning and Budgeting; Gender Based Profile of Public Expenditure; Impact Analysis through Monitoring, Evaluation and Field Level Surveys, and Guidelines for Gender Sensitive Review of Public Expenditure and Policy (in the form of Checklist I and II is at Box 6 and 7 for undertaking Gender Budgeting activities

Box : 6

Checklist I for Gender Specific Expenditure

Checklist I for Gender Specific Expenditure

Conventionally, gender budget analysis, by way of isolation of women related expenditure, has been carried out for Ministries/Departments like Health and Family Welfare, Rural Development, Human Resource Development, Urban Employment and Poverty Alleviation, Youth and Sports Affairs, Labour, Social Justice and Empowerment, Tribal Affairs, Drinking Water, Small Scale Industries and Agro and Rural Industries, Science and Technology, Non-Conventional Energy Sources, Textiles and Agriculture.

Suggested steps that may be undertaken by these various Ministries/Departments who are running programmes/schemes of a gender specific nature i.e. where the targeted beneficiaries are primarily women are as follows:

Planning and Budgeting

List of schemes and programmes which are gender specific

Briefly indicating **activities undertaken** under the programme for women.

Indicating expected **output indicators** like number of women beneficiaries, increase in employment of women, post project increase in resources/income/skills etc.

Quantifying allocation of resources in annual budget and physical targets thereof.

Assessing **adequacy of resource** allocation in terms of population of targeted beneficiaries that need the concerned schematic intervention, the trend of past expenditure etc.

Performance Audit

Reviewing actual performance- physical and financial vis a vis the annual targets and **identifying constraints** in achieving targets (like need for strengthening delivery infrastructure, capacity building etc.)

Carrying out **reality check- Evaluation of programme intervention**, incidence of benefit, identifying impact indicators like comparative status of women before and after the programme, etc

Compiling a trend analysis of expenditure and output indicators and impact indicators.

Future Planning and Corrective Action

Addressing constraints identified from step (vi) above.

Establishing requirement of Resources in terms of population of targeted beneficiaries/ magnitude of perceived problems like IMR, MMR, literacy ratio etc.

Reviewing **adequacy of resources** available – financial and physical like trained manpower etc.

Planning for **modification in policies and/or programmes/schemes** based on results of review.

Box:7

Checklist II Gender Analysis for Mainstream Sectors

Mainstream sectors like Defence, Power, Telecom, Communications, Transport, Industry, Commerce etc. may consider adopting the following check list to determine the gender impact of their expenditure.

- i. **List of all programmes** entailing public expenditure with a brief description of activities entailed.
- ii. Identifying target group of beneficiaries/**users**.
- iii. **Establishing whether users/beneficiaries** are being categorized by sex (**male/female**) at present and if not to what extent would it be feasible.
- iv. Identify possibility of undertaking **special measures** to facilitate **access of services for women**- either through affirmative action like quotas, priority lists etc. or through expansion of services that are women specific like all women police stations, women's special buses etc.
- v. Analysing the **employment pattern** in rendering of these services/programmes from a gender perspective and examining **avenues to enhance women's recruitment**.
- vi. Focus on **special initiatives** to promote **participation of women** either in employment force or as users.
- vii. Indicating the extent to which **women are engaged in decision-making** processes at various levels within the sector and in the organizations and initiating action to correct gender biases and imbalances.

These exercises can be commenced by each Ministry/Department of the Government, to start with, for a few select programmes/schemes which may be selected either in terms of their perceived gender impact, or the selection can be based on considerations of heaviest budget allocation. Based on the result of carrying out the above steps, the gender budgeting exercise may be institutionalized in the manner detailed in checklist.

III. GENDER AUDIT OF SCHEMES

5.25 The third important aspect of Gender Budgeting is undertaking a gender analysis / audit of specific schemes. The Ministry plans to take up Gender Audit of a few critical schemes with focus on the analysis of the programme/ scheme guidelines; actual allocations, the beneficiary incidence / impact analysis, and on the delivery mechanisms. The results would then feed into addressing gaps and strengthening service delivery mechanisms of the schemes.

5.26 The Ministry of Women and Child Development had in November 2011 conducted a Brainstorming Workshop for developing a framework for Gender Audit. Based on the recommendations of the workshop in March 2012, the Ministry formed a Working Group for developing Gender Audit Guidelines of policies, programmes and schemes of Government of India. Eminent

experts in the field of Gender Budgeting and Audit as well as representatives of Comptroller and Auditor General (CAG) and Central Statistical Organisation (CSO) were part of the working group. The Working Group has recently submitted its report to the Ministry.

Guidelines for Institutionalising Gender Budgeting in States

5.27 In the Ninth Five Year Plan, the **Women's Component Plan (WCP)** was introduced as a strategy to ensure not less than 30 per cent of the Plan allocation flow to women. The focus of the WCP however is limited to the Plan budget and remains confined to women specific sectors. Thus during the Eleventh plan, emphasis was laid on **Strict adherence to Gender Budgeting across the board**.

5.28 While many States have adopted Gender Budgeting, it has been observed that some States are still pursuing the WCP. In this line, it is clarified that WCP should no longer be used as a strategy at

the State level. In its place, **States are advised to adopt Gender Budgeting at all levels of governance and across all sectors.**

5.29 With the objective of facilitating the approach of Gender Budgeting, States are advised to take the following steps (if not already undertaken):

- 1) States may issue a **formal notification regarding the adoption of gender budgeting** by all Departments in the States respective of whether they focus on social/women specific issues. Apparently “gender neutral” programmes are not necessarily gender neutral in the impact they have, when seen through gender lens. Hence sectors like Power, Telecom, Communications, Transport and Industry, etc. should also be included in the scope of Gender Budgeting.
- 2) A similar notification may also be issued to **Municipal Bodies and Zilla Panchayats**.
- 3) A **High Powered Committee / Task Force on Gender Budgeting** may be set up on each State with representation of Finance, Planning and WCD Departments.
- 4) A **nodal Department on Gender Budgeting**, preferably the State Finance/Planning or WCD Department may also be designated. This designated department would need to host a **Gender Budget Bureau/Section** to provide technical inputs to other Departments/Local Bodies on Gender Budgeting as well as be the point of liaison on GB with the Centre.
- 5) It is highly recommended that a **Gender Budget Statement** should be brought out along with the annual State Budget reporting the flow of funds to women.

6) All Departments in the State should be advised to set up **Gender Budgeting Cells (GBCs)** as is the case with the Centre. The GBC comprise a cohesive group of senior / middle level officers from the Plan, Policy, Coordination, Budget and Accounts Division of the Department concerned. Besides each GBC may co-opt one expert from a University / NGO / Academic Institution. This group should be headed by an officer not below the rank of Joint Secretary. The functions and working of the GBC may be reviewed at least once a quarter at the level of Secretary of the Department.

- 7) The GBC may set for itself, specific quarterly / half yearly / annual targets to be achieved in terms of the following suggested areas of work.
 - a. Undertaking an assessment of the extent to which sectoral policies address the situation of women, whether budget allocation are adequate to implement the gender responsive policy; monitoring whether the money was actually spent as planned, what was delivered and to whom; and whether the policy as implemented changed the situation described, in the direction of promoting/achieving greater gender equality.
 - b. Identification of a minimum of 3 and maximum of 6 programmes (in terms of budget allocation) implementation by the Department and the major Sub-Programmes there under, with a view to conducting and analysis of the gender issues addressed by them.
 - c. Conducting/Commissioning Gender audits (at the field level wherever possible) for reviewing the actual physical / financial targets of the programme, the constraints if any, in implementation, the need for strengthening delivery system, infrastructure / capacity building etc.

- d. Undertaking exercises to ensure collection of sex disaggregated data at all levels and monitoring of coverage of women in physical targets for beneficiary oriented schemes.
- e. Undertaking an exercise to identify the possibility of initiatives / special measures to facilitate / improve access to services for women and their active participation in the decision making process at various levels, and its translation into practice.
- f. Results of all these may be include as an annex titled “Gender Responsive Budgeting Initiative” in the Department's Outcome/ Performance Budget/Annual Report for the year.
- 8) The State Planning Departments should also include directions for including a note on gender budgeting as a part of their **annual plan development circular**. This note should be limited to 3-5 pages and could include the following questions:
- a. What are the gender issues dealt with in the Department and what actions have been taken to promote gender equality by the Department in the last year? Describe both physical and financial achievements and constraints.
 - b. What are the new programmes and schemes/initiatives planned to reach out to women in this year?
 - c. What initiatives have been undertaken to make schemes more Gender responsive?
 - d. What are the three priority areas for resource allocation for women in the current budgetary year and what are the planned allocations for the same?
- 9) A **nodal agency for capacity building on GB**, preferably the Administrative Training Institute (ATI) of the State, may also be designated.

Other Programmes and activities

Towards a New Dawn

Other Programmes and Activities

6.1 Apart from the schemes and programmes that have a direct bearing on the welfare and well-being of women and children, the Ministry implements a few schemes that help in furthering understanding of the issues of women and children, promote innovative ideas and, thus, indirectly help their cause. These are discussed in the following paras:

Grant-in-aid for Research, Publication and Monitoring

6.2 The Ministry of Women and Child Development has been implementing the scheme of Grant-in-Aid for Research, Publication and Monitoring since 1986-87 with the objectives to promote:

- (i) Research studies on emerging issues in the field of women and child development
- (ii) Workshops / seminars which help in promoting awareness, discuss the problems and strategies to resolve the problems of women and children, and
- (iii) Publications on women and child related topics for wider dissemination of results.

6.3 Priority is given to research projects of an applied nature keeping in view the policy requirements of the Ministry, social problems requiring urgent public interventions and evaluation of the ongoing programmes. The

Ministry revised upwards the financial norms for the scheme with effect from 29th September, 2011.

6.4 Against the budget allocation of ` 2.00 crores for the year 2011-12, an amount of ` 1.07 crores was released to different organizations. Against the budget allocation of ` 2.00 crores for the year 2012-13, an amount of ` 1.35 crores has been released upto 1st March, 2013. Details of funds sanctioned to different organisations for new / old projects during 2011-12 and 2012-13, are at Annexures – XXXIV & XXXV.

General Grant-in-aid scheme for Innovative Work on Women and Children

6.5 Under this Scheme, project proposals of following nature related to women and children, are approved for execution by voluntary organisations / institutions, universities and research institutes, including those set up and funded by Central Government / State Governments / Public Sector Undertakings / Local authorities/Corporations/Institutions :

- i. Projects to tackle problem areas which are relatively un-serviced but where need is urgent;
- ii. Projects, which fill in essential gaps in existing services and complement them so as to maximize the impact;
- iii. Projects, which provide integrated services, where all the components need not be financially supported by one source;

- iv. Projects which build capacity of the individual to be self-reliant rather than dependent;
- v. Projects located in backward, rural and tribal areas and urban slums which are poorly serviced by existing services;
- vi. Projects which are community based and render non-institutional services. In certain cases where the nature of the problem so demands institutional programmes are also supported;
- vii. Projects to mobilise public opinion and support to tackle the pressing social problems;
- viii. Projects to tackle problems which require coverage of more than one State;
- ix. Projects not covered by any of the existing schemes of the Ministry of Women and Child Development including the Central Social Welfare Board.

6.6 During the year 2011-12, against the budget allocation of ` 2.00 crores, the expenditure under this scheme was ` 38.45 lakhs. During the year 2012-13, against the budget allocation of ` 3.00 crores, the expenditure under this scheme was ` 11.08 lakhs upto November, 2012. Details of the funds released during the year 2011-12 and 2012-13 (upto November, 2012) under the scheme are at **Annexures-XXXVI**.

Information Technology

6.7 National Informatics Centre (NIC) is managing the Computer Centre of the Ministry of Women and Child Development which has a Local Area Network with facilities like information sharing, electronic mail and Graphical User Interface (GUI) based INTERNET surfing. NIC continued to provide software, hardware and consultancy support to

Ministry in developing computer based Management Information Systems. A team of officers of NIC works in close coordination with the officials of the Ministry to maintain existing software and develop new programmes.

6.8 A brief description of some of the programmes introduced in 2012-13 by the Ministry with the help of NIC is as follows:

6.9 Development and Roll Out of National Portal on Tracking and Monitoring of Missing Children: During the formative period of Child Protection Scheme “ICPS”, MWCD entrusted NIC to develop a portal based solution to track, monitor and reintegrate “Missing Children” and implement it in West Bengal on pilot basis. After successful implementation in West Bengal, NIC has customized the system where process and inputs of all Police Stations, DCRB, Child Care Institutions/Homes (CCIs) are considered after due process re-engineering. This system also tracks the children who are living at various Juvenile Homes and are being rolled out nationally. The system works as a tool for planning and decision making for senior officials of Police and Ministry.

6.10 International Portal on Child Adoption (CARINGS) for In & Inter Country: A portal on child adoption linking with aspirations of prospective adoptive parents, has been developed and launched for agencies handling child adoptions across the country and online registration of Indian prospective Parents. The entire process work flow of child adoption viz. child reaching adoption agency, various clearances, medical tests, child getting adopted and monitoring of child in the new found adopted home have been covered in the portal application. More than three rounds of training sessions in various parts of the country have been conducted for smooth operations.

6.11 National portal on e-AWEDAN for Grant-in-Aid Schemes: A National Portal on e-Awedan for CSWB has been designed, developed and implemented for tracking and monitoring of NGO proposals supporting online submission, uploading of essential documents, backend processing at

various sections for scrutiny, approval, sanction and release of budget etc. Till date about 40000 applications have been received online for seeking the grant in aid from the board.

6.12 National Portal on Integrated Child Development Services (ICDS): ICDS is a flagship programme of Government of India for the provision of essential services like provision of supplementary nutrition, pre-school education, immunization, etc. and timely interventions of referral medical services, for the targeted population of children of 0 to 6 years, adolescent girls, pregnant women and nursing mothers. To meet the challenges involved in the provision of effective, efficient and better managed services, an MIS system has been developed and introduced from the inception of the scheme. Various versions of the MIS software application has been designed and introduced in different periods as per the State of Art of ICT.

6.13 Ministry has now entrusted NIC to develop and roll out of web based portal for monitoring of the ICDS scheme from the grass root level (i.e. 14 lakhs Anganwadis). Software has been developed and is being rolled out. Training has been provided to the various States users.

6.14 National Nutrition Platform through IVRS - Established at NIC Data Centre : High end servers (10 No's) have been co-located by the Ministry in the National Data Centre of NIC at Shastri Park/Laxmi Nagar, New Delhi. The system will provide IVRS based interactive communication with the 14 lakh anganwadi workers in the country. It will also host a National Nutrition Resource Platform and a Digital Library on Nutritional Resources. On ICDS day and several other occasions, NIC had sent SMS message to the Anganwadi workers in the country.

6.15 File Status Information System in Ministry: This system monitors important

references received in the ministry. Basic details of the reference are entered into the system as soon as reference is received along with name of the officer to whom the file is marked.

6.16 NGO Grant Monitoring System

NGO Directory- Records registration details and other particulars of all voluntary organisations implementing departmental schemes. The software generates a unique code for each NGO based upon the registration number, name and State so as to enable tracking of the performance under various schemes.

Reports –Cover Scheme-wise / State-wise Projects, Pending / Rejected Cases, Outstanding Utilisation Certificates, Geographical Coverage, Cash flows etc.

6.17 Budget Monitoring System: This system was developed and implemented in the Finance wing of the Ministry. With the help of this package, ministry is capturing scheme wise details of funds sanctioned and released.

6.18 Intranet Based Integrated Office Automation: A web based application has been designed and developed for office automation procedures like Personnel Information, Office Orders/Circulars, Payroll, GPF, Income Tax, Leave Records, Official Forms, etc. The Ministry is updating the relevant data regularly and the employees are using this system to get their Circulars, Pay Slips, GPF Statements, IT Statements, Forms, etc. from this website directly. This system is developed using ASP and MS-SQL Server.

6.19 Technical consultancy and guidance to various organizations under the control of the Ministry like National Commission for Women (NCW), NIPCCD, RMK and CSWB is provided by NIC. The Ministry has a **website** which is maintained by the NIC and updated regularly. NIC provided assistance to the Parliament Section for regular on line transmission of Parliament Questions to Lok Sabha and Rajya Sabha Secretariats.

Status of ATNs on CAG Paras

6.20 The summary of important audit observations, appearing in the most recent Audit reports of the year ended March 2011 and details of action taken on the audit observations received from Comptroller & Auditor General (CAG) of India are at **Annexure - XXXVII**.

Reservation for Scheduled Castes/Scheduled Tribes and Other Backward Classes

6.21 Reservation Policy of the Government of India in the services is being followed in the Ministry and the organizations under its control. As a cadre authority, the Ministry has duly reported the reserved vacancies to Department of Personnel & Training. The attached office i. e. Food and Nutrition Board and all the autonomous bodies under Ministry of Women and Child Development are advised to fill up the vacancies reserved for Schedule Castes/Scheduled Tribes and Other Backward Classes by making special efforts.

Public Grievances

6.22 Public Grievances received in the Ministry by post as well as online through Centralized Public Grievances Redressal and Monitoring System (CPGRAMS) are attended on top priority. Deputy Secretary (Admn.) is the Public Grievance Officer of Ministry of Women and Child Development. For strong and effective internal grievances redressal mechanism in the Ministry, all Divisional Heads in the Ministry and one officer each from all the attached/subordinate offices have been appointed as Nodal Officers for public grievances in respect of their Division/Office. User ID and Password have been provided to them for accessing the system. The disposal of public grievances is monitored regularly by Secretary (WCD).

Citizen's/ Client's Charter

6.23 The Ministry has prepared the Citizen's/Client's Charter, which has been

placed on the website of the Ministry (www.wcd@nic.in). The Ministry had also released an advertisement in Hindi/ English/ Regional newspapers informing the public about the availability of the Charter at Ministry's website. The Charter has been distributed among stakeholders. It has also been circulated to all the officers in the Ministry for compliance.

Prime Minister's New 15 – Point Programmes for the Welfare of Minorities

6.24 A Joint Secretary has been nominated as the nodal officer for the purpose. So far 12.79 lakh AWCs / mini AWCs have been sanctioned cumulatively in 31 States with major minority population. As on 31.12.2012, 2,40,269 AWCs / mini-AWCs are operational out of 2,41,515 AWCs/ mini-AWCs cumulatively sanctioned (18.87 %) in identified 1228 CD blocks, in 31 States, where minority population is more than 25 %. Thus, sanctioned and operationalized AWCs / mini-AWCs are more than the set minimum level of 15 % of the total AWCs / min-AWCs in such areas.

6.25 Food and Nutrition Board and other affiliated organization under the Ministry have been requested to take action by organizing campaign to disseminate information on affirmative action on recruitment of minorities in the Government and PSU / Autonomous bodies.

Information Facilitation Center (IFC)

6.26 Information and Facilitation Center (IFC) has been functioning as a single window for public relations. The Center provides information on different programs and schemes of the Ministry. IFC also provides copies of news magazines and other information literature of different organizations under the Ministry, such as FNB, CSWB, NCW, NIPCCD, NCPCCR, CARA and RMK. IFC assists voluntary organizations to track the status of their application. It also functions as Right to Information (RTI) Cell i.e. nodal unit for receiving RTI applications.

Right to Information Act

6.27 In pursuance of the provisions contained in sub section (1) of section 5 of the Right to Information Act, 2005, the Ministry has designated subject-wise Public Information Officer (PIOs) at the level of Deputy Secretary/Director and Assistant Public Information Officers (APIOs) at the level of Under Secretary for receipt and disposal of applications received under the Act. In addition, officers at the level of Joint Secretary have been designated as appellate authorities in terms of sub section 19 of the Right to Information Act, 2005 for considering appeals against the decisions of the PIOs. The details of the Appellate Authorities and PIOs/APIOs have been posted on the official web site of the Ministry www.wcd.nic.in. During the year (upto February, 2013), 351 applications were received under the RTI Act, which were sent to the concerned Public Information Officers for providing information to the applicants.

Parliamentary Committees

6.28 The Composition of the Parliamentary Standing Committee on Human Resource Development for Demand for Grants is at **Annexure - XXXVIII**. The Committee inter-alia examined the implementation of various Welfare Schemes of the Ministry.

6.29 After the formation of Ministry of Women and Child Development in 2006, Consultative Committee of Members of Parliament attached to Ministry of Women and Child Development was constituted. The composition of the Committee is at **Annexure-XXXIX**.

Use of Hindi in Official Work

6.30 During the period under report, efforts were made to maximize the use of Hindi in day-to-day official work of the Ministry. The officers and employees of the Ministry have working knowledge of Hindi. Entries in the Service Books were also made in Hindi. Letters received in Hindi were replied to in Hindi.

Section 3(3) of the Official Language Act, 1963 is being complied with in the Ministry.

6.31 Hindi Pakhwara was organized in the Ministry from 14th to 28th September, 2012. During this period, Noting and Drafting, General Knowledge, Essay Writing and Dictation Competitions were organized, especially for Group 'D' employees and Non-Hindi speaking employees of the Ministry. 20 officers and employees were awarded. Hindi Salahakar Samiti was constituted and its meetings were held on 25.5.2012 and 13.2.2013 in Delhi and Nainital respectively. In order to assess and encourage the implementation of official language policy, 10 Sections and all the 6 Subordinate Offices were inspected during the year under report.

6.32 During the year under report, a Hindi Workshop was held on 29th June, 2012 in the Ministry to encourage the officers to undertake more work in Hindi. 23 officers / employees participated in this Workshop.

6.33 On 4th Feb., 2013, First Sub-Committee of Committee of Parliament on official languages inspected a Subordinate Office of the Ministry viz., Kendriya Samaj Kalyan Board, New Delhi regarding the progressive use of Hindi.

Annual Plan and Action Plan

6.34 The Plan outlay for the year 2012-13 was fixed at ` 18,500.00 crores and has been revised at ` 17,180.00 crores at RE Stage. Scheme-wise details are given at **Annexure-XXXX**. The Annual Plan 2013-14 was discussed in the Planning Commission and the Plan Outlay for the year 2013-14 has been fixed at ` 20,350.00 crores.

Plan for the North-East Region

6.35 As per the guidelines of the Planning Commission and the Ministry of Finance, the Ministry has allocated 10% of the Annual Plan outlay for the implementation of its programme in the seven North-Eastern States of Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Tripura and Sikkim. During the year, efforts were made to involve social organizations

of North-Eastern Areas with the existing support available under various Grant-in-aid Schemes of the Ministry of Women and Child Development.

Scheduled Caste Sub-Plan (SCSP) and Tribal Sub-Plan (TSP)

6.36 The schemes and programmes of the Ministry are directly impacting the lives of women and children belonging to the most disadvantaged sections of the society. Most of the programmes are located in the areas where the women and children belonging to Scheduled Castes and Scheduled Tribes (SC & ST) have easy access. While selecting the location for the project, preference is given to those areas which are predominately inhabited by vulnerable and weaker sections of the society. For Annual Plan 2013-14, the Ministry has also proposed to earmark budget allocation separately for Scheduled Castes Sub-Plan and Tribal Sub-Plan to the tune of 20 % and 8.2 % of the total annual plan outlay respectively.

6.37 The Central Social Welfare Board (CSWB) made the following stipulations under their grant-in-aid rules to encourage voluntary action in tribal areas:

- i) Normally, only institutions engaged in social welfare activities for a minimum period of three years are eligible for grant-in-aid from the Board. This condition is relaxed in the case of institutions located in tribal areas.

ii) Institutions are normally given assistance under the grant-in-aid programme on an equal matching basis (50% grant from the Board and other 50% raised by the institutions). For institutions in tribal areas, the Board may contribute up to 75% of the approved expenditure.

iii) Under the scheme of Condensed Courses of Education for Adult Women, the institutions are required to make efforts to enroll scheduled Caste and Scheduled Tribe women for the course. In the case of SC and ST candidates, conditions regarding educational qualifications for admission to the courses are relaxed wherever necessary.

6.38 The Scheme of Hostels for Working Women implemented by the Ministry provides for seats upto 15% and 7.5% for women belonging to SC and ST communities, respectively.

6.39 The schemes of Food and Nutrition Board (FNB) are aimed at improving nutritional status of people in general and of the vulnerable sections of the population including SCs and STs in particular. Community Food and Nutrition Extension Units (CFNEUs) of FNB are organizing training courses in the fields in fruit and vegetable preservations only for SC/ST adolescent girls and women under accelerated programmes for the development of SC/ST community. The major thrust of the programmes of the Board is on the rural and tribal areas.

Food and Nutrition Board

Towards a New Dawn

Food And Nutrition Board

7.1 The Food & Nutrition Board (FNB) was set up in 1964 under the Ministry of Food and was transferred to the Ministry of Women and Child Development in 1993 with all powers of Central Government department. It has a countrywide set up comprising of a Technical Wing at the Centre, four Regional Offices and Quality Control Laboratories at Delhi, Mumbai, Kolkata and Chennai and 43 Community Food & Nutrition Extension Units (CFNEUs) located in 29 States/UTs (details are at Annex A at the end of the chapter).

Main functions of FNB

7.2 The main functions of FNB are as follow:

- o To oversee implementation of various nutrition oriented sectoral interventions and issue policy guidelines on critical nutrition issues.
- o To promote and coordinate activities with regard to bringing nutritional issues centre stage through advocacy and sensitization of policy planners and implementers
- o A vigorous awareness campaign on prevention and control of malnutrition at all levels including infant and young child nutrition issues
- o Focusing on reduction in micronutrient malnutrition
- o Improving content and delivery of existing nutrition related interventions enlisting cooperation of professional institutions and social organizations in the area of nutrition and health.

Activities

7.3 Activities undertaken by Food and Nutrition Board on a continuing basis are:

- Inter-sectoral coordination and follow up action on the National Nutrition Policy and National Plan of Action on Nutrition, policy matters related to nutrition.
- Mass Nutrition Awareness Campaigns and education through mass media.
- Training of ICDS functionaries and the masses with focus on Infant and Young Child Feeding practices, growth monitoring and maternal nutrition.
- Training in Home Scale Preservation of Fruits and Vegetables for domestic consumption.
- Development and promotion of nutritious recipes using locally available ingredients and low cost foods.
- Development, production and distribution/ dissemination of nutrition education/ training material.
- Test checking the quality of supplementary nutrition under ICDS.
- Setting up and management of Nutrition Resource Platform and Centres.
- Implementation of Infant Milk Substitutes (Feeding Bottles and Infant Foods) Act
- Technical support to Mid Day Meal programme, Army Purchase of Ministry of Defence, Food Safety and Standards Authority of India for the Codex Committee on Nutrition and Foods for Special Dietary Uses.

Nutrition Policy and Prime Minister's National Council on India's Nutritional Challenges

7.4 Focus on reducing under nutrition requires a Multi-sectoral approach for accelerated action on determinants of malnutrition, better integration and policy coherence. At the same time, there is a need for direct nutrition interventions for targeted and vulnerable groups such as children (0-6 yrs), pregnant, lactating mothers and adolescent girls. As the nutritional status of the population is an outcome of complex and inter-related set of factors, it cannot be improved by the efforts of single sector alone.

7.5 Two decisions were taken in the first meeting of Prime Minister's National Council for India's Nutrition Challenges held on 24th November 2010 which are directly related to Food and Nutrition Board for improvement of malnutrition in the country. The progress of the two decisions is as under:

7.6 A Nationwide **Information, Education and Communication (IEC)** campaign against malnutrition was launched on 19th Nov, 2012 by the Hon'ble President of India in New Delhi. The campaign has pro-bono services of Shri Aamir Khan and technical support of UNICEF. The campaign aims at:

- Creating awareness about nutrition challenges, the importance of optimal nutrition and creating an enabling environment to mobilize communities to prevent malnutrition.
- Promoting home-level care and behavior orientation for appropriate infant and young child feeding practices, child care and development, optimal nutrition and care during pregnancy, lactation and better utilization of available services.
- Reaching out to family, pregnant women, mothers, caregivers, adolescent girls, PRIs, teachers, opinion leaders and the community at large.

Launch of IEC campaign by Hon'ble President of India, Shri Pranab Mukherjee

7.7 Various means of media such as TV, Radio, print, outdoor publicity, digital, You Tube (Ministry of I& B) and folk media and posters are used for creating awareness and disseminating the messages. The messages on IEC campaign are also available on the

Ministry's Nutrition Resource Platform (NRP) website: www.akshayaposhan.gov.in/ www.poshan.nic.in as well as link on the Ministry's site www.wcd.nic.in in different languages. Some of the messages of the campaign are as under:

7.8. Media kit has also been developed in Hindi and English and can be used for the media to inform about the IEC campaign, importance of nutrition and the existing programmes of the Government which will have impact on the nutritional status of the people. The kit is also available on NRP website. The roll out of the campaign has commenced from 28th December, 2012.

The four stages of the campaign are:

Stage 1 - Create Awareness: 8 weeks: A massive drive to generate awareness about the symptoms and alarming consequences of malnutrition.

Stage 2 - Clarion Call: 6 weeks: To mobilize the masses to take a pledge "Malnutrition Quit

India" in order to attract the maximum participation of people in the fight against malnutrition.

Stage 3 - Action Points: 16 weeks: This stage of the campaign explains the four critical practices that safeguard a child from malnutrition as 'Chaar Baatein'.

Stage 4 - Community using Tools/Services: 8 weeks (4 weeks overlap with 3rd stage): The final stage of the campaign will inform about the Mother & Child Protection (MCP) Card and important services through programmes.

7.9 Activities at local level through Song & Drama Division and Directorate of Field Publicity will be taken up during the 3rd Stage (April – July 2013).

7.10 Framework for **Multi-sectoral programme** to address the maternal and child malnutrition in selected 200 high-burden districts has been prepared. This programme proposes to bring together with various national programmes through strong institutional and programmatic convergence at the State, District, Block and Village levels. The document has been circulated to the line Ministries for their comments.

Nutrition Education and Training

7.11 Advocacy and sensitization of policy makers, nutrition orientation training for programme managers and capacity building of field functionaries are the important activities of the Food & Nutrition Board. Different activities are carried out for different target groups for disseminating nutrition related information. Nutrition Education of the community, one of the prime activities of the Food & Nutrition Board, is undertaken through its 43 Community Food & Nutrition Extension Units (CFNEUs), by organizing nutrition education and demonstration programmes in rural, urban and tribal areas in different States/UTs of the country. FNB Headquarters, through its four Regional Offices, provides the technical as well as logistic support for the functioning of these units and conducts the following training programmes in the field units.

Training of Trainers (TOT) Programme in Nutrition

7.12 Each CFNEU organizes five days "Training of Trainers" programme for Master Trainers comprising of Child Development Project Officers (CDPOs), Assistant Child Development Project Officers (ACDPOs), Medical Officers, Senior Supervisors of ICDS etc. who, in turn, act as trainers for the grass-root level functionaries of ICDS, such as Anganwadi workers and the community at large.

Orientation Training Courses (OTCs)

7.13 Each CFNEU organizes training for

two days for 30 participants comprising of grassroot level workers from ICDS and Health such as AWWs, Helpers, and ASHAs, adolescent girls, pregnant, newly married, communities and PRIs, etc. The topics for OTC are (i) Infant and Young Child Feeding (ii) Health and Nutrition and (iii) Management of Severe Malnutrition.

Training in Home Scale Preservation of Fruits and Vegetables and Nutrition

7.14 Each CFNEU organizes 5 days training in Home Scale Preservation of Fruits & Vegetables and Nutrition for 30 participants including housewives and adolescent girls to encourage them to preserve fruits and vegetables at the household level. This increases the consumption of fruits and vegetables and also develop skills which could be useful for income generation. A Ready Reckoner on fruits and vegetable preservation and nutrition is distributed to the trainees on completion of the training.

7.15 Each CFNEU also organizes special training in Home Scale Preservation of Fruits & Vegetables and Nutrition exclusively for SC/ST including adolescent girls and women. A stipend of ` 100/- is given to each participant.

7.16 **Nutrition Education programmes** are undertaken in rural, tribal areas and urban slums.

The following are the number of training programmes conducted upto February 2013 during the year 2012-13.

S. N.	Training Programme	No. of Training	No. of Beneficiaries
1	Training of Trainers (TOT)	20	400
2	Orientation Training Courses (OTCs)	473	14175
3	Training in Home Scale Preservation of Fruits and Vegetables and Nutrition	185	5982
4	Nutrition Education programmes	3486	1,14,082

Monitoring of the Anganwadi Centres (AWCs)

7.17 Anganwadis under different ICDS projects are being inspected to monitor the supplementary nutrition and to facilitate the nutrition and health components of the ICDS. During the visit, the technical staff provide technical support cum practical demonstration on nutrition and health education at the AWC. During the year 2012-13, a total no of 3588 Anganwadi Centres have been inspected (as on February,2013).

Food Analysis

7.18 Food & Nutrition Board has four Quality Control Laboratories at Delhi, Mumbai, Kolkata and Chennai, which analyses samples of various supplementary foods provided under the ICDS scheme. The samples are received from the State Governments as well as collected by field units of FNB during the course of regular inspection of AWCs. The region-wise number of samples analysed up to February 2013 are as under:

S. No.	Region	No. of samples received from States/ UTs	Samples drawn by CFNEUs	Total Samples analyzed
1	Eastern	48	12	60
2	Southern	307	67	374
3	Western	4438	67	4505
4	Northern	363	202	565
	Total	5156	348	5504

Mass Awareness Campaigns

National Institute of Public
Cooperation and
Child Development

National Institute of Public Cooperation and Child Development

8.1 National Institute of Public Cooperation and Child Development

popularly known as **NIPCCD** is a premier organization devoted to promotion of voluntary action, research, training and documentation in the overall domain of women and child development. It was established in New Delhi in the year 1966, as an autonomous institution under the Societies Registration Act of 1860, and functions under the aegis of Ministry of Women and Child Development, Government of India with its Headquarters in New Delhi and four Regional Centres at Guwahati (1978), Bangalore (1980), Lucknow (1982) and Indore (2001) to cater to region-specific requirements.

8.2 The Institute focuses on essential and need-based programmes for the holistic development of the child & child protection and for creating awareness regarding women's empowerment and gender issues, especially women's rights – political, social and economic. The current thrust areas of the Institute relating to child development are maternal and child health and nutrition, early childhood care and education, childhood disabilities, positive mental health in children and child care support services. The activities of the Institute in the area of women development are geared to support national policies and programmes for women's

empowerment through training, research and documentation. The Institute is also focusing on gender planning and mainstreaming, gender budgeting, economic and political empowerment of women, prevention of sexual harassment at work place, prevention of gender related violence such as female foeticide, female infanticide, trafficking of women and children, child marriage, etc.

8.3 The objectives of the Institute are to:

- *develop and promote voluntary action in social development;*
- *take a comprehensive view of child development and to promote and develop relevant need-based programmes in pursuance of the National Policy for Children;*
- *develop measures for coordination between government and voluntary action in social development;*
- *evolve framework and perspective for organising children's programmes through government and voluntary efforts; and*
- *establish liaison with international and regional agencies, research institutions, universities and technical bodies engaged in activities similar to those of the Institute.*

Vision

8.4 The vision of the NIPCCD is to be seen as an Institute of global repute in child rights, child protection and child development by developing partnerships and linkages with National and International agencies and making its training and research activities relevant to the needs of its varying client groups. The Institute has been consistently invigorating its efforts towards accomplishment of its vision, which is evident

in numerous programmes and activities conducted by the Institute.

8.5 The Institute has a **General Body** and an **Executive Council**. While the General Body is responsible for formulating overall policies of the Institute, the Executive Council is responsible for management and administration of the Institute. Both these bodies have representation of government and voluntary organisations. The Minister of State for Women and Child Development is the President of the General Body and Chairperson of the Executive Council.

General Body Meeting of NIPCCD under the Presidentship of Hon'ble MoS (I/C), WCD

8.6 There are two Departments, each being headed by an Additional Director, under which seven divisions are functioning:

Department of Mother Care and Child Development

- Child Development
- Public Cooperation
- Child Protection
- Women's Development

Department of Training and Common Services

- Training
- Monitoring and Evaluation
- Common Services

National Efforts

- The Institute functions as an apex institution for training functionaries of the **Integrated Child Development Services (ICDS)** programme.

- The Institute as a nodal resource agency has also been entrusted with the responsibility of training and capacity building of functionaries at the national and regional level, under the newly launched **Integrated Child Protection Scheme (ICPS)**.
- The Institute's Documentation Centre on Women and Children (DCWC) is a specialised documentation and reference centre which disseminates information on women and children both within the country and abroad.
- NIPCCD conducts a full time one-year regular **Advanced Diploma in Child Guidance and Counselling**.

The course seeks to bridge the gap of trained professionals for undertaking guidance and counselling intervention with children and their families in different settings. The Diploma course has been affiliated to Guru Gobind Singh Indraprastha University, Delhi and recognised by Rehabilitation Council of India

Programmes and Activities

8.7 Training and research are the core activities of the Institute. Besides these, the Institute also runs Field Demonstration Services at its Headquarters and Regional Centres and also brings out various publications in the areas of its interest.

II. Training under ICDS Programme

8.11 As an apex Institution for training of functionaries of integrated Child Development Services (ICDS) programme, NIPCCD organized job training courses and refresher courses for CDPOs/ACDPOs and trainers, Vertical training Programme for ICDS functionaries at block level, training on SABLA & IGMSY and several Workshops/Consultation Meets during the year. For building up the capabilities of ICDS functionaries, it organized several orientation, refresher and skill training of trainers.

Strengthening of Monitoring and Supervision System in ICDS Scheme – Through Central Monitoring Unit of NIPCCD

8.12 A monitoring and supervision mechanism for the ICDS scheme has been set up by Ministry of Women and Child Development through NIPCCD in addition to

the existing Monitoring and Evaluation Unit in the Ministry. The new monitoring set up has a three-tier system – monitoring at community, State and National level. At the National level, a Central Monitoring Unit (CMU) has been set up at NIPCCD Headquarters, New Delhi, wherein data received from selected institutions from States are analyzed, interpreted and reports are generated. The performance of the scheme has been evaluated for quantitative and qualitative outcomes of the scheme on pre-determined set of indicators and for taking corrective steps. At the State level, various tasks relating to supervision and monitoring of the scheme were undertaken with the help of selected academic institutions viz. Medical Colleges, Home Science Colleges and Schools of Social Work. During the year 2012-13 the Consultants/ Faculty/ Project staff of CMU have furnished data from 873 ICDS Projects, 4772 AWCs, 276 AWTCs and 18 Middle Level Training Centres (MLTCs) (upto February, 2013). Fifty-eight reports so far have been submitted to MWCD.

B. Research / Evaluation Studies, Documentation/Compilations

8.13 The Headquarters and its Regional Centre undertake research on areas falling within its mandate. Evaluation studies are also conducted to assess the impact of ongoing schemes or projects on Women and Child

Development, as an independent initiative, or at the request of sponsoring Department/ agency. In addition, documentation of the research work in the form of reports, compilations and manuals is done for wider dissemination. During the year (upto February, 2013), 16 research studies were completed.

Central Social Welfare Board

Towards a New Dawn

Central Social Welfare Board

9.1 The Central Social Welfare Board (CSWB) was set up by a Resolution of Government of India on 12th August, 1953 with the objective of promoting social welfare activities and implementing welfare programmes for women & children through voluntary organizations. In order to give it a legal status, the Board was registered as a charitable company in 1969. The State Social Welfare Boards were set up in 1954 in all 33 States and Union Territories to work together with Central Social Welfare Board in implementing programmes of the Board across the country. The Board is functioning as an interface between government and the voluntary sector. The Board has been making concerted efforts for empowerment of women through Family Counselling Centre Programme, Short Stay Homes, Awareness Generation Programme, **Condensed Courses of Education for Adult Women** and other support services. The Board has a long experience of almost six decades, a country-wide infrastructure to monitor implementation of programmes and a network of approximately 8000 voluntary organizations. The outreach of the programmes of the Board ranges from remote areas of the country from Leh to Andaman & Nicobar Islands and Lakshadweep as well as North-Eastern States.

VISION

9.2 To be the leading organization for promotion of dedicated voluntary action for social and economic empowerment of women and care and support of children.

MISSION

9.3 To support voluntary organizations financially and technically for socio economic

empowerment of women and nurture of children; to create enabling environment of empowered women to live with dignity and participate as equal partners in development.

9.4 MAJOR ACTIVITIES AND INITIATIVES UNDERTAKEN DURING 2012-13

- Engaged Independent Monitors to ascertain quality implementation of Programmes being run by the Board through Voluntary Organizations by introducing the system of monitoring. Another layer of inspection has been

added apart from inspections being carried out through field officers of the Board.

PROGRAMMES OF THE BOARD

Family Counselling Centers (FCCs)

9.5 The Family Counselling Centre programme was introduced in 1983 due to increasing violence against women specially dowry related cases. The centres provide counselling, referral and rehabilitative services to women and girls who are victims of atrocities, family maladjustments and social ostracism. Through the centres, crisis intervention and trauma counselling is also provided in case of natural or manmade disasters. Public opinion on social issues affecting status of women is mobilized through this programme and awareness is created on welfare and development schemes being implemented by the Government. The Counselling Centres work in close collaboration with the local administration, police, courts, free legal aids cells, medical and psychiatric institutions, vocational training centers, short stay homes etc.

Achievements under FCCs

Year	Physical		Financial (₹ in lakhs)	
	No. of Centres	Beneficiaries	Allocation	Expenditure

2012-13 (as on November, 2012)	685	104074	1630.00	664.32

9.6 During 2012-13, 65 workshops were organized all over India through various schools of social work and training institutes for providing orientation to the counsellors and functionaries of the voluntary organizations implementing the scheme apart from induction training to the newly appointed counsellors. Around 250 Family Counselling Centres have been declared Service Providers by the respective State Governments under Protection of Women from Domestic Violence Act, 2005. The scheme is under evaluation by an independent agency to provide inputs for its effective functioning.

Physical and Financial Achievements under FCCs during the year 2011-12 and 2012-13 (up to November, 2012) are at **Annexures-XXXI & XXXII**.

Short Stay Home Programme

9.7 The objective of the Short Stay Homes programme is to rehabilitate women and girls who are facing social, economical and emotional setback due to family problem, exploitations, violence or being forced into prostitution. Under Short Stay Home programme, temporary shelter to women and girls, medical care, counselling, occupational therapy, education and vocational

training is provided according to the requirements of the inmates. The period of stay normally extends from 6 months to 3 years. Under the programme, meetings have been held all over India with the functionaries of the voluntary organizations and rehabilitation officers for capacity building and improved

networking so that the inmates are made self-reliant and can join the main stream. The programme is under revision.

Physical and Financial Achievements under SSH during the year 2011-12 and 2012-13 (up to November, 2012) are enclosed at Annexures- XXXXIII & XXXXIV.

Awareness Generation Programme (AGP)

9.8 The Scheme aims to empower women by providing knowledge on issues ranging from health/nutrition to constitutional rights by providing information through organizing awareness generation camp and to ensure their participation in development process and decision making. The Scheme was reformulated in 1986-87. Under the Scheme, camps are organized throughout the country which provide a platform for women to come together to exchange their experiences and their ideas. Its main aim is to identify the needs of

rural and poor women and to increase women's active participation in development and other allied programmes. Issues such as status of women, women & law, women & health, community health and hygiene, technology for women, environment and economy are being taken up in the camps with special focus on local burning issues/problems like, female foeticide, domestic violence, trafficking, drug addiction and low sex ratio etc.

9.9 The scheme is under evaluation by an independent agency to provide inputs for inclusion of theme based issues and for effective functioning.

Rajiv Gandhi National Creche Scheme (RGNCS)

9.11 With the increased phenomenon of nuclear families and increased opportunities for employment for women, working women need support in terms of quality substitute care for their young children while they are at work. Creche and Day Care Services are not only required by working mothers but also women belonging to poor families, who require support and relief for childcare as they struggle to cope

with burden of activities, within and outside the home. Rajiv Gandhi National Creche Scheme provides assistance to NGOs for running crèches for infants (0-6 years) and assistance is provided for sleeping facilities, health-care, supplementary nutrition, immunization etc. for running a creche for 25 infants for eight hours.

9.12 The scheme is being implemented by the Central Social Welfare Board on behalf of Ministry of Women & Child Development, Government of India. It is under revision by the Ministry and the revised norms are expected to be implemented from 2013-14 onwards. Following the decision of the Ministry, CSWB has taken over the control of crèches run by Bharatiya Adim Jati Sevak Sangh (BAJSS) temporarily.

Integrated Scheme for Women's Empowerment (ISWE)

9.13 Integrated Scheme for Women's Empowerment is a pilot project for North East,

designed to address the socio-economic need of the region for empowerment of women and development of children with the following objectives;

- Mobilizing community action
- Converging available services and resources in the area.
- To address the felt needs of the area.

- Income Generation through feasible and sustainable activities for women.
- Provide support services for health awareness, Career Counseling Centers, vocational training to prevent child trafficking, drug de-addiction

9.14 The project is being implemented in three phases. A State Level Committee is formed in all the States with representatives from State Government Departments, social workers, local leaders and respective State Boards. The committee identifies and adopts the most backward districts of the State and also a Mother NGO having a good track record, adequate infrastructure and experience from the concerned area for implementation of the project. Motivational camps are conducted in

identified areas in the States culminating into formation of Community Based Groups (CBG). The groups democratically decide the activity to be undertaken by them.

9.15 The projects sanctioned are monitored and evaluated for replication of projects with modified inputs in other areas and other States. Hence thrust is given on marketing of the products under this project in local market as well as on State and National level. Under the Scheme, technical inputs, capacity building of the CBG and networking among various Stake holders is emphasized and mobilized as ISWE also aims for self sustainability of the Community Based Groups.

Physical and Financial Achievements during the year 2011-12 & 2012-13 (up to November, 2012) is at **Annexure - LIII.**

National Commission for Women

Towards a New Dawn

National Commission for Women (NCW)

10.1 The National Commission for Women (NCW) was constituted on 31st January, 1992 as a statutory body at the national level, in pursuance of the National Commission for Women Act, 1990 to safeguard the interests of women. It has a wide mandate covering almost all aspects of women's development, viz., to investigate and examine the legal safeguards provided for women under the Constitution and other laws and recommend to Government measures for their effective implementation; review the existing provisions of the Constitution and other laws affecting women and recommend amendments to meet any lacunae, inadequacies or shortcomings in such laws; look into complaints and take suo-moto notice of matters relating to deprivation of women's rights, etc. and take up the issues with appropriate authorities; take up studies/research on issues of relevance to women, participate and advise in the planning process for socio-economic development of women, evaluate the progress made thereof; inspect jails, remand homes, etc. where women are kept under custody and seek remedial action wherever necessary.

Composition

10.2 The present composition of the Commission consists of Smt. Mamta Sharma as Chairperson along with six other members. The post of the Member Secretary is vacant at present since 4.5.2012.

10.3 In keeping with its mandate, the Commission initiated various steps to improve the status of women during the year under

report. The Commission's Members and officers have visited various parts of the country to attend meetings/seminars/workshops organized by NCW/NGOs, to investigate various cases of atrocities committed against women. They visited jails-hospitals etc and attended legal awareness camps on legal rights of women etc. to gain first hand knowledge about the problems faced by women there so as to suggest remedial measures and to take up the issues with the concerned authorities.

10.4 The NCW received a large number of complaints and also took suo-moto cognizance in several cases to provide speedy justice. The Commission sponsored Legal Awareness Programmes, Parivarik Mahila Lok Adalats and organized Seminars, workshops/consultations, and took up publicity campaign against female foeticide, violence against women, child marriages, etc. in order to generate awareness in the society against these social evils.

Commission's News Letter: Rashtra Mahila :

10.5 Rashtra Mahila, a monthly newsletter of the Commission, published in English and Hindi continues to disseminate information about the Commission's programmes to women activists, members of legal fraternity, administrators, members of the judiciary, representatives of NGOs, scholar and students all over the country.

The newsletter highlights the activities of the Commission as well as success stories with regard to complaints lodged before the Commission and also important Court and government decisions affecting women. Despite the increasing cost of printing, the newsletter is available to all its

readers, free of cost. The monthly newsletter is also available on the website of the Commission i.e. www.ncw.nic.in

New initiatives of the Commission during 2012-13:

Thrust on Public Awareness

10.6 To increase public awareness regarding laws and schemes relating to women, the Commission decided to introduce radio and TV jingles and short documentaries. New compilations of laws, provisions dealing with crimes against women and the prescribed penalties was also distributed. Brochures, pamphlets and posters were prepared and distributed widely.

National Helpline to be run by National Commission for Women.

10.7 In order to mitigate the challenges and realize its mandate to safeguard rights of women in a holistic way, and to increase its outreach, the Commission proposed a toll free voice communication 24X7 Call Centre facility across the country to support women in distress based on the concept of “**anytime**”. A pilot toll free 24x7 helpline and call centre facility was set up at Ahmedabad to be run by an NGO (selected after due competitive process).

Networking of National Commission for Women with State women Commissions and setting up Teleconferencing Facility

10.8 The National Commission for Women has been interacting with the State Women Commissions from time to time by holding National Seminars/Workshops etc. Proposals sent by SWCs for organizing seminars and awareness programmes are also being sponsored by NCW.

10.9 The Hon'ble Parliamentary Standing Committee on Women empowerment has recommended that a system should be evolved for regular interaction between NCW and SWCs. To fulfil their mutual mandates, both NCW and SWCs would benefit from these interactions which normally take place through normal channel such as correspondence etc. which is time consuming and slow. Quick

contact would help both NCW and SWC to react faster to issues and complaints. As a step in this direction, the National Commission for Women inaugurated a Mini Video Conferencing on 6th November, 2012 facility with the State Commissions of Andhra Pradesh, Madhya Pradesh, Maharashtra, Nagaland and West Bengal for quick network between NCW and State Women Commissions who welcomed the move. National Commission for Women hopes to network with State Women Commissions in order to ensure effective communication with them.

Visits of Foreign and other Delegates to the Commission

10.10 During the period, a number of delegations from within and outside the country visited the Commission to have an insight about its working and its role in safeguarding the interests of women and also to understand the status of Indian women in politics and empowerment. During the year 2012-13, following delegations visited the Commission.

1. A Delegation from Law Formulation Committee of the Regional House of representatives of the Republic of Indonesia visited the Commission on 24th May, 2012.
2. A Delegation from Human Right Commission of Myanmar visited the Commission on 24th May, 2012.
3. A Delegation from Nepalese National Commission for Women visited National Commission for Women with coordination of MEA on 10th July, 2012 to understand the activities of NCW. Both National Commission for Women and Nepalese National Commission for Women shared the working procedure and experiences on the various issues related to women.
4. Mrs. Mireille Martin, Hon'ble Minister of Gender Equality and Development and Family Welfare, Republic of Mauritius alongwith H.E Dr. A.K. Jagessur Gosk High Commissioner and Mrs. N. Bauhadoor Pillary Ponnismwamy Second Secretary visited National Commission for Women on 4th September, 2012 to

understand the activities of NCW. Both National Commission for Women and Republic of Mauritius shared the working procedure and experiences on the various issues related to women.

5. A Delegation led by H.E. Mrs. Zenebu Tadesse, Minister of Women and Citizen and Youth Affairs, Republic of Ethiopia, visited National Commission for Women on 22th November, 2012 to understand the activities of NCW. Both National Commission for Women and delegation of Ethiopia shared working procedure and experiences on the various issues related to women.

LEGAL CELL

10.11 In accordance with the mandate of the Commission, under Section 10 of the National Commission for Women Act, 1990,

Commission during the year 2012-13 reviewed various laws. The recommendations on enacting of fresh legislations/ policies as well as amendments to the existing laws affecting and concerning women are briefly given as under:

1. The review of the Medical Termination of Pregnancy (MTP) Act, 1971

10.12 The National Commission for Women has taken up the review of the MTP Act, 1971 with a view to examine whether the existing provisions of the Act require any amendment. A consultation on review of medical termination of pregnancy Act, 1971 was held in Mumbai on 21st September, 2012. National consultation on finalization of recommendations on amendment of MTP Act was held in the NCW in December 2012/ January 2013. Matter is being firmed up at NCW.

2. Review of Immoral trafficking (Prevention) Act, 1956

10.13 The Inter-Ministerial Group (IMG) was constituted by the Ministry of Women and Child Development vide OM dated 6th September, 2012 to review Immoral Trafficking (prevention) Act, 1956. In this regard, views of the National Commission for Women on the Immoral Trafficking (Prevention) Act (ITPA), 1956 was sent to MWCD on 6th December, 2012. Views of NCW on review ITPA, 1956 are given as under:

10.14 The present legislation, ITPA, 1956 is not adequate to deal with “human trafficking”, nor does it take into account forced labour or services and other forms including the removal of organ. As a result, ITPA seems to equate trafficking with prostitution. This is one of the reasons why human rights violations inherent in trafficking are not properly understood. The term human trafficking cannot be considered solely from sexual exploitation perspective as women and children are trafficked for various other purposes too eg. Labour (cheap bonded, forced labour), organ trade, religious and social purposes etc. Smt. Mamta Sharma, Chairperson, National Commission for Women in her address at the National Seminar on “Preventing and Combating Human Trafficking in India” jointly organised by NCW and NHRC on 23rd November, 2011 stated that “trafficking in human beings is a crime committed in order to target, lead or drive a human being into an exploitative situation with the aim to make profits. Such exploitations may take many forms, for example commercial sexual exploitation, child labour, forced labour, bonded labour or illegal organ removal etc.”

10.15 The National Commission for Women is gravely concerned about the human rights violations of women in these matters and hence recommends the repeal of the present Act namely ITPA, 1956 on grounds of being limited and circumscribing the scope of the problem and recommends a new legislation titled, “Prevention of Human Trafficking Act” since the present law (ITPA) emphasizes on the issue of morality (specially in the title) rather than ‘trafficking’. The term trafficking cannot be

seen solely from sexual exploitation angle as women and children are trafficked for various other purposes. Therefore, NCW recommends a fresh legislation focusing on all aspects of human trafficking with stringent penalties for traffickers acting as deterrent.

RESEARCH & STUDIES CELL

10.16 Under section 10(1) (h) of the National Commission for Women Act, 1990, the Commission is required to undertake promotional and educational research so as to suggest ways of ensuring due representation of women in all spheres and identify factors responsible for impeding their advancement. In this regard, the Commission has promoted several seminars, public hearings, workshops and research studies in order to obtain relevant inputs on subjects considered of highest priority on issues related to gender equality and empowerment.

10.17 During the year 2012-13, the National Commission for Women approved programmes on various subjects related to awareness generation on women related problems and protection of their rights in underdeveloped rural areas where most of the women are illiterate and ill-informed. During the year, 24 awareness programmes, 3 public hearing, 106 seminars/ workshops were sponsored and 24 research studies were also sponsored to study women related issues and problems in depth. Further, during the year, 7 seminars/conferences were organized by NCW.

Violence Free Home - A Women's Rights.

10.18 NCW initiated a pilot project with Delhi police in May, 2008. The project called 'Save Home, Save Family' is intended to support police personnel at the Thana/ Police Station level in order to enable them to deal with women issues effectively. Phase II of the project has been initiated in March, 2009 for setting up three special cells for women and children in Delhi based on Maharashtra model. The major function of the cells is to handle cases of violence against women (VAW), provision of police assistance on criminal complaints, referral to family service agencies, counseling, legal aid and generating awareness on VAW. The project is funded by NCW and is

functioning in association with Tata Institute of Social Science (TISS). Considering the success of the project, its term has been extended upto 31st March, 2013. The project will now be renamed as 'Violence Free Home-A Women's Right' instead of 'Save Home Save Family'.

COMPLAINT AND INVESTIGATION CELL (C&I CELL)

10.19 The Complaints and Investigation Cell (C & I Cell) is an important component of the Commission. It deals with the complaints received from all over the country wherein there is any deprivation of women's rights or any issue involving injustice to women. The C & I Cell processes the complaints received orally, in writing or online through its website i.e., www.ncw.nic.in. In addition, the Commission also takes **suo-moto** cognizance of incidents related to heinous crimes against women under Section 10 of the National Commission for Women Act, 1990.

10.20 The Complaints & Investigation Cell processes complaints with the objective of providing adequate and expeditious relief ensuring suitable redressal of grievances of these women. Generally, the complaints are acted upon in the following manner:

- The complaints of police apathy / police inaction are forwarded to the concerned State Governments for ensuring a timely & fair investigation of the matter. The Action Taken Reports (ATR) thus received from the corresponding State Governments are examined and further monitored;
- Family disputes / matrimonial disputes are resolved through counseling. Both the parties are called to NCW for a personal hearing and are counseled to save their matrimonial home;
- For serious crimes, the Commission constitutes Inquiry Committees, which make on the spot inquiries, examine various witnesses, collect evidence and submit reports with recommendations. Such investigations help in providing

immediate relief and justice to the victims of violence and atrocities. The Commission monitors implementation of the recommendation of Inquiry Committees by taking up matter with the concerned State Governments / Authorities;

- In complaints related to sexual harassment at work place, the concerned Organization / Department is urged to constitute an Internal Complaints Committee (ICC) as per the Hon'ble Supreme Court Judgment on Sexual Harassment at Workplace, in **Vishakha Vs. State of Rajasthan (AIR 1997 Supreme Court 3011)**, to enquire into the complaint of aggrieved women employee and to submit a report of the same to the Commission. For creating awareness, the Commission has also placed advertisements in the leading newspapers of various States emphasizing upon constitution of an Internal Complaints Committee for enquiring into matters of "Sexual Harassment at Work Place" in Government as well as in the Corporate Sector;
- Some complaints received from women are also forwarded to various State Commissions for Women, the National Human Rights Commission, the National Commission for SC/ST and their State counterparts for initiating appropriate action at their end. These complaints are those complaints which are not directly related to the deprivation of women's rights.

Online Complaint Registration System:

10.21 The NCW has introduced the system of online registration of complaints in the year 2005. The Online Complaint Registration System is a facility incorporated for speedy and easy registering of complaints through the Commission's website i.e., www.ncw.nic.in and also through the e-mail of the Commission i.e., ncw@nic.in. This has resulted in speedier registration and providing registration acknowledgement to the complainants at much less

cost and hassles. The status and the progress of action taken on the case can be accessed online by the complainant. In the year 2012-13 (till 10th January 2013), total **2541** complaints have been registered through on-line complaint registration system. The details of nature-wise and state-wise complaints received through on-line system are placed at **Annexures-LIV & LV.**

Complaints not ordinarily Entertainable:

10.22 The complaints / cases of the following nature are ordinarily non-entertainable:

- a. Complaints illegible or vague, anonymous or pseudonymous ; or
- b. When the issue raised relates to civil dispute, between the parties such as contractual rights obligations and the like ;

 - Loan limit per beneficiary** (a) first loan – upto ` 35,000/-, (b) Repeat loan(s) ` 50,000/- taken together the existing plus new loan.

Activities

(A) Micro-Credit Performance

- 11.7 The RMK has extended its IMOs network across the country including the Andaman & Nicobar Island and the border areas of J&K. As on 15.12.2012, RMK had sanctioned cumulative loans of ` 340.40 crore benefiting 7,17,434 women. Out of this, a sum of ` 274.32 crore was disbursed. The following states are major receivers of micro-credit from RMK:

Sl. No.	State Name	Sanctioned (` in lakh)	Disbursed (` in lakh)	Beneficiaries (Numbers)
1.	Andhra Pradesh	9,850.81	8,446.18	230,313
2.	Tamil Nadu	7,491.34	6119.52	165,857
3.	Madhya Pradesh	2,172.30	1,834.90	21736

5.	Rajasthan	1,943.90	1,309.74	30108
6.	West Bengal	1,831.29	1355.79	45372
7.	Maharashtra	1671.90	1115.05	35672

11.8 Details of loans sanctioned, released and number of beneficiaries covered since inception upto 15.12.2012 are given at **Annexure-LIX**.

11.9 During the current financial year, upto 15.12.2012, RMK sanctioned loans of ` 13.03 crore benefiting 11,740 women. The amount disbursed was ` 6.19 crore. The details are furnished at **Annexure-LX**. Similar information for the period from January 2012 to 15 December, 2012 is given at **Annexure-LXI**. During this period RMK sanctioned loans of ` 25.08 crore benefiting ` 23,019 women and the disbursements amounted to ` 13.37 crore. NGO wise Loan sanctioned, disbursed and number of beneficiaries from 1.1.2012 to 15.12.2012 is given in **Annexure-LXII**.

B) Capacity Building & other Support Services

i) Partnership

11.10 RMK has a large IMOs network in the country, which helps in creating awareness among the partner organizations to integrate micro finance activities into their social sector interventions. During the nine months of the current financial year 2012-13, RMK has organized 4 trainings and awareness-cum-capacity building programmes to nurture and support the intermediary organizations.

(ii) Supporting Intermediary Micro financing Organizations (IMOs)

11.11 The micro finance programme of RMK for the socio-economic upliftment of poor women through the SHGs is the most successful one in the country. Apart from giving micro-credit to women beneficiaries, RMK also builds the capacity of SHG / women groups and partner NGOs in micro-finance and income generation activities to empower them and with a view to enabling them to train their fellow members and prospective beneficiaries. The partner organizations that take loans from RMK are directed to, *inter alia*, impart literacy education, health awareness etc. to the women SHG members. As a part of the developmental initiatives for the future growth of micro finance, RMK has launched a Nodal Agency Scheme for credit linkages with potential NGOs with a view to expand its outreach in a most cost effective manner in the less or uncovered areas of the country. The performance of these Nodal Agencies is reviewed from time to time.

11.12 RMK has 2 other important schemes called 'Franchisee' and 'Resource Centre'. RMK has appointed 3 Franchisees and identified 14 Resource Centres. RMK extends bulk finance to Franchisees who in turn on-lend it to smaller NGOs of the State / District with similar terms and conditions as prescribed by RMK. These IMOs then lend to the ultimate women beneficiaries. The details of the Franchisees of Rashtriya Mahila Kosh are :

Sl. No.	Name of the Organisation	State
1.	Rashtriya Gramin Vikas Nidhi (RGVN), 8th Bye Lane, Rajgarh Road, Guwahati, Assam	Assam
2.	MP State Cooperative Dairy Federation, Dugdha Bhawan, Dugdha Marg, Habibganj, Bhopal	Madhya Pradesh
3.	Punjab State Cooperative Handloom Federation Ltd., SCO – 2945 – 46, Sector, 22 – C, WEAVCO, Chandigarh	Punjab

The details of the Resource Centre are at **Annexure - LXIII.**

(iii) Some Other Major Activities during the Year

11.13. During the period under reference, Four (4) One Week Orientation Training on Micro credit and Income Generation issues for partner and new NGO's were conducted at the National Institute of Public Cooperation & Child Development (NIPCCD) Training Centres as per details given below :

- 1) Guwahati (Assam) during 25 - 29 January, 2012
- 2) Bangalore (Karnataka) during 6 - 10 August, 2012
- 3) Indore (MP) during 17 - 21 September, 2012
- 4) Lucknow (UP) during 8 - 12 October, 2012

11.14 RMK alongwith its NGO partners participated in four (4) exhibitions during National Nutrition Week organized by Food & Nutrition Board, Ministry of Women & Child Development at Bawana, Narela, Mongolpuri and Badli, Delhi on 1,3,5 & 7 September, 2012 respectively. The programmes were organized with a view to creating Awareness about Nutrition among the members of SHGs of poor women.

11.15 RMK also participated in the 12th Global Conference for Women Entrepreneurs organized by the International Federation of Women Entrepreneurs on "Trade Liberalization and its Global Impact on Women Entrepreneurs" with sponsorship from the Ministry of Women and Child Development

from 4 - 7 September, 2012 at Hotel Ashoka, New Delhi.

Vatsalya Mela at Dilli Haat during 14 – 19 November, 2012

11.16 RMK and its NGO partners participated in the 'Vatsalya Mela' organized by the Ministry at Dilli Haat, New Delhi from 12.11.2012 to 19.11.2012 on the theme - "Safety and Protection of Women & Child Rights". The Mela provided the women SHGs and women development/welfare agencies and Government departments a platform to display and market their products and services. A diverse range of products were displayed and sold including products like sarees, bed sheets, decorative, traditional and modern handicrafts, handloom, dress materials, woolens, embroidery items and ready-made garments; bamboo, coir, cane, wood and jute products, beadwork, stone and metal jewellery, durries, leather handicraft items, food items like spices, pickles, honey, dry fruits, and herbal products etc. Vatsalya Mela also provided an opportunity to the NGO participants to interact and enrich their knowledge regarding their products, as well as enhance marketing skills and business knowledge. Overall, this was very useful exposure for the poor women SHGs particularly those coming from remote places in the country. There were 40 RMK - NGO partners from i) Andhra Pradesh, ii) Assam, iii) Bihar, iv) Delhi, v) Gujarat, vi) Himachal Pradesh, vii) Haryana viii) Jammu & Kashmir, ix) Jharkhand x) Maharashtra xi) Manipur, xii) Rajasthan, xiii) Tamil Nadu, xiv) Uttrakhand and xv) West Bengal. These NGO partners recorded consolidated sale of over ` 18.63 lakh and also reported having received many enquiries / orders for supply of their SHG / Artisan products. This will help them in getting good marketing linkage and expanding the employment avenues for the SHG members.

Restructuring of RMK

11.17 In pursuance of Hon'ble Finance Minister's Budget Speech: 2009-10, recognizing the good work of RMK, its Governing Board approved the proposal "to restructure and strengthen RMK from existing RMK single office Society to **Government owned Non Deposit Taking Systemically Important Non - Banking Finance Company (NBFC-ND-SI)** u/s 617 of the Companies Act, with a Pan-India office network backed by need based capital. This would enable RMK to respond to the growing need for micro-finance in low-income household on reasonable terms and conditions and reach out more effectively to the poor women in the hitherto less-covered or uncovered states/areas. In the recent past, the microfinance sector had witnessed turmoil, which led to review of practices within the microfinance sector and working of MFIs by a committee appointed by the Reserve Bank of India (Malegam Committee). In line with the guidelines issued by Reserve Bank of India, RMK will continue with its policies of providing microfinance to women beneficiaries on soft terms and conditions viz. low interest rates, longer repayment period and collateral free loans. The above proposal for transformation of RMK into an NBFC is under active consideration of the Government.

Some Success Stories of the Women Benefited from RMK - SHG beneficiaries through Micro Finance

11.18 Yuva Sakti, is a RMK partner NGO in Andaman & Nicobar Islands working at the grass root, formed by a number of SHGs of men and women residents of Sea Shore Road, Port Blair, Andaman & Nicobar Island. One of the SHGs viz Pragathi – II promoted by Yuva Sakti in 2010 has two enthusiastic women members. They are Smt Jagathbal and Pushpalatha, who settled in Port Blair 20 years ago.

Before joining the Pragathi SHG, they were running a noodle manufacturing unit which was running in loss. They were facing financial difficulties in running the unit. They approached Yuva Sakti for financial assistance. The NGO applied for loan from RMK for this

group. The group utilized the loan money for purchase of eggs, maida etc which is the primary requirement for the manufacturing of noodles. Now the unit is doing well. They have engaged 4 workers apart from their husbands. The husbands are helping these women in marketing of noodles. The group is now registered as a SSI unit. The unit has started giving them good business. After meeting all expenditure in the manufacture of noodles, they are earning over ` 20,000 per month. The group is repaying the loan amount in time. Their children are studying in good school and their status in the society is well recognized by other members of the SHG.

11.19 Aima Bibi, a resident of Village. & P.O.- Jugdia, P.S. - Magrahat, Dist. - South 24-Parganas, West Bengal, has a family consisting of six daughters, two sons and her husband. The husband

was the only earning member of the poor family of ten members. But unfortunately she lost her husband, when her youngest daughter was only three months of age. After that incident, she and her children struggled to survive.

Her husband left only a dwelling hut but no land or other asset. In the year 2006, she joined a SHG formed by Human Development Centre (HDC), a RMK NGO partner in West Bengal.

She was sanctioned a small loan of ` 3000/- by HDC. With this assistance, she started the business of fruits. Gradually she extended her business with the continuous help of the other members of SHG groups formed by HDC. Her business flourished and she earned good profit. This helped her to arrange marriages of her four daughters. Now she is a wholesaler of fruits and is taking a fruit garden on lease. She has purchased two orchards and her monthly income has gone up to ` 12000/- to ` 15000/-.

National Commission for
Protection of Child Rights

Towards a New Dawn

National Commission for Protection of Child Rights (NCPNR)

12.1 The National Commission for Protection of Child Rights (NCPNR) was set up in March 2007 under the Commissions for Protection of Child Rights (CPCR) Act, 2005. The mandate of the Commission is to monitor all laws, policies, programs and administrative mechanism in the country to ensure that children's rights as enshrined in the Constitution of India and also under the UN Convention on the Rights of the Child (UNCRC, 1989) are protected and promoted.

12.2 The Act provides for one Chairperson and six Members in the Commission (out of which at least two shall be women) to be appointed by the Central Government from amongst persons of eminence having experience in education, child health, juvenile justice or care of neglected or marginalized children or children with disabilities; elimination of child labour or children in distress; child psychology or sociology; and laws relating to children.

Mandates

Under Section 13(1) of the CPCR Act, 2005

12.3 The Commission has been mandated to perform all or any of the following functions:

(i) To examine and review the safeguards provided by or under any law for the time being in force for the protection of child rights and recommend measures for their effective implementation;

- (ii) To present to the Central Government, annually and at such other intervals, as the Commission may deem fit, reports upon the working of those safeguards;
- (iii) To examine all factors that inhibit the enjoyment of rights of children affected by terrorism, riots, torture, exploitation, disaster, domestic violence, HIV / AIDS, trafficking, maltreatment, pornography and prostitution and recommend appropriate remedial measures;
- (iv) To look into the matters relating to children in distress, marginalized and disadvantaged children without family and children of prisoners and recommend appropriate remedial measures;
- (v) To spread child rights literacy and promote awareness of the safeguards available for protection of these rights;
- (vi) To inspect or cause to be inspected any juvenile or custodial homes, or any other institution meant for children, under the control of Central Government **or any State Government** or any other authority, including any institution run by social Organizations, where children are detained or lodged for the purpose of treatment, reformation or protection and take up with these authorities for remedial action, if found necessary;

- (vii) To inquire into the violation of child rights including *suo-moto* notice and recommend initiation of proceedings with appropriate authorities;
- (viii) To study treaties and other international instruments and undertake periodical review of existing laws, policies, programmes and other activities on children's rights and make recommendations for their effective implementation in the best interest of children;
- (ix) To undertake such other functions as it may consider necessary for the promotion of child rights and any other matter incidental to the above functions.

Under Section 31 of RTE Act, 2009

- (a) examine and review the safeguards for rights provided by or under this Act and recommend measures for their effective implementation;
- (b) inquire into complaints relating to child's right to free and compulsory education; and
- (c) take necessary steps as provided under sections 15 and 24 of the Commissions for Protection of Child Rights Act.

Under Section 44 of the Protection of Children from Sexual Offences(POCSO) Act, 2012 & Rule 6 of POCSO Rules, 2012

- (a) to monitor the implementation of the provisions of the POCSO Act in the manner as prescribed under Rule 6 of POCSO Rules, 2012;
- (b) to monitor the designation of Special Courts by State Governments;
- (c) to monitor the appointment of Public Prosecutors by State Governments;

- (d) to monitor the formulation of the guidelines described in section 39 of the Act by the State Governments, for the use of non-governmental organizations, professionals and experts or persons having knowledge of psychology, social work, physical health, mental health and child development to be associated with the pre-trial and trial stage to assist the child, and to monitor the application of these guidelines;
- (e) to monitor the designing and implementation of modules for training police personnel and other concerned persons, including officers of the Central and State Governments, for the effective discharge of their functions under the Act;
- (f) to monitor and support the Central Government and State Governments for the dissemination of information relating to the provisions of the Act through media including the television, radio and print media at regular intervals, so as to make the general public, children as well as their parents and guardians aware of the provisions of the Act.

Activities

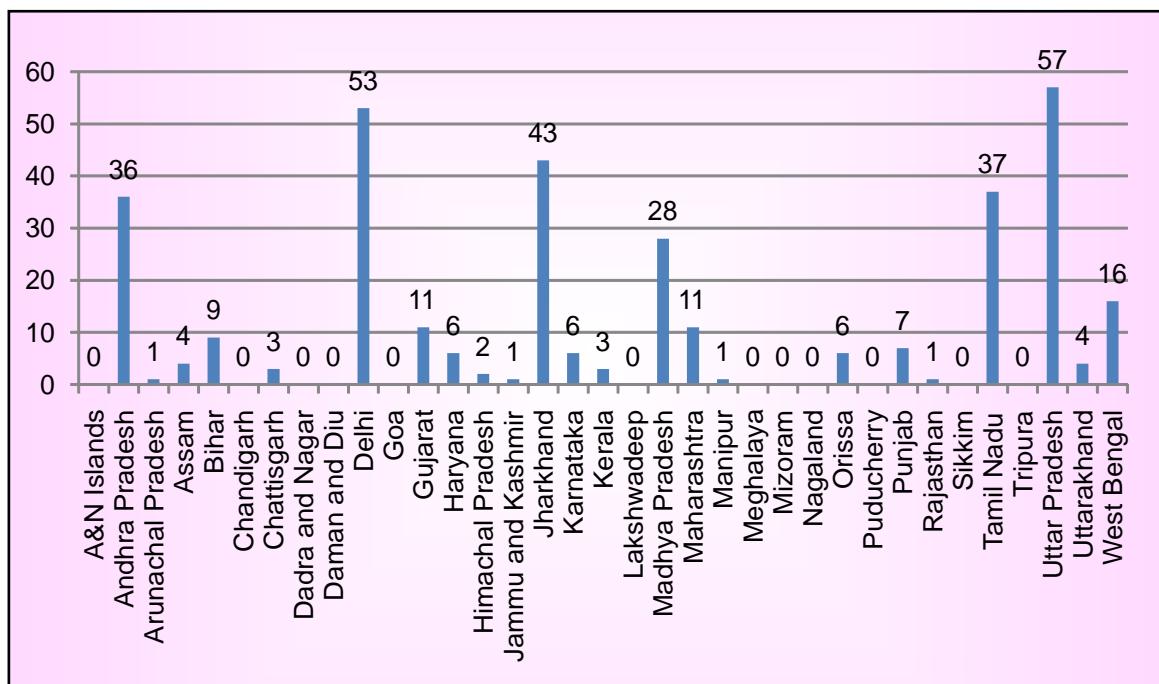

12.4 The Commission looked into various areas including the right of children to education in schools, child labour, rights and entitlements of children affected by HIV/AIDS, health/nutrition, sexual exploitation of children and unregulated children homes/orphanages, rights of children in areas of civil unrest, inter-state migration of children, child trafficking and rehabilitation of rescued children. The Commission intervened in most States and the interventions included monitoring the functioning of Anganwadi centers, schools, juvenile homes, ashram shalas, and so on. Based on its past experience, the Commission evolved an understanding of the core principles that have to be adhered to in formulating policies and delivering services, adjudication of justice for children, as well as making legislations for children. Five essential core management

principles viz: decentralization, flexibility, institution building processes, convergence and listening to children and their voices guided formulation of policies and delivery of services.

Monitoring Child's Right to Education (RTE)

12.5 Under the Right of Children to Free and

Compulsory Education(RTE) Act, 2009, NCPCR has been mandated to monitor 'children's right to education'. As a part of its monitoring process, social audits of RTE had been initiated by NCPCR in 12 States through community based monitoring of RTE implementation at school, panchayat, block and district levels. State-wise complaint dealt under RTE during 2012-13 till 31.12.2012 have been depicted in the chart below.

Bal Bandhu Scheme

12.6 The Commission is implementing the Bal Bandhu Scheme for Protection of Children in Areas of Civil Unrest on Pilot basis in nine districts of 5 States namely: Kokrajhar, Chirang district of Assam, Khammam district of Andhra Pradesh, Gadchiroli district of Maharashtra, Jamui, Rohtash, East Champaran and Sheohar districts of Bihar and Sukma district of Chhattisgarh, with the annual grant of ` 3.17 crore sanctioned from the Prime Minister's National Relief Fund for a period of 3 years. An amount of ` 1,20,97,069 (` One Crore, Twenty Lakh, Ninety Seven Thousand and Sixty Nine) has been sanctioned under the Scheme for the year 2012-2013. The objectives

of the scheme are: (i) to bring stability in the lives of children in the process of ensuring that all their entitlements to protection, health, nutrition, sanitation, education and safety are fulfilled through Government action; (ii) to enhance democracy through community participation and action and renew hope in harmonizing the society; and (iii) to stabilize their lives while a child's well-being becomes the focus of all action in the area.

Protecting the rights of trafficked children/migrant children/child labour

12.7 Rehabilitation of trafficked children: A team from NCPCR visited Jharkhand to sensitize the State Administration to ensure that recurrence of child trafficking is avoided from the source

points in Jharkhand with special emphasis on Gumla District. The visit focused on the meetings with the NGOs, other Stake Holders and the District Administration in the District of Gumla, and also with the State Govt. Officials in Ranchi, Jharkhand, on various child right issues with concerted attention on the trafficking of children to metros and other urban centres. The visit was utilized also to assess the entitlements due to children in Kasturba Gandhi Balika Vidyalayas (KGBVs) and Ashramshalas. NCPCR Team visited West Bengal from 16th to 21st July 2012 to take up the issues/complaints of child trafficking, missing children and abuse of children from south Bengal.

12.8 NCPCR facilitated in Rescuing of trafficked children/child labour:

- (i) The rescue of three minor children of Ukhral District from Kotlamubarakpur and their medical check-up at AIIMS on 7th April 2012 and their restoration to the native place through the concerned NGO in Delhi and CWC in Urkhul.
- (ii) The rescue of 31 girls from the brothels in Kabadi Bazar of Meerut through the local police and district administration as well as concerned NGOs.
- (iii) The rescue and repatriation of about 68 girls (belonging to Chhattisgarh, Jharkhand, West Bengal, Odisha and Nepal) from the Placement Agencies in Shakurpur area within the Subhash Place Police Station jurisdiction in January 2013.

Children in Contract with Railways:

12.9 NCPCR held meetings with the representatives of DCPCR, Railway Children India (An NGO) and other stakeholders with the objectives of getting the NCPCR guidelines implemented. A meeting was held with the Railway Board on 5th December 2012,

followed by a meeting of a Working Group to review the existing guidelines and develop a protocol for safe repatriation/ integration of rescued children. The Working Group to finalise the same on 4th February, 2013 so as to file the same in the High Court of Delhi in the matter of Khusboo Jain Vs. Ministry of Railways.

Interventions on the issue of Child Malnutrition

12.10 The Commission has been seized of the grave and pervasive issue of malnutrition in children across the country. Since the problem is more severe in certain States, especially those with large tribal populations, monitoring has concentrated in the States of Madhya Pradesh, Maharashtra and Jharkhand from the period mid-August to December. Additionally interventions have been made in Andhra Pradesh and Rajasthan. These recommendations have concentrated around the quality of services currently being provided by the ICDS as well as suggested approaches to community based management of malnutrition within resources available at State and District level. Many complaints of deaths had been received by the Commission and these were used as case studies to demonstrate the deficiencies of the involved systems of ICDS and NRHM as well as discuss solutions. Discussions were held with all the State governments involved which were followed by recommendations. The process is being followed through till there is ground level evidence of improvement in the quality of the services as per recommendations. An initial consultation has been undertaken in partnership with Jamia Millia University (Centre for Early Childhood Education Research) towards a study to document noteworthy practices in ICDS in select states. This will be undertaken in the coming months.

Interventions in health care services for children

12.11 Many specific issues and specific services have been taken up by the Commission for close monitoring and follow-up. A rapid appraisal survey

has been undertaken on the usage of EWS beds in private hospitals in New Delhi by and for children and the findings are currently being analysed. *Asha Kiran* - a home for mentally challenged children in New Delhi is regularly being monitored in partnership with Delhi Commission for Protection of Child Rights (DCPCR). The Commission has taken cognizance of the poor state of Kalawati Saran Hospital with special reference to the problems of overcrowding, lack of services for attendants and lack of staff. Regular follow-up is being done by the Commission with the administration of KSH along with responsible officers of the Health Ministry. The officials of UP Government were summoned on 3.10.2012 in the case of continuing mortality from AES / JE in the Gorakhpur region. The Commission found several deficiencies in the services including availability of human resource, beds, ventilators, immunization coverage, identification of and services for child survivors left with disability, water and sanitation facilities. Specific recommendations have been made for these issues and being monitored on a three monthly basis.

Early Child Care and Development(ECCD)

12.12 The lack of child care services for

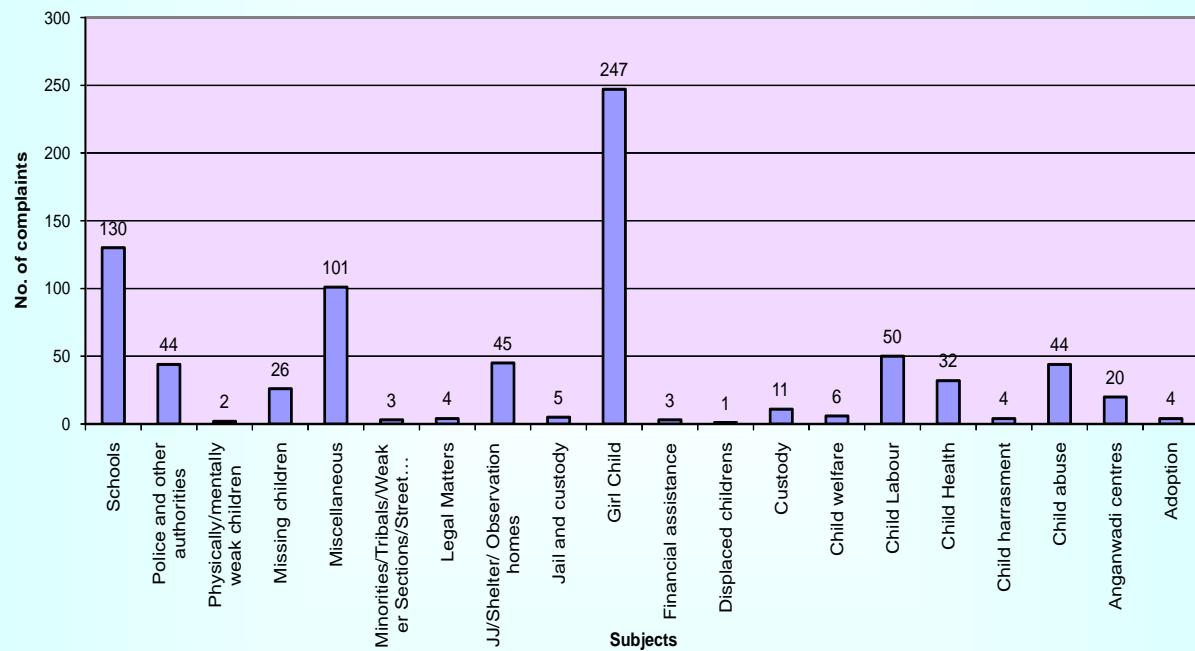

women working in the informal sector has been a hugely neglected area which has led to many older children being trapped in sibling care and the lack of care to babies resulting in malnutrition, sickness and even death. Statutory crèches are a requirement under laws relating to construction workers and factory workers. However they hardly exist. In order to promote governments to look into this matter, the Commission has embarked upon a discussion with involved senior officers of Haryana Government to create a pilot in Gurgaon. The Commission has also intervened with Rajasthan State to monitor the provision of health, education and child care services for children at brick kilns. A beginning has been made in Bhilwara District where 20 schools have been started on brick kilns in December.

Complaints relating to child rights violations/deprivation

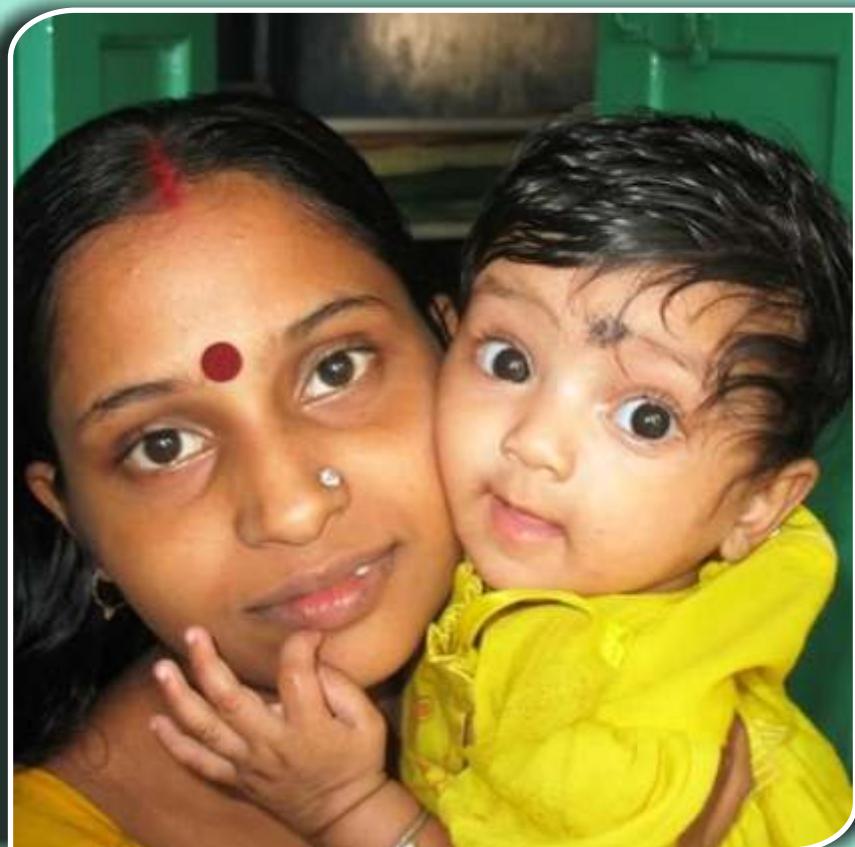

12.13 During the year 2012-13 (upto 31.12.2012), NCPCR has dealt with 782 complaints of violation/deprivations of child rights on the issues of child labour, sexual abuse, corporal punishment, juvenile justice, child abuse, police atrocities, child health and malnutrition. State-wise and subject-wise complaints /suo-motu cases dealt by NCPCR are depicted in the following charts.

Central Adoption
Resource Authority (CARA)

Towards a New Dawn

Central Adoption Resource Authority (CARA)

13.1 Central Adoption Resource Authority (CARA) is an autonomous body of the Ministry of Women & Child Development, Government of India. It functions as a nodal body for adoption of Indian children and is mandated to monitor and regulate in-country and inter-country adoptions. CARA is designated as the Central Authority to deal with inter-country adoption in accordance with the provisions of the Hague Convention on Inter-country Adoption, 1993, ratified by Government of India in 2003. CARA primarily deals with adoption of orphan, abandoned and surrendered children through its associated /recognized adoption agencies.

Vision

13.2 To find loving and caring homes for all orphan, abandoned and surrendered children through family based non-institutional services.

Organizational Structure

13.3 Management Committee of CARA consists of both Official and non-Official Members which takes important decisions relating to programme matters. Day-to-day matters are looked after by the Member Secretary of CARA who acts as Chief Executive Officer.

Objectives

- Function as a nodal body on non-institutional child care services in the country.

- Act as a Central Authority as envisaged under the Hague Convention on Inter-country Adoption.
- Facilitate and promote adoption of orphan, abandoned and surrendered children.
- Streamline adoption procedures and delivery systems
- Data on Adoption up to Dec. 2012:

Achievements of CARA

13.4 **CARINGS (Child Adoption Resource Information & Guidance System):** CARINGS is CARA's response for a transparent and friendly adoption process. It offers a more child centric approach and is an online platform which helps in building bridges and creating a link through a robust web-based management system. It facilitates expeditious and smooth adoption, ensures transparency in the adoption process,

increases accountability of implementing agencies, creates a net work of stakeholders towards synergy and helps in maintaining a National database.

13.5 Central System of receiving inter-country adoptions dossiers has been operational since January 2012. Special needs module has been launched since June 2012. In fact, CARA has taken up the following initiatives for expeditious adoptions:

- Provisional registration for domestic adoption
- Inter-state adoption
- Linkage of Recognised Indian Placement Agencies (RIPAs) with Specilised Adoption Agencies (SAA) for rehabilitation of special needs children

Helpline at CARA

13.6 One helpline (011-26180194) is operational at CARA since January 2012 which is helping all adoption agencies, foreign agencies and the prospective adoptive parents to address their queries. The queries are mostly related to Child Adoption Resource &

Guidance System (CARINGS), central system of receiving adoption applications for inter-country adoption, domestic adoption, database maintained by Indian agencies and adoption guidelines etc.

13.7 Guidelines Governing Adoption of Children 2011: CARA guidelines have been revised from time to time. The last guidelines have become functional since June 2011. These guidelines contain roles and functions of various authorities and recognised agencies and step by step procedure of in-country and inter-country adoption for orphan, abandoned and surrendered children.

13.8 Revision of Inter-country Family Adoptions: Revision of Inter-country Family Adoptions has been undertaken.

13.9 Training/Development Activities: CARA has organised a number of training for the functionaries of adoption agencies, children homes, district probation officers, district welfare officers, members of the civil societies and Government officials, Child Welfare Committee (CWC) members, child line etc. for their capacity building on implementation of the JJ Act and the adoption guidelines. It has also organised 3 consultations with judicial officials during the year.

adoptees and many experts in the field of adoption attended the Meet. The main objectives of the Meet were to provide a platform and share issues related to In-country and Inter-country adoption, discuss current trend, policy and other safeguards in adoption, receive feedback from the receiving countries and the Indian agencies and to share research findings and success stories related to adoption.

13.12 Publicity and Awareness: CARA has actively participated and promoted adoption by giving advertisements in leading national and regional newspapers. Also to capture the audience through radio, audio spots were broadcasted in all the F.M channels at national level. Video spot was also telecasted at national level in the popular channels and doordarshan channel. The video spot was also displayed at digital cinemas. All these activities were undertaken to promote in country adoption and also to spread awareness about safe surrender.

13.13 IEC(Information, Education & Communication) materials were distributed during various training and development activities conducted by CARA and also during Vatsalya Mela. Apart from this, hoardings on adoption were arranged at Airports at National level and at State level to provide correct information on adoption procedure.

13.14 CARA participated in 7th Meri Dilli Utsav organized at Punjabi Bagh from 3-5th November 2013 where it was awarded for the best stall. CARA also participated in the Vatsalya Mela organised by the Ministry at Dilli Hatt, New Delhi from 14th – 19th November, 2012 and utilised the occasion to disseminate IEC information related to adoption.

13.15 Inspection & Monitoring: CARA has undertaken inspections of 45 adoption agencies as on December 2012.

State-specific good practices/initiatives in ICDS

(Extracts from ICDS APIPs 2012-13)

1. Nava Jatan (Chhattisgarh)

With the active involvement and participation of SHGs, MahilaMandals and corporate organisations, the State of Chhattisgarh has initiated a scheme called “*Nava Jatan*” in January 2012 with an intention to address severely malnourished children in children through community based management practices. The scheme entails identifying severely malnourished children and ensuring them all required services (advice/medicine/referral/camp in selected areas) under ‘*MukhyamantriBalSandarbhayojana*’. Span of one round under the scheme is six months and rigorous monitoring is done every month with the help of software. Such 6 months rounds will continue for the next 2-3 years.

2. WajanTyhaar (Chhattisgarh)

Chhattisgarh celebrated *WajanTyhaaron* 6 June, 2012, a new initiative by the State, wherein approximately 25 lakh children below 5 years of age were weighed across the State by AWWs. Weighing was also accompanied by plotting of the weight data on the growth charts for counseling the families of underweight children. This drive was conducted with the intention to get an exact picture of malnutrition in the State. On the basis of sample size of 3 lakh children, child nutritional status was found as: Normal Children: 60.94%; Moderately Underweight: 27.98%; and Severely Underweight: 11.08%. The State plans to conduct such campaign every year.

3. PrathamAhhar (Assam)

An initiative to create awareness among the community about the benefits of timely initiation of complementary feeding, *PrathomAhar* is piloted in identified AWCs of five districts jointly by NGOs and the Department of Social Welfare with technical support of UNICEF. Based on the encouraging results, the State plans to scale up this initiative in other districts for improving IYCN component with support of NRHM.

4. Kitchen gardens (Assam)

Kitchen Garden is an innovative approach aiming to promote nutrition security and food diversity to fulfil the additional nutritional requirements of adolescence age. Adolescent girl clubs have been formed and trained to develop and maintain kitchen gardens, proper cooking practices for preserving nutrients through cooking demonstration and recipes contest with the help of home science faculty of Assam Medical College and Hospital (AMCH). New kitchen gardens in crèches and Tea Garden Hospitals are being developed.

5. Making Supplementary Nutrition more attractive (Gujarat)

Four types of energy dense micronutrient fortified THR premixes are provided at AWCs in Gujarat. These premixes are easy to prepare in few minutes and are enriched with all essential macro and micronutrients needed for a proper mental and physical development. The State has prepared a recipe book for preparation of more than 70 recipes from these THR premixes. The State has also initiated *DoodhSanjeevaniYojana* in collaboration with the tribal department in selected 10 Blocks

of 6 Tribal districts, wherein 100 ml fortified, flavoured, double toned pasteurized milk is provided to children 3-6 years, twice a week.

6. e-Sadhana (Andhra Pradesh)

eSandhana is an ICT initiative by the Government of Andhra Pradesh with technical support of NIC, Hyderabad, with an aim to improve operational and management systems efficiency for delivery of basic services, communication of information and facilitating decision making. It will cover basic information of AWCs; identify weak AWCs for focused attention and as per the feedback received, special visits are made to AWCs for taking corrective actions.

7. “BachpanDiwas” - Strengthening Pre-School Education (Bihar)

Bihar conducts “*BachpanDiwas*” every Saturday to improve the quality of PSE, which includes activities such as dance, storytelling, games, reciting poems, drama, drawing and painting, gardening, organizing competitions, training on making paper toys to create joyful learning environment, etc.

8. Community participation in providing Supplementary Nutrition - AkshayaPatram (Karnataka and Tamil Nadu)

Karnataka has started an initiative called *AkshayaPatram* to enhance community participation in ICDS. *Under this*, an inexhaustible pot is hanged in AWCs where community, children coming to AWCs, parents can donate anything in kind like vegetables, toys etc. In Tamil Nadu mothers of children coming to AWCs are encouraged to send their children with one vegetable each and drop it in the common container (*AkshayaPatram*) which is used for cooking meals provided at the AWC.

9. Keno Parbo Na, Positive Deviance (West Bengal)

Keno Parbo Na (Why Can't we do it?) in West Bengal is a community driven initiative to address child under-nutrition through household level behaviour change of the caregivers. AWWs act as catalyst and help to mobilize and empower community in management of child under-nutrition. The initiative had coverage across 9 districts, 126 blocks and 17912 AWCs till March 2012.

CHARTER OF GENDER BUDGET CELLS
Department of Expenditure, Ministry of Finance

8th March 2007

Gender Budget Cells in various Ministries were set up with the intention of implementation and committing to various Gender Responsive Budgeting (GRB) initiatives with the objective of influencing and effecting a change in the Ministry's policies, programmes in a way that could tackle gender imbalances, promote gender equality and development and ensure that public resources through the Ministry budget are allocated and managed accordingly.

Gender Responsive Budgeting or Gender Budgeting as it is more commonly known, is a means of ensuring that public resources are allocated in an equitable way so that the most pressing needs of specific gender groups are satisfied. GRB initiatives do not seek to create separate budgets to address women's gender concerns. Instead they seek to view the Government Budget from a gender perspective in order to assess how it will address the different needs of women.

With the objective of facilitating the integration of gender analysis into the Government budget, this charter for the Gender Budgeting Cells is being drawn up for guidance and implementation by all Ministries/ Departments.

Composition of Gender Budget Cells

The Gender Budget Cell should comprise a cohesive group of senior/ middle level officers from the Plan, Policy, Coordination, Budget and Accounts Division of the Ministry concerned. This group should be headed by an officer not below the rank of Joint Secretary. The functions and working of the GRB 2 may be reviewed at least once a quarter at the level of Secretary/ Additional Secretary of the Department.

Functions of Gender Budget Cells

The GBC may set for itself, specific quarterly / half yearly/ annual targets to be achieved in terms of the following suggested areas of work.

(1) Identification of a minimum of 3 and maximum of 6 largest programmes (in terms of budget allocation) implementation by the Ministry and the major Sub –Programmes there under, with a view to conducting an analysis of the gender issues addressed by them.

- This is to be facilitated by describing the current situation with respect to the Sub- Programme (using disaggregated data in terms of beneficiaries as much as possible) and describing the activities for achieving the given output.
- Output indicators may be identified for measurement against performance in the coming year.
- Activities targeted at improving the situation of women under these programmes may be highlighted. In this regard, an assessment may be made of the extent to which sectoral policies address the situation of women, whether budget allocation are adequate to implement the gender responsive policy; monitoring whether the money was actually spent as planned, what was delivered and to whom; and whether the

policy as implemented changed the situation described, in the direction of promoting/achieving greater gender equality.

- Results of this analysis may be included as an annex titled "Gender Responsive Budgeting Initiative" in the Ministry's Outcome/ Performance Budget for the year.
 - GBCs of such Ministries/ Departments which have identified programmes where 100% of the budgetary allocation for the scheme is earmarked to benefit women, may undertake a similar analysis as described above. Results of this analysis may also be included in the Ministry's Department's Outcome/ Performance budget for the year.
- (2) Conducting / Commissioning Performance audit (at the field level wherever possible) for reviewing the actual physical/ financial targets of the programme, the constraints if any, in implementation, the need for strengthening delivery systems, infrastructure/ capacity building etc.
- (3) Organizing meetings/ discussions/ consultations with GBCs of related departments within the Ministry, field level organization/ civil society groups/ NGOs working in the sector for exchanging ideas and getting feedback on the efficacy of sectoral policies and programmes.
- (4) Suggesting further policy interventions based on findings of the above.
- (5) Participating in and organizing Training/ Sensitization/ Capacity Building workshops for officials, concerned with formulation of policy/ programme implementation & budget and accounts at the Ministerial level and also in the implementing agencies/ attached/ subordinate offices and organizations under the administrative control of the Ministry.
- (6) Apparently "gender neutral" programmes are not necessarily gender neutral in the impact they have, when seen through gender lens. Hence, in sectors like Defence, Power, Telecom, Communications, Transport and Industry, etc. GBCs may undertake an exercise to identify the possibility of undertaking initiatives/ special measures to facilitate/ improve access to services for women and their active participation in the decision making process at various levels.
- (7) Disseminate best practices followed by those Divisions of the Department/ Ministry implementing schemes, which have done good work in analyzing the schemes/ programmes from gender perspective which have brought about changes in policy/ operational guidelines.
- (8) Prepare a Chapter on Gender perspective related to the Sector / Service covered by the Ministry and the impact of the existing policies/ programmes and resources employed in meeting the specific needs of women for reflection in the Ministry's Outcome/ Performance Budget.
